SCOPE OF AUDIT:

1. **Audit Report:** The Municipal accounts as contained in the financial statements including the accounts of special funds, if any, and the balance sheet shall be examined and audited by the Director of State Audit or his equivalent authority or an Auditor appointed by the State Government. The Auditor so appointed shall upon completion of audit of the accounts, issue a report on the financial statements of the ULB. The Auditor's Report on the Balance Sheet, Income and Expenditure Statement, Receipts and Payments Statement, and Cash Flow Statement shall be addressed to the Authority (as required by the relevant Act) of the ULB, with a copy being forwarded to the Commissioner & Director of Municipal Administration and Urban Development department.
2. **Back Ground:** Government of India (GOI) enacted the 73rd and 74th Amendments to the Constitution to empower local self governing institutions like the Urban Local Bodies (ULBs). Government of India further entrusted implementation of key socioeconomic developmental program ULBs. States, in turn were required to entrust these ULBs with such powers, functions and responsibilities to enable them to function as institutions of self-governance and implement schemes for economic development and social justice including those enumerated in the Eleventh and Twelfth Schedules to the Constitution.
3. The audit of Greater Visakhapatnam Municipal Corporation for the year ended 31st March 2016 was ordered to taken up w.e.f.7.11.2016 as instructed by the District Audit Officer and the Regional Deputy Director without detrimental to regular duties. The receipts audit was conducted to the extent of records produced by the Executive Authority and 100% expenditure audit at zonal level was conducted. However, soft copy of cash book transactions regarding payments made were obtained from the IT Section and availed the same in the relevant objections. The objections were raised based on the defects identified from audit material i.e. Registers, records, files and certified statements etc., provided by the institution.
4. The Executive Authority furnished Annual Account for 2015-16 in DEABAS for entire GVMC. But it was unable to verify zonal figures as there are no zonal account figures available in the annual account. The statement of Receipts & Expenditure prepared by the Auditors to the extent of records and cash books available at zonal level. It is also noticed that on introduction of online system manual records were dispensed with even without having necessary instructions from the Government.
5. The audit was conducted in accordance with the generally accepted auditing practices (standards) and principles laid down in the Functionary Manual of State Audit Department of Andhra Pradesh, as applicable to the Greater Visakhapatnam Municipal Corporation and also vide APMAM. The audit was conducted to obtain reasonable assurance of the financial statements is free from material mis-statement. However it is not materially become possible due to improper maintenance of records. **No manual records are maintained in any section and maintained records also not in full shape to verify the correctness of account figures. Therefore, it is very difficult to detect cases of misappropriations etc.,**
6. The audit was conducted to the extent of production of manual records which were not in full shape and online generated statements and raised suitable objections. There are no subsidiary records/basic records for cross verification of the account figures and hence audit not in a position to detect cases of misappropriations.
7. In normal audit, auditors can't verify the online transactions due to lack of sufficient technical knowledge and time. Therefore, audit/auditors is not responsible for the cases of software based misappropriations.
8. The objections were raised based on the audit observations from the Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned by issuing the Half Margin letters as per the existing audit procedure.
9. Correspondence with the Executive Authority: To get the Registers, records, files and other audit material from the Executive Authority, reasonable correspondence made with the Zonal Commissioner and other Sectional heads who are responsible for production of records at various levels. All the half margin letters were acknowledged as a token of receipt of the same by the address entries or other officials who attached to audit teams. Audit observations and non production of records were brought to the notice of the Zonal level authorities from time to time but action was not taken from their end for effective production of records.

10) SCOPE OF AUDIT -STATUS OF MAINTENANCE AND PRODUCTION OF VARIOUS VITAL AND IMPORTANT RECORDS:

During the course of audit for the year 2015-16, it is noticed that certain vital and important records were not maintained, if maintained also, they were partial. The non-maintenance and non-production of records and irregular maintenance of certain registers, nothing but opening of the doors for all sorts of irregularities such as misappropriations, defalcations and other major financial losses.

Further, it was observed that the manual records such as Demand Registers, Posting Registers etc., were dispensed with unilaterally without having instructions either from the Government or from the Director of Municipal Administration. Certain records were maintained partially in the system, which could not be verified at the end of transaction.

In the above circumstances, there is every possibility and scope for misappropriations, defalcations, and irregular drawls as the maintenance of records is not comprehensive.

Subject to the above position, the audit was conducted to the extent of production of records and the objections were raised based on the observations from the following Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned.

11) Audit Report:

This Audit Report contained 2 parts as detailed below:

S. No	Part of Report	Particulars	Contents of Report
1	Part-A	Audit Report on Main Office	Part-A(I): Main Office Audit Paras with annexures Part- A(II): Review on Zonal Reports

AUDIT REPORT 2015-16

ACCOUNTS SECTION

PARA No.1**ACCOUNTS****CODE No.01****ANNUAL ACCOUNT - VERIFICATION OF ANNUAL ACCOUNT FOR THE YEAR 2015-16 - VARIATIONS BETWEEN ANNUAL RECEIPTS, LEDGER AND BANK COLLECTIONS- NEEDS RECTIFICATION:**

On verification of the annual account for the year 2015-16 it is observed that the certain collections under Property Tax, Vacant Land Tax & Trade Licenses etc., are not being tallied with reference to the collections shown in Ledger and collection made through bank as detailed below:

As per Annual Account			As per Ledger		As per Bank Statement	
Sub Head	Description	Amount	Description	Amount	Description	
1100101	Property Tax	1792494822	Property Tax	1875316594	Property Tax	1940654564
3502024	Other Employee Deduction	2164261	Other employee deduction	13919781		
3502025	TDS from contractors	90316833	TDS from contractors	90496525		
3502052	APGST	129334215	APGST	129754286		
3502054	Service Tax	3146754	No ledger			
3502086	EPF	67053935	EPF	67018952		
1401101	Trade license	42584373	Trade license	45126190		
1405031	Bulk	1169259844	Bulk	1169259848	Bulk	1158646227
1405030	Semi bulk	133086847	Semi Bulk	133086847	Semi bulk	143700464

Due to above variations from annual account to ledger and Bank statements the actual figure shown in the above heads in the annual account could not be certified and assessed. This will also leads wrong interpretation on income derived by the GVMC.

PARA No. 2**ACCOUNTS****CODE No.18****ANNUAL ACCOUNT - FURNISHING OF ANNUAL ACCOUNT - ANNUAL ACCOUNT FURNISHED DULY SIGNED BY THE ADC FINANCE INSTEAD OF SIGNED BY THE HEAD OF THE INSTITUTION I.E., COMMISSIONER GVMC:**

According to section 175-A of GHMC Act 1980 the annual account of the concerned financial year shall be prepared and furnished to the audit department. The annual account shall reflects income generated and expenditure incurred by the GVMC during the year 2015-16. As the annual account is a key document which shows the actual financial position of the institution which should be signed by the Head of the Institution. But the annual account in respect of GVMC was accepted and signed by the ADC Finance instead of Commissioner GVMC. Hence it is construed in audit that the financial status of the GVMC is not being brought to the notice of the Commissioner. i.e., the head of the institution.

ANNUAL ACCOUNT FOR THE YEAR 2015-16 MISPOSTINGS OF CERTAIN HEADS-IRREGULAR-NEEDS RECTIFICATION:

On verification of Annual Account with reference to ledger postings of certain heads it is noticed that certain heads under receipts side for misposted which is unrelated to that head. The following of the some of the examples:

GENERAL ADMINISTRATION

As per Annual Account			As per Ledger	
Sub Head	Description	Amount	Description	Amount (Rs.)
1100103	State Government Properties	27850	23 items such as Issue of New Passbook TTP and shop deposits etc.	27850

1301003	Function/Community Hall	233571	Kalyana mandapam Electrical charges Kistit	233571
1301004	Play grounds	17250	HT New Pass book TTP Play ground	17250
1301005	Staff Quarters	961903	Quarters Rent New Pass Book Title transfer property	961903
1308000	Other Rents	756640	New Pass book Kisti Kalyanamandapams	756640
1402004	Spot fines	18700	Spot fines Swarna bhaathi badmentan Tap charges	18700
1404008	Warrant/Distrait fees	12200	TTP charges Market fee	12200
1405026	GYM	4000	Swimming pool charges	4000
1406005	Museum	508534	HT New pass book Musium fee	508534
1701001	Fixed Deposit with scheduled Banks	335606440	Bank deposits	335606440
3202034	Disaster Management	1495000		
3305002	Loa from State Finance Institution	197423750	Transfer from housing urban development	197423750

Due to misposting or misclassification amounts collected the very purpose of financial statements in which reflects the actual receipts under each head is deviated. The correctness of the receipt under each head which were shown in annual accounts is differed.

BALANCE SHEET SUNDRY DEBITORS (RECEIABLES) NOT TALLIED WITH DCB BALANCES OF TAX AND NON TAX RECEIPTS-NEEDS RECTIFICATION:

The balance sheet which is the main key document of financial statements which reflects the propriety of GVMC. According to the balance sheet the assets and liabilities will shows the financial position/status of GVMC by means of payables, loans, Advances in liabilities side and receivables, assets, and cash balances in assets side. But on verification of the assets portion an amount of Rs. 5424938143.50/- was noted under bills receivables. The above receivables are from

property tax, taxes and other non taxes which are due to be collected from the assessee, contractors and traders. As the bills receivable are assets to the GVMC the same should be tallied with reference to the all DCB balances. But as verified from DCB of taxes and non taxes it is noticed that the above bills receivable shown on the assets side in balance sheet are not tallied with the DCBs of taxes and non taxes with reference to zonal wise and DCB prepared and furnished by the CA. As the balance sheet reflects the propriety of GVMC the wrong adoption of assets will cause the wrong certification of the assets by the CA.

CODE No.18

ANNUAL ACCOUNT - ADOPTION OF MISCLASIFICATION OF DIFFERENT DESCRIPTION-NEEDS RECTIFICATION:

According the AP municipal Accounting Manual the Government have prescribed certain Head of accounts and sub head of accounts each head and subhead defined for specific purposes. Each amount received and expenditure incurred should be posted in the prescribed head only. But as verified from the annual account it is noticed that certain amounts were misclassified and misposted. There by defeating the very purpose of heads created for each item and the very purpose of accounting system. Due to misclassification of receipts received by the GVMC there is a possibility of diversion of funds intentionally or accidentally as the each sub head is have it own terms and conditions. In such cases the concerned persons may impart the training, guidance and finally rectified.

CODE No.18

NON MAINTENANCE OF CASH BOOK ON RECEIPTS SIDE - IRRIGULAR:

It is noticed that the cash books duly noting the receipts that were received by the GVMC towards property tax, water tax, Trade Licenses etc., On verification of the cash book it is noticed that the expenditure incurred by the GVMC under various heads were only noted in the cash book without noting the receipts and without reconciliation duly arriving the cash balances and bank balances. According to the rules relating to the AP Municipalities receipts and expenditure rules 1968 the executive authority shall maintain cash books for all receipts and Expenditure in the prescribed format. But the same was not done by the GVMC authorities. Through the transaction were made online, the copies of the online statements in which collections were made are also not being enclosed or pasted in the cash book or tagged in as separate book duly signed by the competent authority. There is no authenticated cash book duly signed by the competent authority except transactions recorded in online.

Further the annual account of GVMC has to be prepared with reference to the entries recorded in cash book which was duly signed by the competent authority. Due to non maintenance of cash books authentically the annual account prepared based on the online transactions is not having any sanctity.

Hence action may be taken to maintain the cash book in the prescribed format duly noting daily receipts and all sub heads and certified by the competent authority to have a authenticity and preparation of annual account.

PARA No.7**ACCOUNTS****CODE No.18****ANNUAL ACCOUNT - VERIFICATION OF ANNUAL ACCOUNT - CERTAIN DISCREPANCIES IN THE FIGURE SHOWN IN THE ANNUAL ACCOUNT AND THE FIGURE SHOWN IN BANK COLLECTION STATEMENTS:**

On verification of annual account for the year 2015-16 the following discrepancies between account figure and the bank collection statements in respect of property tax have been noticed in audit.

According to the Annual Accounts for the year 2015-16 the Property Tax realized by the G.V.M.C., during the year is Rs.1875316594/- but where as seen from the Bank statements and other collection centre the Property Tax collection is Rs.1940654564/- thus an amount of

Rs.65337970/- is short shown in Annual Account. Further it is noticed that the Property Tax in respect of Anakapalli and Bheemunipatnam Zones are taking into account which is also leads to reflecting of actual receipt in G.V.M.C. Due to above discrepancy amounts collected if any unaccounted for to the Commissioner Account would need to be worked out and recovered from the concerned persons.

UNKNOWN CREDITS - NOT TAKEN TO ANNUAL ACCOUNT - BUT CREDITED INTO COMMISSIONER'S POOL ACCOUNT - EXPENDITURE MET FROM THE UNKNOWN CREDITS - IRREGULAR:

Rs. 18,14,82,235/-

On verification of the annual accounts of GVMC for the year 2015-16 with reference to the Bank accounts it is noticed that certain unknown credits for which amounts remitted to G.V.M.C., were noticed. But the same were not taken to annual account and kept unknown accounts. Due to non-taken into account it will cause lesser amount shown under receipt side than actual receipt. This will have impact on financial status of the G.V.M.C. Some of the cases were noted below.

The above unknown credits should be treated as Deposits and kept under deposit head as and when it comes to light for adjustment to concerned Head of Receipt or for reimbursement due to wrong remittance by the consumer to the GVMC. But it is noticed in audit that the above unknown credits were directly transferred to commissioner's main account and later utilized. This is irregular and violation of rules under finance code.

CHEQUES RECEIVED UNDER VARIOUS TAXES AND NON TAXES - CHEQUES RECEIVED FOR EXCESS DEMAND BUT CREDITED TO THE GVMC ACCOUNT FOR ACTUAL DEMAND - SURPLUS AMOUNT AVAILABLE - NOT TAKEN TO ACCOUNT:

On verification of the annual account for the year 2015-16 with reference to bank statements and monthly reconciliation statements it is noticed that the cheques from public are being received under various taxes and non taxes for excess amount than the actual demand of concerned tax assessment. But it is noticed while clearing the cheque by the bank authorities the actual demand was only taken into account and deducted from such demand leaving the remaining amount. The following are the such cases.

TOWN PLANNING-DCB OF ENCROACHMENT CHARGES FOR USING POLES FROM TELECOM OPERATORS, CABLE OPERATORS, ELECTRONIC POLES-PENDING COLLECTION -LOSS OF REVENUE-NEEDS ACTION:

Rs.1,65,60,000.00

Encroachment charges will be levied and managed in Town Planning section of GVMC against the agencies i.e telecom operators, cable operators, electronic poles by which the poles erected by own or usage of GVMC poles for running their cable. The GVMC will collect encroachment charges @400/- per every 20 RMT of cable, 400/- per each pole owned by the GVMC and Rs.250/- per agencies own pole.

As verified from the connected file for the year 2015-16, it is noticed that an amount of Rs.10,64,200.00 only was collected out of total demand raised for Rs.1,76,24,200.00 and an amount of Rs.1,65,60,000.00 was kept unrealized from the following agencies:

TOWN PLANNING- DCB OF RENEWAL FEE OF CELL TOWERS-PENDING COLLECTION -LOSS OF REVENUE-NEEDS ACTION: Rs.98,85,000.00

As per GO. Ms No.183 Municipal Administration & Urban Development(M) Department, Dt.27.02.2008 All the Commissioners of Municipal Corporations, Municipalities, and Vice Chairmen of Urban Development Authorities in the State shall accord permission to all the existing and proposed cell tower installations, both land based and rooftop installations, towers, base trans-receiving stations, mobile network equipment, etc. as per rules, subject to fulfilling the conditions specified in the GOs and the GVMC passed resolution on the following items vide CR No.249/2009, dt.25.6.2009:

a) Obtaining no objection certificate in case of installation of towers in residential areas.

b) Collection of renewal fee for each tower @Rs.10000/- per annum.

As per the available data with connected file, it is noticed that demand arrived for renewal fee of cell towers for amounting to Rs.1,63,65,000.00, collected Rs.64,80,000.00 during the year and an amount of Rs.98,85,000.00 was pending collection during the year from agencies as given below:

S.No.	Name of the Agency	No. Of towers	Demand(Rs.)	Collection(Rs.)	Balance(Rs.)

TOTAL		836	1,63,65,000.00	64,80,000.00	98,85,000.00

Aggrieved by the orders agencies approached Hon'ble High Court, and the Court in its interim orders (WPMP No.29998/2009 in WP No.23094/2009) directed the petitioners to pay a some of Rs.25,000/- per each tower towards license fee and Rs.5,000/- per year towards renewal fee as and when it becomes due. Later Govt. of AP issued detailed guidelines and fixed rate for installation of new Telecommunication Infrastructure Tower in respect of all Corporations as Rs.1,00,000/- vide GO Ms No.380 MA&UD dated 01/08/2013.

The Hon'ble High Court directed the GVMC vide its judgment dt.20.12.2016 that the GVMC cannot insist for renewal fee for the towers erected prior to issue of GO.Ms.No.380. However, the GVMC filed counter for revision of the judgment stating that the GVMC foregoes huge income and it has its own right to levy of renewal fee according to council resolution.

All the above instances indicating that renewal fee on cell towers has also become a major source of income to GVMC. Communication network in India has a wider scope to expand. In these circumstances, it is advised to maintain separate DCB in respect of Cell Towers also along with an Inventory of Towers available on ground as well as on roof tops.

In view of the above condition, action would need to be taken to approach the Hon'ble High Court for review of the previous judgment and to collect the dues early and Information relating to un-authorised cell towers in GVMC area along with the action initiated to regularise them and penalties imposed and collected along with relevant files remittance particulars may be produced to audit for verification.

TOWN PLANNING-ONLINE APPROVAL OF BUILDING APPLICATIONS-AMOUNT NOT ADJUSTED TO GVMC-NEEDS REIMBURSEMENT: Rs.1,27,66,662.00

During the course of audit of Town Planning records for the year 2015-16, it is noticed that the GVMC introduced the online system for approval of building applications from 1/2016 to the convenience of the citizens.

As explained by the Town Planning authorities, it came to that the entire process of uploading application, relevant documents and proceedings of approval will be done in the technical support of the Soft Tech Engineers Pvt Ltd. The said company which has its governing office at Pentagon-5A, 5th Floor, next to Satara Road Telephone Exchange, Shahu College Road, Pune-411009 established one wing in the GVMC premises to give technical support. Online approval of building application will be accorded basing on the remarks of the LTPs (Licenced Technical Personnel) and town planning staff.

However, as per the information obtained from Business Analyst of Soft Tech Engineers Pvt Ltd through the ACP Town Planning, it is noticed that 235 applications received and 117 were approved during the period of 3 months i.e from 1/2016 to 3/2016 as detailed below:

S.No.	Zone	Received	Approved
1	Ankapalli	10	2
2	Bheemli	4	2
3	Zone 1	56	34
4	Zone 2	42	25
5	Zone 3	23	15
6	Zone 4	31	22
7	Zone 5	44	9
8	Zone 6	25	8
Total		235	117

Further, as explained by the Town Planning Authorities and Soft Tech Engineers it came to know that demand of fee will be generated basing on the data uploaded and amount will be collected at online and same will be credited to Commissioner & Director of Municipal Administrations account subject to adjustment to the ULBs account later.

However, as per data received from Soft Tech Pvt Ltd, it is noticed that an amount of **Rs.1,27,66,662.00** towards various receipt heads was collected from the applicants and credited to CDMA account as shown below:

S. No.	Head of receipt	Amount Collected(Rs.)
1	Betterment Charges	3492650.00
2	Application Fee	3330000.00
3	Development Charges (Built Up Area)	1338480.00
4	Building License Fee	1316090.00
5	Drainage Charges	906950.00
6	Development Charges (Vacant Land)	616920.00
7	Debris Charges	553880.00
8	External Betterment Charges	506940.00
9	Water Resource Charges	444875.00
10	Tree Guard Charges	110250.00
11	14% Open Space Charges	86399.00
12	Paper Publication Charges	32800.00

13	Assessment Tax (House Tax)	22093.00
14	Vacant Land Tax	8335.00
Total		1,27,66,662.00

But the above amount collected for the period from 1/2015 to 3/2015 was not adjusted/re-imbursed to GVMC Account even the date of audit. Non-adjustment of funds constitutes loss to the GVMC and hampers the developmental activities in GVMC limits. The efforts made by the town planning authorities in this regard also not forthcoming to audit.

Hence, action would need to be taken to address the CDMA for early re-imburement/adjustment of above funds and compliance may be reported to audit.

TOWN PLANNING-ONLINE BA FILES-SHORT COLLECTION OF BUILDING LICENSE/PERMIT FEE -LOSS- NEEDS RECOVERY: Rs.10,05,067.80

During the course of audit of Town Planning records for the year 2015-16, it is noticed that the GVMC introduced the online system for approval of building applications from 1/2016 to the convenience of the citizens. As explained by the Town Planning authorities, it came to that the entire process of uploading application, relevant documents and proceedings of approval will be done in the technical support of the Soft Tech Engineers Pvt Ltd. The said company which has its governing office at Pentagon-5A, 5th Floor, next to Satara Road Telephone Exchange, Shahu College Road, Pune-411009 established one wing in the GVMC premises to give technical support. Online approval of building application will be accorded basing on the remarks of the LTPs (Licenced Technical Personnel) and town planning staff.

However, as per the information obtained from Business Analyst of Soft Tech Engineers Pvt Ltd, GVMC Wing through the ACP Town Planning, it is noticed that 235 applications received, 117 were approved (But data produced for 268 applicants) and an amount of **Rs.1,27,66,662.00** towards various receipt heads was collected from the applicants and credited to CDMA account during the period of 3 months i.e from 1/2015 to 3/2015.

As analysed from the data regarding online approval of Building Applications, it is noticed that an amount of **Rs.10,05,067.80** was short collected towards Building License Fee from **62** applications under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per the fee structure provided in online portal (Online Gazette rates) the Building License Fee shall be calculated and collected as follows:

Plot area/Site	Based on	Residential rates (per sq.m)	Non residential rates (Rs. Per sq.m)	Industrial
Upto 100 sq m	Built Up Area	15	70	70
above 100 sq m upto G + 2	Built Up Area	45	90	90
G + 3 and above & Dwelling units >4	Built Up Area	55	120	120

On cross verification of the online Building Applications data with online fee structure it is observed that there are no specific remarks regarding

- usage type i.e residential, non residential or industrial which is an important parameter for adopting relevant rates,
- no.of floors/plots proposed for construction for choosing rates

However, basing on the publication charges collected was considered as a parameter and applied rates for calculation of shortage in collection of Building License Fee. Application wise short collection particulars were detailed vide [annexure-1](#) of this report .

As analysed from the above data it is observed that due to adoption of irrelevant rates, loss sustained to GVMC for amounting to Rs.10,05,067.80 which leads to hamper the

developmental activities of the targeted group in the jurisdiction of the GVMC. The role of LTPs (Licenced Technical Persons) and technical support wing i.e the Soft Tech Engineers Pvt Ltd is suspicious in the matter.

Hence, action would need to be taken to collect the shortage amount with penal interest and made good from the person or persons responsible and fact reported to audit for verification.

TOWN PLANNING-ONLINE BA FILES-SHORT COLLECTION OF VUDA CHARGES-LOSS-NEEDS RECOVERY:

Rs.1,76,681.40

During the course of audit of Town Planning records for the year 2015-16, it is noticed that the GVMC introduced the online system for approval of building applications from 1/2016 to the convenience of the citizens. As explained by the Town Planning authorities, it came to that the entire process of uploading application, relevant documents and proceedings of approval will be done in the technical support of the Soft Tech Engineers Pvt Ltd. The said company which has its governing office at Pentagon-5A, 5th Floor, next to Satara Road Telephone Exchange, Shahu College Road, Pune-411009 established one wing in the GVMC premises to give technical support. Online approval of building application will be accorded basing on the remarks of the LTPs (Licenced Technical Personnel) and town planning staff.

However, as per the information obtained from Business Analyst of Soft Tech Engineers Pvt Ltd, GVMC Wing through the ACP Town Planning, it is noticed that 235 applications received, 117 were approved (But data produced for 268 applicants) and an amount of **Rs.1,27,66,662.00** towards various receipt heads was collected from the applicants and credited to CDMA account during the period of 3 months i.e from 1/2015 to 3/2015.

As analysed from the data regarding online approval of Building Applications, it is noticed that an amount of **Rs.1,76,681.40** was short collected towards VUDA Development charges from **21** applications under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per the fee structure provided in online portal (Online Gazette rates) the VUDA Development charges shall be calculated and collected as follows:

Components	Based on	Residential rates (per sq.m)	Non residential rates (Rs. Per sq.m)	Industrial
On Built Up Area	Built Up Area	50	60	60
On Vacant Space Area	Net Site area	40	50	50

On cross verification of the online Building Applications data with online fee structure it is observed that there are no specific remarks regarding

- usage type i.e residential, non residential or industrial which is an important parameter for adopting relevant rates,
- no.of floors/plots proposed for construction for choosing rates

However, basing on the publication charges collected was considered as a parameter and applied rates for calculation of shortage in collection of Building License Fee.

Application wise short collection particulars were detailed in the following annexure:

Annexure-I: Shortage on Built up area :Rs.145349.00
 Annexure-II: Shortage on Built up area :Rs.31332.40
 Total shortage in VUDA Charges :Rs.176681.40

Application wise short collection particulars were detailed vide [annexure-2 \(A\) & \(B\)](#) of this report. As analysed from the above data it is observed that due to adoption of irrelevant rates, loss sustained to GVMC for amounting to Rs.1,76,671.00 which leads to hamper the developmental

activities of the targeted group in the jurisdiction of the GVMC. The role of LTPs (Licenced Technical Persons) and technical support wing i.e the Soft Tech Engineers Pvt Ltd is suspicious in the matter.

Hence, action would need to be taken to collect the shortage amount with penal interest and made good from the person or persons responsible and fact reported to audit for verification.

However, either copies of registered documents together with market values issued by the SRO or connected online data not made available to ascertain the correctness of the above amount.

b) It is also ascertained that no amount towards either VLT or House tax collected from 220 files listed in [annexure-10](#) of this report. Certification by competent authority regarding exemption of taxes if any in the above files also not forthcoming to audit.

In view of the above cases (a) & (b), the correctness of the amount collected could not be ascertained and certified in audit. Non collection/short collection of taxes from the applicants sustains loss to the GVMC and leads to hamper the developmental activities. As such, the Executive Authority must fix the responsibility on the person or persons responsible for the above loss and take steps for recovery of above amount along with penal interest immediately and credit the same to GVMC funds apart from taking suitable action against the officials concerned.

TOWN PLANNING-ONLINE APPROVAL OF BUILDING APPLICATIONS-CERTAIN LAPSES NOTICED-NEEDS RECTIFICATION:

During the course of audit of Town Planning records for the year 2015-16, it is noticed that the GVMC introduced the online system for approval of building applications from 1/2016 to the convenience of the citizens.

As explained by the Town Planning authorities, it came to that the entire process of uploading application, relevant documents and proceedings of approval will be done in the technical support of the Soft Tech Engineers Pvt Ltd. The said company which has its governing office at Pentagon-5A, 5th Floor, next to Satara Road Telephone Exchange, Shahu College Road, Pune-411009 established one wing in the GVMC premises to give technical support. Online approval of building application will be accorded basing on the remarks of the LTPs (Licenced Technical Personnel) and town planning staff.

However, as per the information obtained from Business Analyst of Soft Tech Engineers Pvt Ltd, GVMC wing through the ACP Town Planning, it is noticed that 235 applications received, 117 were approved and an amount of **Rs.1,27,66,662.00** towards various receipt heads was collected from the applicants and credited to CDMA account during the period of 3 months i.e from 1/2015 to 3/2015.

However, the following irregularities/lapses were noticed in online files:

- The Building Application files containing application, registered documents, approved plans of the Licenced Surveyors, remarks of the officials, proceedings etc., were not made available to audit. When requested the authorities only applications with proceedings downloaded from online portal were produced to audit. Regd documents, plans & designs not produced to audit.
- Online portal also not user friendly to check the data wrt to the gazette rates. If we try we can see the complete data from the initial date to date of verification. Data for a particular period can't get.
- Regd documents unable to get downloaded other than the Commissioner as the same were stored in Commissioners inbox.
- The remarks of the officials before according permission, LTPs verification report also not made available to audit.
- Measurements related to site area, built up area, open space and head wise amount collected also not available with application for which not approved.
- Post verification reports not made available to audit.
- No access to auditing agencies to verify the correctness of the data wrt to rules in force, to identify the programming gaps in software, safeguards provided to curtail the leakage of revenue.

- The collected amount for 3 months period for Rs.1,27,66,662.00 was not get re-imbursed from the CDMA account to GVMC account so far.
- Moreover, the officials of town planning are unable to furnish any information with proper attestations etc.,
- Due to supervisory lapses huge amount foregoes in the form of short collection of various charges like Building Licence Fee, VUDA development charges, betterment charges, water resource charges, drainage charges etc., (separate paras raised for each head).

In view of the above lapses, the audit could not be ascertained and certified the correctness of amount collected, procedural lapses, leakage of revenue if any. The role of town planning staff also not well defined in this online system and role of LTPs looking more crucial and dominating than the town planning officials.

Hence, action would need to be taken to review the online system and effective steps to avoid technical difficulties in the process as following:

- To preserve one hard copy of file with enclosers in the respective zonal office for further verification in audit or other officials.
- To address the CDMA either to re-imburse the funds to GVMC periodically from CDMA Account or to adjust directly to GVMC funds as like online collection of taxes and non-taxes i.e House tax, VLT, leased income etc.,
- To make the Soft Tech Engineers Pvt Ltd, GVMC wing work under the close supervision of Town Planning officials not below the rank of ACP.
- To make the Soft Tech Engineers Pvt Ltd, GVMC wing to submit the daily data with files to the Town Planning officials etc.,

However, loss caused if any in the online system would need to be made good from the person or persons responsible and fact may be reported to audit.

**NON RECOVERY OF INCOME TAX FROM ADVERTISEMENT AGENCIES
RESULTED IN LOSS OF REVENUE TO GOI-NEEDS ACTION:**

As per section 194 C of Income Tax Act 1961, TDS is to be deducted on the contract value of the advertisements from the sum to be paid to the contractor or sub contractor where the total sum credited or paid during the financial year exceeds Rs 75,000 or any single sum credited or paid exceeds Rs 30,000. As per this section, 1 per cent of income tax on contract value has to be collected and remitted to the income tax department. However, GVMC has not collected the IT from the advertising agencies causing loss of revenue to Government of India.

Due to non-recovery of IT on advertisements, GVMC may be burdened with the liability for the said amount in case IT Department raises a demand notice in future as per the Act, as the same were not recovered from the bills. The non-recovery and non-remittance of IT may also attract penalty on GVMC. Hence, action would need to be taken to recover the Income Tax hereafter and remitted to head of account connected under intimation to audit.

NON-LEVY OF ADVERTISEMENT TAX ON ADVERTISEMENTS EXHIBITED FOR PUBLIC VIEW THROUGH CABLE TV IN CONTRAVENTION OF GOVERNMENT ORDERS:

As per the Government order GO Ms.No.266, MA&UD (TC I) department, dated 5-5-2000, where in Government have amended Andhra Pradesh Municipalities (Advertisement Tax) Rules, 1967 by adding item 7B in the schedule after item 7A regarding Advertisement Tax on electronic media including cable TV, advertisement tax shall be collected from the cable TV operators at 10% on the rates charged by the advertisers in respect of advertisements exhibited for public view through cable TV.

It was observed during the scrutiny of the records that advertisement tax on advertisements exhibited for public view through cable TV collectable at 10% of advertisement charges collected by the cable TV operators is not being levied and realized though the GO was issued in the year 2000. Non-initiating of necessary action as per the GO till to date is not in order.

Reasons for non-compliance of the provisions of the GO Ms.No.266, MA&UD, dated 5-5-2000 and details of steps proposed for collection of advertisement tax from cable TV operators were not made available in the records produced to audit.

Compliance in this regard may be furnished to audit.

UN AUTHORISED ADVERTISEMENTS - BOARDS IN G.V.M.C. - G.V.M.C. HAS NOT INITIATED ADEQUATE ACTION FOR REMOVAL OF UNAUTHORIZED HOARDINGS/ADVERTISEMENT BOARDS--LEADS TO LEAKAGE OF REVENUE-NEEDS ACTION:

As per the guidelines issued in C.R.No.381/2003, dt.23.12.2003 and 4.3.2004 of GVMC, advertisements are grouped into boardings mobile and bus shelters advertisement and further grouped into 5 categories i.e. best, better, average, below average & poor and this classification come into force w.e.f.1.4.2004. As per procedure those whose advertisements are erected/exhibited within the limits of GVMC have to be obtained permission for erection of new hoardings/unipoles (except for renewals) from the Competent Authority of GVMC.

As per the provisions Section 420, 421 & 622(2) of Hyderabad Municipal corporation Act 195 read with Visakhapatnam Municipal Corporation Act 1979 (Act 19 of 1979) the commissioner, G.V.M.C. is vested with the powers to accord, regulated and collect fee as approved by corporation for permissions granted or renewed to Erects/Exhibit/Fix/Retain the sky-sign or Advertisement on any post, pole, stand frame or any land building, wall boarding etc.,

During the audit 2015-16 Scrutiny of records and further verification of data it is noticed that G.V.M.C. had no specific policy with regard to selection of sites to erect advertisement boardings/ Sky-signs, norms for periodicity of field survey for identifying unauthorized boardings etc.,

Further, G.V.M.C. has not initiated adequate action for removal of unauthorized boardings/ Advertisements boards which leads to for leakage of revenue to the corporation. In view of the above defects correctness of the DCB of Advertisement Tax cannot be certified in audit.

Hence, action would need to be taken to take necessary steps for stopping of leakage of revenue in this regard duly regulating the policy of advertisement tax hereafter and loss caused if any would need to be made good from the person or persons responsible.

TOWN PLANNING - ADVERTISEMENT SECTION-DEFECTS IN FIXING OF DEMAND-IRREGULAR-NEEDS ACTION:

During the course of verification of Advertisement tax for the year 2015-16, it is noticed that 38 advertisement agencies are covering approximately 130 areas in the city. Out of which only 10 were registered agencies and remaining 28 agencies are not registered agencies.

As per the provisions Section 420, 421 & 622(2) of Hyderabad Municipal corporation Act 195 read with Visakhapatnam Municipal Corporation Act 1979 (Act 19 of 1979) the commissioner, G.V.M.C. is vested with the powers to accord, regulated and collect fee as approved by corporation for permissions granted or renewed to Erects/Exhibit/Fix/Retain the sky-sign or Advertisement on any post, pole, stand frame or any land building, wall boarding etc.,

Before according permission by the Commissioner, the sectional staff concerned has to be appraised the rates fixed per unit with reference to the existing rules in written and same has to be communicated to various agencies along with permission documents.

But for the following agencies the measurements were not taken, rates specified were not fixed and demand not fixed during the year which is irregular:

- 1) Advert out solutions (Bus shelters)
- 2) Ad space advt (P) Ltd (Bus shelters)
- 3) Uni Ads
- 4) Alpha publicites (Bus shelters)
- 5) Ambedkar out door solutions
- 6) Chandana brothers shopping mall
- 7) I catch hoardings
- 8) Prakash arts Pvt ltd.
- 9) Probat Advertisers
- 10) Sai ad net works.

In view of the above defects, the correctness of the demand fixed could not be ascertained in audit. Hence, action would need to be taken for correct fixation of demand and loss caused in this regard if any would need to be made good from the person or persons responsible.

From the above information, it is ascertained that

- out of 355 identified buildings only 61 buildings were approached the GVMC for arrangement of fire protection/safety measures.
- The amount realized from fire permissions for Rs.31,87,785.00 as per annual account whereas only Rs.3,35,840/- ascertained from the above 61 applications which shows variation for amounting to Rs.28,51,945.00 which was not explained to audit.
- Out of listed 61 applications produced 33 were pending disposal without recording proper remarks.

However, provisional NOCs were issued to the buildings subject to the following conditions:

- All fire protection arrangements shall be maintained in good condition as seen during the inspection. If any lapses found the NOC will be cancelled immediately.
- All the escape/exit route shall not be kept locked/blocked or encroached.

- All the occupants must know the correct method of operation of fire fighting system installed.
- Any loss of life or property due to non-functioning of fire safety measures and other installation shall be the responsibility of the management.
- All staff members of the institution shall be trained to operate the fire safety equipments during emergency.
- Addition/alteration if any in the building may be obtained with prior permission from this department.
- Mock drill should be conducted once in 3 months for initial 2 years. Thereafter, once in every 6 months.
- It is certified that the fire inspection and NOC from Fire Prevention Wing, GVMC cannot be claimed as right for building regulation.
- The management shall obtain the building permission from the GVMC and his NOC cannot be construed as building permission or regulation of proposed building.
- This NOC for occupancy clearance is valid for 1 year from the date of issue and the management has to hold responsible to apply for clearance of NOC duly remitting the user charges as per G.O.Ms.No.71, Home(Prision-A) Dept., dt. Of 2 months before expiry of this NOC.

However, production of limited records the correctness of the amount collected could not be ascertained and certified in audit. Hence, action would need to be taken to reconcile the data of annual account wrt to records available and produce the remaining records to audit for verification.

LOSS OF REVENUE DUE TO NON LEVY OF TAX ON SHOP SHUTTERS-NEEDS ACTION:

Advertisement Tax will be levied and managed in Town Planning section of GVMC. The role & responsibility of the Town Planning Section would be not only to confine to permissions but also to enforce and implement the orders issued by the Commissioner. GVMC has revised the Advertisement rates with effect from 01/04/2004 vide R.C.No.5986/94/G7 dated 05/07/2004 (CR No.381/2003 dated 23/12/2003 and 04/03/2004). It is also informed that there would be 10% increase in the schedule of rates every year. According to S.No.18 of the Schedule of rates an amount of Rs.500/- per shop shutter per year should be collected as Advertisement Tax in GVMC area.

Every trader in GVMC area has to obtain Trade License from CMOH. There were nearly 37390 registered traders in GVMC. Every trade house will be occupied with at least one shutter. Advertisement on the (shop) shutters is a common phenomenon in every city/Municipality/village. But GVMC failed to collect tax from the shop keepers on whose shutters the advertisements were made. The rate proposed during revision of tax rates in 2004-05 was Rs.500/-. But by 2015-16 the rate of tax with 10% incremental value was Rs.1430/- and GVMC failed to fix the demand accordingly to raise the source of income.

When the reasons for non imposition to Tax were called for, the department replied that under Section 421(a)(b) of HMC Act-1955 the permissions are not required for the shutters in which the advertisement is said to be made. The extract of the Act provisions were submitted to Audit. Reply of the Department is not tenable to Audit, as the Section 421(2) dealt with the advertisement which is exhibited within 3 months of the enactment of the Section. The enactment was made during 1955. But the cases quoted by Audit are recent cases. The Standing Committee in its resolution 381/2003 made it clear that advertisement on shop shutters should be charged. But the Corporation failed to implement the directions of the Standing Council.

TOWN PLANNING-COLLECTION AND REMITTANCE OF VUDA DEVELOPMENT CHARGES-NOT REMITTED FULLY AND OTHER DEFECTS-NEEDS ACTION: Rs.10,04,29,911.00

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the annual account it is noticed that an amount of Rs.11,23,96,385.00 was shown realized towards Development charges to VUDA and an amount of Rs.1,19,66,474.00 was remitted to VUDA during the year.

As ascertained from the above receipt and charges regarding VUDA Development charges the following defects were noticed:

- It is noticed that an amount of Rs.10,04,29,911.00 is yet to be remitted to the VUDA as detailed below:

Development charges realized	:Rs.11,23,96,385.00
Development charges shown remitted to VUDA	:Rs. 1,19,66,474.00
Amount to be remitted for the year 2015-16	:Rs.10,04,29,911.00
- Remittance particulars for Rs.11966474.00 was not produced to audit for verification of correctness of the payment.
- The file together with relevant registers related to collection and remittance of VUDA charges was not produced and hence the correctness of amount to be remitted upto the audit year not ascertained and certified in audit.

In the absence of the above records, the correctness of the account figures could not be ascertained and certified in audit. Hence, action would need to be taken to produce the records to audit for verification.

TOWN PLANNING-ISSUE OF NO OBJECTION CERTIFICATES FOR COMPLIANCE OF FIRE SAFETY MEASURES-WATCH REGISTER NOT MAINTAINED AND OTHER IRREGULARITIES-NEEDS ACTION:

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the fire permissions/NOCs issued by the Fire Officer w.r.t to the annual account it is noticed that an amount of Rs.31,87,785.00 was shown realized towards building permit fee-fire during the year.

Under section-13(2) of AP Fire Services Act,1999 and Rule-15(2) of AP Fire & Emergency Operations and Levy of Fire Rules-2006 and NBC of India 2005, it is the obligatory function of the GVMC to establish fire safety measures through the Station Fire Officer, Fire Prevention Wing of GVMC.

Further detailed instructions were given in this regard vide Procs Rc.No.5041/B2/97, Dt.12.3.2010 of the Director General, State Disaster Response & Fire Service Department read with Cir.Memo Roc.No.1428/E2/2006, dt.10.2.2014 of the Director General, State Disaster Response & Fire Service Department. Accordingly the GVMC identified and notified list of 135 Educational institutions, 122 Hospitals and 98 Function halls & Kalyana Mandapams in which fire safety measures have to be established vide procs Roc.No.8626/09/C-12, dt.17.9.2009/22.2.2010 of the Commissioner.

After conduct of inspection by the Station Fire Officer, Fire Prevention Wing of GVMC, demand notice will be issued to the party and after receipt of remittance particulars Provisional NOC will be issued.

As per the records produced only 61 files received during the year for issue of No Objection Certificates for compliance of Fire safety measures. The provisional NOCs issued by the Fire Protection wing subject to renewal within one year. But watch register for notified list of 135 Educational institutions, 122 Hospitals and 98 Function halls & Kalyana Mandapams in which fire safety measures have to be established (notified vide procs Roc.No.8626/09/C-12, dt.17.9.2009/22.2.2010) was not maintained.

The following irregularities also noticed:

- The exact demand of buildings for which fire safety measures to be implemented not arrived.
- Lack of co-ordination between town planning wing and fire safety wings noticed.
- Proper correspondence was not done with the district level heads i.e DM&HO, DEO etc., to give pressure for proper initiation for early compliance of fire safety measures.

Hence, action would need to be taken to implement the following suggestions to get more effective results:

- a) to conduct third party/agency survey to arrive correct demand for which fire safety measures.
- b) to make a provision towards fire safety fee (10/- per each sq.mt of built up area which is being collecting at the time of issue of NOC) in town planning gazette for effective action.
- c) to establish proper mechanism for exchange of information among town planning wing, revenue wings and fire safety wing.
- d) to maintain watch register for fresh demand and renewal demand of NOCs etc.,

AUDIT REPORT 2015-16

CITY ENGINEERING & PROJECTS SECTION

Para No.46**Code No.9****PROJECTS - B.R.T.S CORRIDOR - MOBILIZATION ADVANCE SANCTIONED - IN ONE INSTALLMENT -INORDINATE DELAY IN EXECUTION - IRREGULAR - LOSS:**

Work Name :Investigation and survey, design and execution of BRTS corridor from pendurti to DRM office via NAD Jn. Kancharapalem railway station with 2 years defect liability period

Admn. Sanction: G.O.RT.No.1390/MA &UD UBS Department dated 22/11/07

Estimation : 15937.94 lakhs

Contractor: M/S Sudhakar Engineering and GKC Project limited

Mobilization advance taken: Rs.165536551/-

Voucher : E.A.No.14603/11-08 dated 7/11/08

In the above voucher an amount of Rs.165536551/- was drawn and paid to the contractor as mobilization advance on 7/11/2008. The mobilization advance should be sanctioned is not less than two installments and it should be recovered before the work is completed by 80% of the work. According to the government rules vide Govt.Memo. No.22500/Reforms/2008-1 dated 20-8-2008; the recovery should be made at the rate 20% of each interim bill. But it was not followed and the advance was recovered at the convenience of the contractors. Thereby the contractor could avail the undue benefit by way of less rate of recovery. Apart from that the work was also not completed within the time specified in agreement. The completion time prescribed in agreement was only two years i.e.1/10/2008 to 17/10/2010. But the work could not be completed even after lapse of 6 years i.e. by 31/3/2016. Hence the purpose of the sanction of mobilization advance could not be served. Despite the inordinate delay in execution the completion period was extended time to time indiscriminately. Hence it is irregular. The work progress is very slow as shown below.

Para No.47**Code No.9****PROJECTS - BRTS CORRIDOR - MOBILIZATION ADVANCE SANCTIONED IN ONE INSTALLMENT - INORDINATE DELAY IN EXECUTION - IRREGULAR - LOSS:**

Work Name :Investigation and survey, design and execution of BRTS corridor from RTC Complex at Aseelametta to Vepagunda Junction via Ramataalkies with 2 years defect liability period.

Admn. Sanction: G.O.RT.No.1390/MA &UD UBS Department dated 22/11/07

Estimation : 1613610000/-

Contractor: GVR infra Projects

Mobilization advance taken: Rs.161361000/-

In the above voucher an amount of Rs.161361000/- was drawn and paid to the contractor as mobilization advance on 7/11/2008. The mobilization advance should be sanctioned is not less than two installments and it should be recovered before the work is completed by 80% of the work. According to the government rules vide Govt.Memo. No.22500/Reforms/2008-1 dated 20-8-2008; the recovery should be made at the rate 20% of each interim bill. But it was not followed and the advance was recovered at the convenience of the contractors. Thereby the contractor could avail the undue benefit by way of less rate of recovery. Apart from that the work was also not completed within the time specified in agreement. The completion time prescribed in agreement was only two years i.e.1/10/2008 to 17/10/2010. But the work could not be completed even after lapse of 6 years i.e. by 31/3/2016. The total length of the road proposed was 13.50 km. but completed only 10.27 km. despite the length was shortened but the expenditure was incurred upto the estimate value by including the other items. Hence the purpose of the sanction of mobilization advance

could not be served. Despite the inordinate delay in execution the completion period was extended time to time indiscriminately. Hence it is irregular. The work progress is very slow as shown below.

BRTS PROJECTS - ALLOWANCE OF CONTRACTOR PROFIT IN ESTIMATION- DESPITE SANCTION OF MOBILIZATION ADVANCE - IRREGULAR - NEEDS RECOVERY Rs.446036560/- (CodeNo.13)

For the projects of BRTS from RTC complex simhachalam and Pendurthi to Kancharapalem and Railway Station, the mobilization advance were sanctioned despite an allowance for contractor's profit @14% was allowed in estimations.

According to the Rule No.3 sub rule(d) of G.o.Ms.No.49 I&CAD (TW.Reforms) Dept. dated 2-3-2009, contractors profit and over heads are to be dispensed with where the mobilization advance is sanctioned. Hence the allowance of contractors profit on the items of BRTS works is irregular and liable to be recovered.

AUDIT REPORT 2015-16

WATER SUPPLY SECTON

WATER SUPPLY - PROVIDING / LAYING OF PIPE LINES / EXTENSION OF PIPE LINES - EXCESS TRANSPORTATION CHARGES ADOPTED TO THE BASIC RATE - CAUSING EXCESS ADOPTION OF RATES Rs. 4050.4/-

On verification of the file relating to "Extension of 110mm dia HDPE distribution lines at various places in AE 1 MGD section under Summer Action Plan 2014" it is noticed that the transportation charges to the basic cost of DI D/F Gate Valves were adopted at 10% instead of 5%. According to the SOR 2012-13 the transportation charges on DI D/F Gate Valves has to be adopted at 5% on basic cost. But contrary to the above 10% of transportation charges were adopted in the WATER SUPPLY DATA of the GVMC for the year 2012-13 as detailed below.

Due to wrong adoption of transportation charges to the basic cost of material it causes excess payment made to the contractor as detailed below.

Item executed:

As observed from the above pendency of bulk water charges it is noticed that the bulk water supply charges which were paid by the consumer has to be adjusted to previous years/months on priority basis. But in this cases the bulk charges so collected were adjusted to the current year only instead of adjustment to the arrear months/years. Thus huge arrears since longer years are pending collections which caused lose of revenue and deterioration of GVMC funds for that particular years and which is also caused in hampering of taking of development activities. Hence early action would need to be taken to collect the arrears first to avoid the time barred by limitation of time.

WATER SUPPLY - SUPPLY OF 5000 LTS. OF WATER TANKER - AMOUNT PAID BEYOND THE AGREEMENT PERIOD FOR SUPPLY OF WATER - IRREGULAR - NEEDS RECOVERY - Rs. 204104/-

The work "Supply of 5000 Ltrs. Capacity Water Tanker Vans (2 Nos.) on hire basis to Madeenabaghy, Chamanbagh, Butchiahpetta, Islampeta, K.N.Palem, KdmSahebpeta, Medavanipaleem, K.N.Palem & Peddapalem, Chinnapalem, Ashrif Nagar of Ward No.55 was technically sanctioned for Rs.464000/- for supply of water from 1-4-2014 to 30-6-2014.

The work was entrusted to Sri K.Ram Mohan, contractor with a total contract value of Rs.454609/- on 0.04% less tender percentage. Tender was accepted Lrc.No;NIL/2013-14/EE.III(WSM) dt.25-4-2014 and the agreement was entered by the contractor on 10-7-2014 with a delay of 3 months i.e. after completion of summer season.

The agreement was concluded for supply of water for the following periods.

Towards supply of water from 1-4-2014 to 30-6-2014

a)546 Trips	24 Kms. Distance	539.58/- per trip	=	294610.68
b)273 TRIPS	28 Kms. Distance	586.74/- per trip	=	<u>160180.02</u>
Total				<u>454791.00</u>

But on verification of the M.Books and agreements it is noticed that the amounts were paid to the contractor for the supply of water beyond the agreement period, the period which belongs to rainy season as detailed below.

M.Book No.150/12-13 Page No.75 to 95

a)24 KMs. Distance:	26-4-14 to 15-6-14	=	101 trips		
	16-6-14 to 1-9-14	=	<u>149 trips</u>		
	Total	=	<u>250 trips</u>	x	539.58/- = 134895-00
b)28KMs. Distance:	26-4-14 to 15-6-14	=	71 trips		
	16-6-14 to 1-9-14	=	<u>325 trips</u>		
	Total	=	396 trips	x	586.74 = <u>232349.00</u>
GRAND TOTAL PAID					= 369244.00

But trips to be limited and amount to be paid as per agreement and estimate periods:

a)24 KMs. Distance:	26-4-14 to 15-6-14	=	101 trips		
	16-6-14 to 30-6-14 (2 trips Average per day)	=	<u>30 trips</u>		
	Total trips	=	<u>131 trips</u>	x	539.58 = 70685.00

b)28KMs. Distance: 26-4-14 to 15-6-14 = 71 trips
16-6-14 to 30-6-14 (Avg. 4 trips a day) = 90 trips
Total trips = 161 trips x 586.74 = 94465.00

GRAND TOTAL TO BE PAID = 165150.00

a) Already paid = 369244.00
b)To be paid = 165150.00
In admissible payment = 204104.00

The inadmissible amount of Rs.204104.00 was thus paid beyond the agreement period towards supply of water by entering supplementary agreement on 11-12-2014 i.e. after lapse of 3 months which is highly irregular and needs investigation in the matter. The amount of Rs.204104/- would need to be recovered from the person or persons responsible and made good to the G.V.M.C. Funds.

WATER SUPPLY - WORKS EXECUTED ON NOMINATION BASIS - ALLOWED CONTRACTORS PROFIT AT 14% - IRREGULAR - CAUSING EXCESS PAYMENT - NEEDS RECOVERY Rs.1,20,48,259/-

On verification of the files relating to water supply section in respect of works executed under maintenance of water supply it is noticed that the following works were entrusted on nomination basis for execution. But it is noticed consequent on entrustment of work on nomination basis the contractor was allowed the contractor profit at 14% which is irregular and contrary to the rules issued. According to Circular Memo No. T1/Over head charges/2012 dt 11-10-2012 of Engineer - in - chief the over head charges and contract profit at 14% shall not operate for all the works eligible to the entrusted on the Nomination basis.

Hence the 14% of contract profit in over head charges which was allowed is not admissible in audit and needs recovery.

ANNUAL ACCOUNT - VERIFICATION OF ANNUAL ACCOUNT FOR THE YEAR 2015-16 - VARIATIONS BETWEEN ANNUAL RECEIPTS, LEDGER

On verification of the annual account for the year 2015-16 it is observed that the certain collections under TDS from Contractors, APGST (Vat), Service Tax EPF etc., are not being tallied with reference to the collections shown in Ledger and collection made through bank as detailed below.

As per Annual Account			As per Ledger		As per Bank Statement	
Sub Head	Description	Amount	Description	Amount	Description	
3502025	TDSfromcontractors	90316833	TDSfromcontractors	90496525	-	-

3502086	EPF	67053935	EPF	67018952	-	-

Due to above variations from annual account to ledger actual figure shown in the above heads in the annual account could not be certified and assessed. This will also leads wrong interpretation on income derived by the GVMC.

On verification of the Register of Advances, the following defects/irregularities were noticed: Rs.110522/-

As per Art-250 of the AP Financial Code Volume-I, advances should not be allowed to kept un-adjusted for more than 3 months from the date of sanction of advance. The person who taken advances have to either adjustment bills should be furnished or amount should be remitted as and when the purpose was served. But huge amount was kept unadjusted even at the close of the financial year which is highly irregular.

As verified from the Advances Recoverable Register it is found that huge advances found pending recovery. For reference some cases explained below:

S.No.	Month	Name of the Employee	B.No	Purpose of Advance	Advance Taken	Pending Recovery
1	4/2015	Sri.B.Sudhakar, J.A	2773	Vehicle advance	6270	6270
2	5/2015	K.Savitri, PH Worker	4537	Vehicle advance	627	627
3	1/2016	G.Jagannadha Swamy, Mazdoor	5451	PF Advance	4500	1500
4	7/2015	Sri P.Rammohan Rao Mazdoor (Expired)	5799	Vehicle Advance	70125	70125
5	7/2015	Sri P.Rammohan Rao Mazdoor (Expired)	5799	PF Advance	34000	27200
6	9/2015	Sri.M.Srinivasa rao Mazdoor	5480	PF Advance	4800	4800
Total					120322	110522

- ii) Advance sanction particulars together with purpose of advance were not recorded for lot of entries in the register.
- iii) Head wise, month wise and year wise abstract not arrived at and certified by the competent authority.

In spite of recurring objections raised in the previous audit reports in the matter the defects were not rectified and the register not updated duly tallying with the figures in the Annual Account. Year wise and head wise pending advances also not arrived at and certified by the competent authority.

In view of the above defects the correctness of the opening balances, advances adjusted and outstanding advances could not be ascertained and certified in audit. However, non recovery of advances is highly irregular and leads to loss of revenue to the GVMC.

Hence, action would need to be taken to rectify the above defects and take necessary action for adjustment the pending advances at an early date from the persons concerned and remitted to the funds of institution the loss caused to the institution if any would need to made good and fact reported to audit verification.

AUDIT REPORT 2015-16

PUBLIC HEALTH SECTION

EXPENDITURE INCURRED UNDER VARIOUS PURPOSES - CONNECTED FILES AND OTHER RELEVANT RECORDS NOT PRODUCED - NEEDS EARLY ACTION:

Rs.1785005907/-

During the course of audit it is noticed that a total sum of Rs 178,50,05,907/- was incurred As per annul account GVMC Visakhapatnam for the year 2015-16 under various purposes in public health section as detailed below. But the connected files and other relevant records were not produced to audit for verification. Which is irregular. In this regard an half margin letters SA No 2 dated 16-3-2017, SA No 4, dated. 11-4-2017, SA No 6 dated 24-4-2017 have been issued to the chief medical officer ,public health Section, GVMC, Visakhapatnam with a request to furnish the relevant records and files to audit. But the Executive Authorities has failed to produce the above records to audit for verification .The superintendent in Public health section said that the Conservancy /Sanitation article files and record in the office of the vigilance and enforcement department, Visakhapatnam. In the absence of the expenditure already incurred could not be verified in audit and so the entire expenditure is held under objection.

Hence, immediate action would need to be taken for production of files and other relevant records to audit for verification and if any loss caused to the institution due to non production of said records to recover the amount from the person or persons responsible.

EXPENDITURE INCURRED TOWARDS SUPPLY OF PH MATERIAL - CONNECTED FILES AND OTHER RELEVANT RECORDS NOT PRODUCED - NEEDS EARLY ACTION:

Rs.9746819/-

During the course of audit it is noticed that a total sum of Rs **99746819/-** was incurred GVMC Visakhapatnam for the year 2015-16 under Sanitation/Conservancy purposes in public health section as detailed below. But the connected files and other relevant records were not produced to audit for verification. Which is irregular. In this regard an half margin letters SA No 2 dated 16-3-20176 , SA No 4 dated 11-4-2017 , SA No 6 dated 24-4-2017 have been issued to the chief medical officer ,public health Section, GVMC, Visakhapatnam with a request to furnish the relevant records and files to audit. But the Executive Authorities has failed to produce the above records to audit for verification .The seperindintant in Public health section said that the Conservancy /Sanitation article files and record in the office of the vigilance and enforcement department, Visakhapatnam. In the absence of the expenditure already incurred could not be verified in audit and so the entire expenditure is held under objection.

Hence, immediate action would need to be taken for production of files and other relevant records to audit for verification and if any loss caused to the institution due to non production of said records to recover the amount from the person or persons responsible.

AUDIT REPORT 2015-16

EDUCATION SECTON

EDUCATION - PAYMENT OF SALARIES AND ARREAR CLAIMS FROM GVMC GENERAL FUND ON REIMBURSEMENT BASIS FROM SCHOOL EDUCATION DEPT.-GOVT OF AP,HYD-NOT YET REIMBURSED-NEEDS ACTION: Rs.7,15,37,292/-

As verified from the connected file it is observed that the pay and allowances of education department staff both teaching and non teaching who are working in upper primary and secondary education schools were paid through grant in aid released by the school education department , Govt. of AP, Hyd from the time to time up to 30-9-2013 . Later the pay and allowances of said staff members in teaching wing are being paid through treasury under 010 head of account from 01-10-2013

Further it is also observed that prior to 010 salaries i.e., 01-10-2013, The GVMC officials could not clear the various bills i.e., salary bills supplementary bills and medical reimbursement bills etc. due to releasing of insufficient funds by the school education department and non adjustment of grants at district treasury , Visakhapatnam during the financial years 2012-13 and 2013-14. Consequently no. of bills are pending payment to the various staff members amounting to Rs.7,15,37,292/- as on 30-9-13. Out of which a total sum of Rs.5,77,05,464/- was paid from GVMC general funds basing on the request made by the Teaching Unions to avoid delay in payment of salaries as stated in the file. On reimbursement basis from Govt. leaving a balance of Rs.1,38,31,828/- as detailed below.

a)	Towards salaries already paid from GVMC funds	Rs.5,68,31,358/-
b)	Towards supplementary bills already paid to GVMC General fund	Rs.8,74,106/-
	Total amount paid from GVMC general funds	Rs.5,77,05,464/-
c)	Towards supplementary bills pending as on .30-09-2013	Rs.1,38,31,828/-
Grand total		Rs.7,15,37,292/-

Further the authority under which the said payment was made from the GVMC general fund was not also available to audit. According to APFC Vol-I, before making payment to the teaching staff from GVMC general fund on reimbursement basis, the prior permission of the Govt. of AP i.e., School education department shall be obtained . But in this case it was not done which is a violation of AP financial rules.

But the said amount has not been reimbursed from the School Education dept Govt of AP ,HYD so far. In this regard a letter has been addressed to the principle secretary to the Govt., MA & UD Dept , AP,Hyd by the Commissioner , GVMC, VSP vide RC.No.988807/J5/9-11-2015 with a request to recommend the principle secretary to the Govt , School education dept for releasing of Rs.5,77,05,464/- which was already spent by GVMC general funds towards payment of salaries under Secondary education and Rs.1,38,31,828/- for claiming of supplementary bills of in-service and retired teaching and reminded from time to time finally on 21-9-2016. But the School education department has not released the said amount to GVMC so far. The reasons for non-releasing of said amount were not known to audit.

Hence necessary administrative steps would need to be taken for reimbursement of said amount from the Govt and adjusted to GVMC general funds under intimation to audit. In this regard loss of funds if any to the institution due to non releasing of funds , the concerned person/persons are held responsible.

SMT. S.V.SESHU KUMARI, B.ED ASST , GVMC SCHOOL, BHEEMILI - PROMOTED AS HEAD MISTRESS GVMC SCHOOL ON 6-09-2011 - OPTION EXERCISED FOR FIXATION OF PAY UNDER F.R.22(B) W.E.F 1-10-2011 -PAY ERRONUESLY FIXED AT RS.29,200/- INSTEAD OF RS.28,540/- IRREGULAR - NEEDS RECOVERY AND REGULATION OF PAY FROM TIME TO TIME:

Rs.88,666/-

Smt. S.V.Seshu Kumar, former B.Ed Asst , GVMC School, Bheemili was promoted as Head Mistress, MVDM School ,GVMC,VSP and joined duty on 6-9-2011. After joining in the promotion post she was opted for fixation of Pay under F.R.22(B) w.e.f 1-10-2011 i.e., date of normal increment in lower cadre.

As verified from the Service Register of the individual , the pay fixation details recorded at Page No.44 of S.R Vol-I, it is observed that her pay was erroneously fixed at Rs.29,200/- w.e.f 1-10-2011 instead of Rs.28,540/- as detailed below.

Pay as on 6-9-2011 in the lower cadre i.e., B.Ed Asst	Rs.26,300/-
Pay to be fixed initially under F.R.22(a)(i) w.e.f 6-9-2011	Rs.27,000/-

After that, the pay should be refixed under F.R.22(B) w.e.f 1-10-2011 as per the option exercised by the individual

Pay as on 6-9-2011 in the cadre of B.Ed Asst.	Rs.26,300/-
Pay after Sanction of normal Increment in lower cadre w.e.f 1-10-2011	Rs.27,000/-
Pay after Adding one notional increment in lower cadre	Rs.27,700/-
Pay to be fixed in Next stage in promotion scale under F.R.22(B) w.e.f 1-10-2011 (TS 18030-43620)	Rs.28,540/-

But the pay was erroneously fixed at Rs.29,200/- w.e.f 1-10-2011 which is violation and excess payment made to the individual .

Hence her pay may be regulated from 1-10-2011 to till date besides recovery of excess payment already made time to time as detailed below.

Pay to be regulated as shown below.

REVENUE SECTION - MDR- LEASING OF SHOPS AND OTHER ASSETS- NON FULFILLMENT OF LEASE CONDITIONS-IRREGULAR-NEEDS COMPLIANCE:

As verified from the miscellaneous Demand Register with the connected lease files for the year 2015-16, it is noticed that an amount of Rs.46,31,792.00 was collected towards lease amount of shop rooms, fish tanks, kalyana mandapams and markets etc., as detailed below:

Total demand :Rs.57,28,757.00

Total collection :Rs.46,31,792.00

Total balance :Rs.10,94,965.00

As per the provisions laid down under Sections-526, 528, 533, 534 and 535 of the Hyderabad Municipal Corporation Act 1955 read with 8(3) of VMC Act 1979 and rules issued under APM Act 1965, the Standing Committee of GVMC published terms and conditions vide Zazette No.16/2014.

As per the standing committee publication the leasees:

- Should pay Rs.200/- towards auction notification.
- Should submit demand draft for 1/3rd of bid amount as deposit.
- Should pay @2% of bid amount as registration fee.
- Should submit bank guarantee for bid amount.
- Should pay Service Tax, Swatcha Bharath Cess on the lease amount for the entire lease period.
- The lessee should pay an amount of Rs.2000/- as caution deposit which is non-refundable.
- If the leases default in the payment of the monthly rents installments on the due dates shall pay the same with a penal interest @ 18% per annum.
- The Commissioner or any officer authorized has right to seal shop rooms if the leases is a defaulter continuously beyond 3 months later panel name shall be conducted and the contents inside the premises forfeited and auctioned to realization of arrears due to the GVMC and the matter shall be place before Standing Committee for cancellation of lease and for re-auction.
- If installments due are not paid within the end of that month for a continuous period of 3 months the amount of rent due with penal interest thereon shall be got adjusted from out of his security deposit amount and if the rents are not paid for a period of 3 months action will be taken to adjust the total security deposit as per condition No.15 & 16.
- If any lease intended to transfer the balance lease period of the shop room to any others the sub leases shall obtain prior permission of the Standing Committee. The sub lease should also pay 10 months rent as surcharge and he has to accept all existing conditions.
- The lease deed should be got registered to avoid further legal complications etc.,

As verified the lease files wrt to the Standing Committee terms & conditions, the following irregularities were noticed:

- a) except few cases, lease deeds were not got registered.
- b) caution deposit which is non refundable was not collected from 27 leases:
- c) As per lease conditions, the leases are agreed to produce the bank guarantee/solvency for the lease period. But in the following cases the same were not obtained:

TAX ON ANIMALS -NOT LEVIED - LOSS TO THE CORPORATION REVENUE - NEEDS ACTION:

Tax on animals (Section 112 to 113)

If the animals specified in schedule II to the Act., are kept, the tax shall be levied not exceeding the maximum rates specified in rule 21 of Schedule II of the Act.

According to the Section 248 of the APGHMC Act, 1955 read with section 14 of the AP Municipal Corporation Act 1994 :-

1. A Tax not exceeding Rs. 10/- per annum shall be levied on every dog kept within the city and not under the age of six months.

2. Every person who owns or is in-charge of any dog on which a tax is leviable under subsection (1) is liable for such tax.
3. (a) Every person who owns or is in-charge of any dog shall, before the first day of May in each financial year, forward to the Commissioner a return signed by him containing his name and address and the age of such dog.
b) Every person who after the first day of May in any financial year becomes the owner or takes the charge of any dog, shall within one week from the date on which he becomes the owner or takes charge of the dog, forward to the Commissioner a like return, signed by him.
4. The tax shall be payable in every financial year in advance on the first day of May.
5. The commissioner shall maintain a register showing the persons liable to pay the tax under this section.

Licence and number ticket for dogs and disposal of dogs:

1. When the owner or person in-charge of any dog has paid the tax leviable on and the price fixed for the number of tickets for such dog, the commissioner shall
 - (a) grant him a license for the keeping by him of such dog during the financial year for which he had paid the tax; and
 - (b) provide him with a number ticket, the number of which shall be specified in such license.
2. The owner or person in-charge of any dog so licensed shall at times cause the said number ticket to be kept attached to the collar or otherwise suspended from the neck of the dog.
3. Any dog which has no number ticket so attached or suspended shall be presumed to be a dog in respect of which no license has been granted, and may be seized by any officer duly authorised by the Commissioner in this behalf, and detained until the tax due, if any, has been paid.

But in this Corporation, no such register was maintained and no tax was levied on dogs, which causes loss to the Revenue of the Corporation therefore necessary steps have to be taken to tax on animals.

TIME BARRED TAXES AND FEES:

The arrears of taxes and fees relating to the year 2008-09 which were allowed to be time barred by limitation of time prescribed under section 365(1) of the A.P. Municipalities Act, 1965 during the current financial year. According to section 365 (2) of the A.P. Municipal Act 1965 it is the duty of the Commissioner to place before the council a list of arrears due to the Municipal Council which are likely to become time barred, at least one year before the limitation stating the reasons for the non-collection of such taxes and seek instructions of the council in regard to recovery of such taxes. According to section 365(3), if the Commissioner fails to submit such list or omits or show in such list any arrears due to failure on the part of bill collector to any other employee as the case may be, is deemed to be negligent and action under the section 374(1) of the Act for the recovery of all such recoveries should be taken against him. Record showing the placement of the matter before the council in respect of the taxes and fees which are allowed to become time barred was not pointed out. Under section 374(1) the loss caused to the Municipality due to the above defect has to be assessed and made good from the persons responsible. Further it was noticed in audit that though elaborate procedure was prescribed in rules to take action on the taxes likely to become barred by time in practice the Arrear demand registers were not being maintained to quantify the taxes that are likely to be barred by time. This deficiency of not maintaining the ADRs relating various taxes and non taxes is resulting in the inability of the MC even to quantify the loss on account of barring by limitation of time.

MUNICIPAL CORPORATION -PAYMENT OF SERVICE CHARGES TO MUNICIPAL COUNCIL IN RESPECT OF CENTRAL GOVERNMENT DEPARTMENTS- NOT REALIZED SO FAR - NEEDS ACTION:

The Honourable Supreme court of India vide its order dated 19-11-2009 disposed of the civil Appeal No 9458-63/2003 filed by Rajkot Municipal Council& Others Vs Union of India (UOI) & others relating to payment of Service charges by Central Government Departments to urban local bodies with the following Directions.

1.The Union of India (UOI) & its Department will pay service charges for the service provided by appellant Municipal Councils. No property tax will be paid by UOI but service charges calculated @ 75%, 50% or 33 1/3% of property tax levied on property owners will be paid, depending upon utilization of full or partial or nil services. For this purpose agreements will be entered in to UOI represented by concerned departments with respective Municipal Council.

2.In pursuance of the orders of the Supreme Court in this matter, the following instructions are issued to Commissioners of all ULBs by the principal Secretary to government MA&UD for regulating payment of service charges in respect of Central Government properties. The Commissioners of ULBs shall, intimate the Heads of Central Government, Departments about the civic services provided by the ULBs in the vicinity of concerned Central Government Properties and request them to furnish full data regarding their properties to enable the ULB to work out the service charges payable as per Para 6,7 and 8 of the order date 19-11-2009 of Honourable Supreme Court of India. After receipt of the required data, the Municipal Commissioner shall calculate the service3 charges payable on these properties at 75% 50% or 331/3% of property tax levied in the case of private property owners based on the civic services availed by Central Government Properties.

3. To issue a self contained, order to the Heads of Central Government Departments indicating the process followed in Working out the service charges payable by them and the amount of service charges payable per annum as per Para 6,7 and 8 of the order dated 19-11-2009 of Honourable Supreme Court of India.

4. To enter into Memorandum of agreement or understanding with Heads of Central Government Departments for payment of service charges to the ULBs till the next general revision of property tax.

5. In the event of a disagreement on any issue, the Municipal Commissioner shall submit proposals to the Government for constituting a three member mediation committee consisting of the following officers for resolving the issue:

- a) Representative of Central Government
- b) Representative of concerned ULB
- c) Representative of MA&UD Department
- d) In the event of any Central Government Department or Railways owning a property changes the Agreement unilaterally or fails to reach settlement through Mediation Committee, the concerned ULB could take such action as it deems fit by approaching Courts for reliefs.

It has also been clearly stated that Commissioners of all ULBs shall ensure that entire exercise of payment of service charges by central Government properties is completed by end of September, 2010 and send a self contained report on the action taken in this matter to the Commissioner and Director of Municipal Administration under intimation to the Government.

In spite of the above direction issued by the principal Secretary to government MA&UD for regulating payment of service charges in respect of Central Government properties by the end of September 2010 Realization of service charges from the central government properties has not been done so far. Though much correspondence has been made with the Central Government departments a conclusion to the payment of service charges by the central government departments for their properties has not been arrived. Much time has been elapsed and the municipal authorities should pay much attention to resolve the issue at the earliest possible and see that the service charges are realized from the central government departments.

**PURCHASE OF STATIONARY ,PRINTING AND CATRIDGES WITHOUT
CALLING TENDERS THROUGH E PROCUREMENT-VIOLATION OF
RULES-**

As per the Go.Ms.No 02 Finance (Works&Projects)Department dated 03.02.2014 issued orders that for all works and material procurement (for works, stationary, livery and printing to the offices costing Rs.100000/- and above, the procurement platform should be adopted so as to enhance transparency and bring uniformity across all the departments.

The stationary, printing and cartridge items are not perishable. So that the competent authority(ADC(genral)) has to prepare the rough estimates of stationary, printing and cartridges for printers required for the period of one year and also condition has to be stipulated in tender notice and agreement to supply of the required material by the agency as and when the material ordered by the competent authority at the agreement rates to avoid paper work, time and to obtain best competitive price from eligible hole sale dealers.

But the GVMC authorities not followed above GO and the material procured in piecemeal by obtaining quotations from the shops/agencies as their will. They are escaping from e tenders to every purchase stating reason that in the emergence need of items. As revealed from the rates offered by the firms are more than retail price. Hence the action of GVMC authorities shows that negligence in implementing the government orders and protecting the public money by calling e tenders and negotiations with the firms to obtain best competitive price as was done in respect of procurement of conservancy articles to GVMC.

In this regard an half margin letters SA No 1 dated 16-3-20176 , SA No 6 dated 11-4-2017 have been issued to the Additional commissioner (General), GVMC, Visakhapatnam with a request to furnish the relevant records and files to audit. But the Executive Authorities has failed to produce the above records to audit for verification. In the absence of the expenditure already incurred could not be verified in audit and so the entire expenditure is held under objection.

Hence, immediate action would need to be taken for production of files and other relevant records to audit for verification and if any loss caused to the institution due to non production of said records to recover the amount from the person or persons responsible.

COMMON PARAS OF TOWN PLANNING ALL ZONES:

Code No:9

TOWN PLANNING-NON-COLLECTION OF LABOUR CESS FROM APPROVED PLANS-STATUTORY OBLIGATIONS NOT OBSERVED-IRREGULAR-NEEDS ACTION:

As seen from the building applications of Town Planning section, it was noticed that the tariff of 1% Labour Cess was not collected from the approved plans relating to buildings and other construction works as ordered in G.O.Ms.NO.112, Labour Employment Training and Factories Department dated 15-12-2009.

As per the provisions contained in Annexure-I of the building and other construction workers (Regulation of employment and conditions of service) Act 1996 (central 27 of 1996 main Act) and the A.P. Rules made there under and the building and other construction workers welfare cess Act 1998 the tariff of 1% has to be collected as labour cess from all establishment employing 10 or more workers in any day.

As per the para-2 of said G.O. the term establishment means section 2(j) any establishment belonging to, or under the control of, government, anybody corporate or firm and individual or association or other body of individual which or who employees building workers in any building or others construction work and includes as establishment belonging to a contractor but does not include on individual who employees such workers in any building or construction work in relation to his own residence the total cost of such construction not being more than 10 lakhs.

As per the para-5 of said G.O. as per rule 4(4) of the cess rules, where the approval of construction work by local authority is required every approval for such approval shall be accompanied by a crossed DD in favor of the board for the amount of cess on the estimated cost of construction for the total project or for the period of one year as the case may be.

As per para-6 of the said G.O. further, as per rule 5 of the government office/public sector undertaking/local bodies/cess collector shall transfer the cess collected under rule-4 along with challan prescribed under the accounting procedure under G.O.Ms.No.42 L.E.T.& F Department dated 30-4-2007. While remitting the amount, actual collection not exceeding 1% of the total amount collected may be deducted.

As per para-7 of said G.O. as per rule 5(3) , the amount collected shall be remitted to the board within 30 days of collection.

As per para-8 of said G.O. as per Section 6(1) of the cess, every employer, within 30 days of commencement of his work or payment of cess, shall furnish account to the assessing officer.

In the light of above position all establishments which have employed more than 10 workers on any day or the cost of construction exceeds Rs.10 lakhs are liable for payment of labour cess of 1% on construction cost. But the constructions that were taken place during the year 2015-16 labour cess @1% was not collected from the builders/employment/individuals at the time of plan approval itself, which is irregular and contrary to the above provisions.

Hence, immediate action would need to be taken to collect the labour cess component from the persons responsible and credited to department of Labour and the fact may be intimated to audit.

TOWN PLANNING-INSTALLATION OF CELL TOWERS -CERTAIN LAPSES NOTICED-NEEDS ACTION:

As per GO. Ms No.183 Municipal Administration & Urban Development (M Department Dt. 27.02.2008 All the Commissioners of Municipal Corporations, Municipalities, and Vice Chairmen of Urban Development Authorities in the State shall accord permission to all the existing and proposed cell tower installations, both ground based and rooftop installations as per rules, subject to fulfilling the following conditions by the applicants namely:

- i) The applicant shall obtain necessary approval of the Air Traffic Controller, Airport Authority of India (where applicable).
- ii) The applicant shall take special precaution for fire safety and lightening etc.
- iii) The applicant shall furnish a legally valid undertaking that they are solely responsible for any damage to the building and for public safety.

Further, the government issued detailed guidelines regarding terms & conditions for installation and collection fee vide in GO.Ms.No.380, MA &UD Dept, dt.1.8.2013, GO.Ms.No.203, MA &UD Dept, dt.1.10.2014 and GO.Ms.No.146, MA &UD Dept, dt.19.6.2015. Later the Commissioner, GVMC has issued instructions to all Zonal Commissioners for release of provisional NOCs (No Objection Certificates) for towers in their respective zones within 30 days from the receipt of application from the agencies subject to the conditions laid down in the above orders. The government of AP i.e Municipal Administration and Urban Development department issued detailed clarifications vide in Memo No.21655/M1/2013, dt.5.12.2013 in this regard.

Accordingly, the Zonal Commissioners issued provisional NOCs for erection of towers subject to the conditions listed out below:

The NOCs were given subject to production of the following documents in addition to the documents (location plan, site plan, elevation plan, sectional plan, structural stability certificate, building plan and occupancy certificates, ownership documents, lease documents, frequency certificate and indemnity bond) submitted with application:

- a) NOC from AP State Disaster Response and Fire Services Department.
- b) Copy of SACFA clearance for the said location issued by the WPC wing of Department of Telecom.
- c) NOC issued by the Air Traffic Controller, Air port Authority of India wherever required.
- d) Copy of Access Service License/ IP Registration certificate from department of Telecom.
- e) NOC from building Owner and undertaking on judicial stamp paper for safety of building and public etc.,

But, the connected NOCs from cell tower agencies not obtained even as on the date of audit not obtained and furnished to audit which is irregular. Hence, action would need to be taken to watch the fulfillment of the above terms and conditions hereafter and produced the same to audit for verification.

TOWN PLANNING-DCB OF ENCROCHMENT FEE-ADDITIONS AND DELETIONS OF CERTAIN ENCROACHMENTS-FILES NOT PRODUCED-NEEDS ACTION:

During the course of audit on the accounts of ZONE-VI GVMC for the year 2015-16, on verification of Encroachments fee Demand Registers for the FY 2014-15 and 2015-16, it is noticed that certain new encroachments were included and certain were deleted during the year.

However, the town planning authorities were requested for production of files with field reports in support of the additions and deletions listed above to ascertain the correctness of demand raised and deleted. But the files were not produced and stated that the demand registers prepared based on the field survey and no files were built up separately which shows their attitude towards legitimate duties is irregular. In view of the above position the correctness of the demand fixed, amount collected could not be certified in audit.

Hence, action would need to be taken to produce the files with field reports to audit for verification.

TOWN PLANNING-COMPLETION REPORTS- OBTAINED FROM THE APPLICANTS FOR CONSTRUCTION OF BUILDINGS NOT PRODUCED - NEEDS ACTION:

According to Section 94 of the AP. Municipality Act, 1965, the applicant for license for construction of building should intimate the date of completion of the construction or occupation of the building whichever is earlier to the commissioner of the Municipal Corporation, the field staff has to obtain within (30) thirty days from the date of expiry of license.

But on verification, it is noticed that no completion reports obtained from the applicants to whom licenses were granted for construction of the building were not made available to audit. In the absence of the completion of reports, it is not known whether the buildings are completed within the stipulated time or not.

It is the responsibility of the town planning Section not only to issue licenses for construction of the building, but also to watch the completion of the construction within the stipulated time and to collect the renewal charges from the applicants, if they fail to complete the construction within the stipulated time. It is also the responsibility of the staff of Town Planning Section to intimate the dates of completion of the buildings to the revenue section so as to take them to the Demand Register of property tax for collection of property tax.

Therefore, action may be taken to obtain the completion reports in time and produced to audit. Any loss caused due to the above irregularity would need to be collected from the person or persons responsible.

TOWN PLANNING-ISSUE OF OCCUPANCY CERTIFICATES-NON PRODUCTION OF RECORDS AND OTHER DEFECTS-NEEDS ACTION:

During the course of audit on the accounts of Zone-VI, GVMC for the year 2015-16, as verified the follow up action after issue of proceedings for construction of buildings i.e issue of Occupancy Certificates, co-ordination with revenue section up to levy of property tax audit opined that follow up action is not satisfactory.

Occupancy certificates shall be mandatory for all buildings and unless such certificate has been granted by the sanctioning authority no person shall occupy or allow any other person to occupy any building or part of the building. The Property owners consequent upon completion of the construction have to intimate the Corporation of the same in the prescribed proforma to facilitate the ULB to issue occupancy certificate and levy of PT. It was observed that Register of occupancy certificates was not maintained in this zone so as to watch the timely status and correct data regarding no.of buildings completed, no. of occupancy certificates issued and pending issue with files during the year also not made available to audit indicating failure of the zonal town planning wing in enforcing the provisions laid down.

The Government have issued G.O.Ms.No.168 MA&UD(M) Department Dated 07.04.2012 and as per Rule 26(d) the rate of compounding fee shall be equivalent to 100% of the value of the land as fixed by the Registration Department at the time of compounding for the violated portion. As the files concerned except 10 files were not produced to audit the observance of the rules issued in the said G.O by the ULB could not be checked in audit.

Further clause 'g' under Rule 26 of GO.Ms.No.168 MA & UD (M) Dept. dt.07-04-2012 the functional/line agencies shall not give regular connections of power, water, sewerage etc., unless such occupancy certificate is produced or alternatively may charge three times the tariff till such time occupancy certificate is produced. It was noticed in audit that in most of the cases the said connections were given even without issuing the occupancy certificate and normal tariffs are charged.

While requested for production of occupancy certificates few files were produced to audit for verification in some zones and no records were produced in other zones.

Thus non production of building application files to audit would give scope for non detection of such irregularities which cause huge loss to the income of the ULBs. Hence, action would need to be taken to maintain the said register and produce the same with connected files to audit for

verification and loss caused if any would need to be made good from the person or persons responsible under intimation to audit.

**TOWN PLANNING-IMPLEMENTATION OF CERTAIN RATES W.R.T
GAZETTE NOTIFICATION NOT FORTHCOMING-NEEDS ACTION:**

During the course of audit on the accounts of GVMC Zone-VI for the year 2015-16 as verified the approved building application files w.r.t to the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010 regarding implementation of town planning rates the Corporation has to collect various charges before according approval for construction of buildings.

In the approved gazette many provisions were notified towards raising of source of income. But collection of certain fee/charges not at all forthcoming to audit. For reference, certain provisions are explained below:

U/s 428(6) of HMC Act-1955 read with S.No.4 of the Gazette No.38; dt.26.2.2010 GVMC is empowered to collect additional charges on the following items:

1(a) approval of revised plans within 6 months of approval(for which site area not changed), 50% of fee on already paid fee.

1(b) approval of revised plans beyond 6 months of approval, 50% of fee on already paid fee.

1(c) approval of rejected plans for which submitted before 6 months, 50% of fee on already paid fee.

1(d) beyond permissible timeline shall be charged at existing rates.

2(i) for temporary sun shades and balconies @Rs.200/- per 1 sq.mtr

2(ii) for permanent sun shades and balconies @Rs.400/- per 1 sq.mtr

4(a) for providing gates @ Rs.200/- each

4(b) for providing doors @ Rs.200/- each

4© for providing windows/ventilators@Rs.100/- each

4(d) for rolling shutters @ Rs.400/- each

U/s 618(1) of HMC Act-1955 read with S.No.5 of the Gazette No.38; dt.26.2.2010 GVMC is empowered to collect additional charges on the following items:

(4) for construction of compound wall @ Rs.20/- per 1 rmt

(8) for temporary structures on auspicious days like festivals @Rs.130/-per 1 sq.mtr for each week etc.,

But no cases noticed in audit in support of collection of above charges during the year and information regarding timelines of re-submitted BA files also not forthcoming to audit. However, non-implementation of above rates gives scope for leakage of revenue and loss to GVMC.

Hence, action would need to be taken to tap every provision laid down in gazette notification to raise the revenue of the GVMC.

**REGISTER OF BUILDING APPLICATIONS NOT MAINTAINED PROPERLY-
NEEDS ACTION:**

During the course of audit for the year 2015-16, as verified from the Building Applications Registers of Zone-VI, it is noticed that 741 applications were received during the year out of which 629 applications were produced for verification in audit.

But the connected Building Applications Register was not maintained properly. Astonishingly the register was maintained for the calendar year instead of financial year.

The Building Applications Register should be maintained in the prescribed proforma with the following columns:

- Serial Number
- Building Application Number
- Date of receipt of application
- Name and address of the applicant
- Type of Building
- Extent of building
 - Site area
 - Built up area
 - Open site area
- Fee collected (head wise)
- Date of disposal with reference number
- Remarks

In addition to recording the above information monthly abstract in respect of applications and fee should be arrived and certified by the competent authority. But on the verification of the register the following defects were noticed:

- Date of receipt of application was not recorded.
- Date of disposal of application was not recorded.
- Monthly and annual abstracts were not arrived at and certified by the competent authority.
- No. of applications received, no. of disposed and pending etc., were not arrived at.
- Fee collected after re-submission of the applications was not recorded.
- Extent of building not recorded.
- According to Section 455, HMC Act 1955, read with section 7 of the VMC Act, 1979, by law number 12-1 of 1981 of the same Act, a notice has to be given to the Greater Visakhapatnam Municipal Corporation regarding completion of construction after which the Corporation issues an Occupancy Certificate. This rule was not being observed.
- In many cases, there are short collections of various fee noticed.

In the absence of the same, the correctness of the amounts shown in the annual accounts could not be verified with reference to the building application register. Further cross checks with the property tax demand register also could not be exercised. The non maintenance and improper maintenance of the said register may lead to misappropriations with fake challans enclosed to the building applications as was witnessed in certain municipalities in the previous years.

Hence, action would need to be taken to rectify the defects and produced the register to audit for verification. The loss, if any in this regard would need to be recovered from the person or persons responsible and made good to GVMC Funds.

COMMON PARAS ON GENERAL WORKS OF ALL ZONES:

WORKS-EXECUTION OF WORKS- WORKS NOT INSURED- NEEDS ACTION:

During the course of Audit it is noticed that the works were not insured by the contractor from the date of commencement of work and up to completion of work and defect liability period of two years from the date of completion. Not insuring works is contrary to GO.Ms.No.23, dt.5.3.99 and GO.Ms.No.941 CAD (DW) Dept 1.7.2003. The Contractor may be insisted upon to insure the work till the completion of defect liability period and fact intimated to Audit.

Clearly mentioned in Agreement condition 9 the contractor shall provide in the Joint name or Joint names of the department and the contractor insurance cover from the start date to the end of the defect liability period i.e. 24 months after completion for the following events

- a) Loss or damage to the work plant and materials.
- b) Loss or damage to the equipment
- c) loss of damage property

The contractor shall furnish insurance policy in force in accordance with proposals furnished in the tender and approved by the department G.V.M.C. for concluding the Agreement.

In case of failure to act in the above said manner the department G.V.M.C. will pay the premium and the same will be recovered from the contractor's payment.

Similar cases if any come to light in other zones and in other files/records which were not produced to audit, similar action may be taken and fact reported to audit for verification.

WORKS EXECUTED - TENDERS ACCEPTED BEYOND THE LIMITS/ABNORMAL DELAY IN EXECUTION AND OTHER DEFECTS - IRREGULAR - NEEDS INVESTIGATION:

During the course of audit for the year 2015-16 in Zone-III of G.V.M.C, as verified from the work files, it is noticed that huge amounts were spent towards execution of various works. But the procedure for acceptance of tenders was not followed by the Executive Authority in so many cases.

a) In the cases listed below, the Executive Authority accepted the tenders beyond the limits specified by the Government for time to time. As per the existing rules with reference to G.O.Ms.No.94 Fin (PW) Dept, dated 01.07.2003 the tenders should be accepted upto the maximum loss of 15% only. In case of beyond 15% of the estimate cost Bank guarantee from the contractor and Demand draft for the difference between the tendered amount and 85% of the estimate value should be obtained and kept with the institution as additional security deposit so as to avoid loss due to middle drop of the contractor if any.

The executive authority is requested to obtain bank guarantees for the difference amount and to keep the same with the institution under report to audit to admit the expenditure in audit.

b) As verified from the work bills it is observed that huge amounts were spent towards execution of works but the time limit with reference to agreement was not followed and subsequent action not taken against the contractors concerned which is irregular.

As per the norms laid down in AP Public works Accounts code and Departmental codes, the work should be completed within the stipulated period of time as per the agreement so as to meet the needs of the public. In case of considerable delay occurred due to unexpected conditions the same should be extended with the approval of the competent technical authorities. Beyond the conditions considerable fine should be imposed against the contractor concerned. But in the following cases the action taken against the contractors for abnormal delay was not forthcoming to audit.

c) It is noticed that the following works were entrusted on tender basis, it is also observed in the following cases single tenders were accepted without calling tenders more than one time which is

irregular. In the absence of calling tender for more than one time the benefit of competitive rate was not derived and also loss may be occurred to the institution.

Therefore, the executive Authority is requested to take action against the persons responsible and if any loss caused to institution shall be recovered from him under intimation to audit.

ENGINEERING - WORKS EXECUTED ON NOMINATION BASIS - ALLOWED CONTRACTORS PROFIT AT 14% - IRREGULAR - CAUSING EXCESS PAYMENT - NEEDS RECOVERY:

On verification of the files relating to Engineering section in respect of works executed, it is noticed that the following works were entrusted on nomination basis for execution. But it is noticed consequent on entrustment of work on nomination basis the contractor was allowed the contractor profit at 14% which is irregular and contrary to the rules issued. According to Circular Memo No. T1/Over head charges/2012 dt 11-10-2012 of Engineer - in - chief the over head charges and contract profit at 14% shall not operate for all the works eligible to be entrusted on the Nomination basis. Allowing this provision for nomination basis works leads for excess payment and loss to the institution.

Hence, all the cases of all zones would need to be reviewed and the 14% of contract profit in over head charges which was is inadmissible in audit and would need to be recovered.

WORKS-EXECUTION OF WORKS-CERTAIN DEFECTS NOTICED-NEEDS FURTHER RECTIFICATION:

On verification of the files pertaining to the works executed during 2015-16, the following defects were noticed in all zones of GVMC:

- a) The most of the works were entrusted on nomination basis duly stating the reason that the urgency nature of the work. Except that reason, no other parameters were stated in file in supporting of the entrustment of the works on nomination basis. In respect of all the tendered works (which were produced for verification) minimum 10% to 25% less on estimated rates quoted by the contractors. More over it is observed from the file, there is no much variation of time for completion period of the works between the short term tendered works and nominated works. Due to the entrustment of works on nomination basis, minimum of 15% the loss has sustained to the corporation.
- b) The approved data to ascertain the correctness of the ECV, gross value, net amount paid etc., was not produced to audit.
- c) As ascertained from work files it came to know that the estimates were prepared basing on the 2012-13 SSR rates though the government issuing revised rates from time to time.

WATER TAX - DEMAND REGISTER FOR SEMI BULK SUPPLY- METER READING REGISTERS NOT MAINTAINED - NEEDS ACTION:

As verified from the books and records relating to Water Tax of bulk & semi bulk, it is noticed that the meter reading registers have not been maintained which are the basis for fixation of demand of bulk and semi bulk water supply to the Commercial & Industrial concerns. In the absence of the said registers the correctness of the collections made could not be verified. It is also not possible to analyse the usage of water drawn from the Municipal Sources and supplied to the customers. Surprisingly, no amount has been shown in the annual account towards excess water charges which is a nominal collection. Reasons for such nominal collections were not furnished to audit. This Section was fully dependent on the information available from Saukaryam collections, but not on meter reading registers.

Hence, early steps would need to be taken to maintain such registers and made available to Audit for verification under proper attestation the loss of any in this regard would need to be recovered from the person or persons responsible and made good to GVMC Funds.

WATER SUPPLY -WATER TAX -DEMAND REGISTERS NOT MAINTAINED - IRREGULAR - NEEDS ACTION:

During the course of audit for the year 2015-16, on verification of registers related to water supply receipts, it is noticed that the water tax Demand Registers were not maintained if maintained they were left incomplete. Water tax postings were not properly updated and arrived at the balances. Further ward wise final abstract of the water tax demand collection & balance was not prepared and certified by the Dy Commissioner or by the Commissioner GVMC.

As per the information related to Water Tax DCB comprising all zones provided by the IT Section of GVMC, huge amount was showing pending collection.

But the connected Demand Registers were not maintained properly which is irregular. Further, it is noticed that the figures shown in the Manual Demand Register were not taken to system and demand notices were generated on the system based data. As per procedure the correct final demand is to be arrived after duly taking the previous year demand, adding current year new assessments with reference to the Tap execution Register and changes as per Mutation Register. In the absence of the above procedure, the final demand of the water tax could not be confirmed.

In this connection, it is apt to bring to the notice of the Commissioner that there is every possibility for unauthorized alterations of the system figures in the demand which results in short collection of water tax. In the given situation there is ample scope for tampering of records, which cannot be detected in normal audit. Hence, immediate steps have to be taken to arrive at the correct and final demand and the same is to be certified so as to ensure proper demand and to avoid leakage of revenue as the water tax is also the major revenue source for the Municipal Corporation.

Non-maintainance or incomplete maintenance of Demand Registers reduces scope of audit and becomes hurdle in identifying the leakage of revenue, system based misappropriations, defalcations etc., It is also impossible to certify the Demand-Collection-Balances with reference to that the figures shown in the Annual Accounts. In the absence of the above registers the correctness of Water Tax DCB could not be ascertained in audit.

Hence, action would need to be taken to be maintained and produced the above registers to audit early for verification.

**WATER SUPPLY-SUPPLY OF WATER THROUGH TANKERS-COUPONS WITH
CONNECTED RECORDS NOT PRODUCED-NEEDS ACTION:**

During the course of audit on the accounts of water supply of GVMC for the year 2015-16, as ascertained from the records related to water supply through tankers it is observed that coupons will be issued at TSR Complex for sale of water through tankers duly collecting the cost of water @Rs.40/- per KL and water will be supplied through tankers to all zones.

But the connected records with coupons issued by the TSR Complex water supply point for which supplied through tankers not produced to audit though issued half margin letters. In the absence of the above records the correctness of following transactions taken place could not be certified in audit.

- Quantity of water supplied to the public
- Quantity of water supplied to the private parties
- Quantity of water supplied to the call center and government departments at free of cost
- Rate fixed per Kilo Litre
- Amount realized
- The tankers utilized etc.,

Hence, action would need to be taken to produce the above coupons together with registers to audit for verification and the loss caused if any in the matter would need to be made good from the person or persons responsible.

Under provision contained in part – 1 of schedule to the section 52(10) of HMC Act 1995, the license fee should be levied under D&O Trades as per the rates specified in Gazette notification No. 61/ 2008 dt. 16-9-2008 which was accorded sanction by the Council of GVMC vide resolution No. 114/ 2008, dt. 28-7-2008.

However, the demand of 50% trade licenses in the categories of Kirana bangle shop, pan shops Audio – Recording centres, wholesale etc, were verified with reference to the approved Gazette rates for verification of correctness of demand fixed the following defects were noticed .

a).In many cases demand was fixed but nature of trade was not recorded as detailed below.

Statement enclosed.

b). As per the provision laid down in the approved gazette penalty should be collected @ 25% for late payments upto 60 days and @ 50% beyond 60 days. But late fee/penalty not collected on collection of arrears which constitutes loss.

c).Nature of trade no recorded relevantly and house demand not fixed exactly most of the cases were recorded as Audio recording centre, whole sale, retail in many of cases in Ward No.1 STD & Local Calls in Ward No.2 Retail only Ward No.1 as over 10 to 100 Sq.Mts it is not related to actual trade shown in the address entry of the trader.

d). Particulars of capacity / specifications of the trades as specified in the Gazette notification were not recorded in the demand registers.

e). Files related to fixation of trade license fee were not made available to audit.

f). Resolutions for deletions made during the year also not furnished to audit.

g). Demand registers and Arrear Demand registers not maintained etc.,

However, in view of the above defects the correctness of the demand fixed could not be ascertained and certified in audit and the amount involved in the time barred taxes for the Particulars year could not be arrived at as per sec-671 of HMC Act 1995 r/w sec 7 of VMC Act 1979. Due to non – maintenance of arrear demand register it is difficult to initiate action like recovery through district prosecution and filing suits as laid down under section 268 of HMC Act 1955 r/w sec 7 of VMC act 1979.

Hence, action would need to be taken to review the entire demand duly uploading correct information to arrive at correct demand and loss causes in this regard if any would need to be made good from the person or persons responsible in addition to taking disciplinary action.

Similar cases if any come to light in other zones and in other files / records which were not produced to audit loss sustained would need to be made good from the person or persons responsible and fact reported to audit to audit for verification.

PUBLIC HEALTH - IMPROPER FIXATION OF LICENSE FEE IN RESPECT OF LODGES, FUNCTION HALLS-NEEDS RE-EXAMINATION:

As verified from the Annual Accounts for the year 2015-16, it is noticed that an amount of Rs. was shown as receipt realized from D&O Trade license fee.

As verified from the D&O Trade collections it is noticed that the Trade license fee in respect of lodges and guest houses which are running on a daily rental basis, have not been collected. As per section 521 of HMC Act 1955 read with section 7 of VMC Act, 1979 and as per notification issued in Rc.No.1597/2000/F10 dt.12-2-2001. The license fee in respect of lodges was fixed as per resolution No.47/2000 dt.22-12-2000. But the license fee was not fixed in consonance with the above provisions which resulted in short collections in respect of certain big AC Lodges and Star Hotels etc.

As per Hyderabad Municipal Corporation Act 1956 and Visakhapatnam Municipal Corporation Act 1979, under Sec. 7(1) and vide Rc.No.1597/2000/F10/F4, Dated: 20.11.2008, the Commissioner, Municipal Corporation, Visakhapatnam has been empowered to notify the rates of license fee to be levied on lodges, function halls etc., through resolution No.114/2008, Dated: 28.7.08/29.7.08 and accordingly the license fee has been fixed as detailed below:

Rate of occupancy per day	Licence Fee/ Annum
Upto 50	1080
50 to 100	2160
100 to 200	3240
200 to 400	4335
400 to 600	6495
800 to 1000	10830
1000 to 1500	16245
1500 to 2000	21660
2000 to 3000	32490
3000 to 4000	43320
More than 4000	72200

The collection of license fee has been entrusted to the Sanitary Inspectors of P.H. Section of the corporation. However, it was apparently understood that the fixation of license fee was purely based on the rental value received by the lodgings. Now - a- days normally from the year 2005 onwards, the rent of a single room was not less than Rs.200 to Rs.300 and above per day for non-A.C. and Rs.2000/- to Rs.6000/- and above per day for a single room of A.C. and there would be not less than 15 to 20 rooms and above in a lodge. A day's rent approximately work out to Rs.3000/- to Rs.4000/- in respect of 15 rooms and monthly Rs.60000/- to Rs.70000/-, thus annual rental collection for an ordinary non-A.C. lodge may run into Rs.4 to 6 lakhs and for A.C. lodges and star hotels Rs.80 lakhs to one crore and above as against which fixing of the L.F. ranging from Rs.1080/- to Rs.43320/- and Rs.72200/- for A.C. and star hotels is not in order. The License fee in force relating to A.C. Star hotels needs to be revised by making proper assessment of rental value.

Further, it was also observed that fixation of license fee of Rs.350/- for a marriage / function hall is not proportionate to the charges being collected @ Rs.10000/- and above per day. The criterion for fixation of license fee was not available in the records produced to audit.

Thus, the improper fixation of license fee in respect of lodges, function & marriage halls, corporate hospitals etc., is brought to notice of the Commissioner for re-examination of license

fee fixed and directed to revise the rates proportionate to the revised rental values to raise source of income to GVMC and to plug the leakage of revenue. The loss, if any, in this regard would need to be recovered from the concerned officials and made good to GVMC funds.

Tax on animals (Section 112 to 113)

If the animals specified in schedule II to the Act., are kept, the tax shall be levied not exceeding the maximum rates specified in rule 21 of Schedule II of the Act.

According to the Section 248 of the APGHMC Act, 1955 read with section 14 of the AP Municipal Corporation Act 1994 :-

1. A Tax not exceeding Rs. 10/- per annum shall be levied on every dog kept within the city and not under the age of six months.
2. Every person who owns or is in-charge of any dog on which a tax is leviable under sub-section (1) is liable for such tax.
3. (a) Every person who owns or is in-charge of any dog shall, before the first day of May in each financial year, forward to the Commissioner a return signed by him containing his name and address and the age of such dog.
b) Every person who after the first day of May in any financial year becomes the owner or takes the charge of any dog, shall within one week from the date on which he becomes the owner or takes charge of the dog, forward to the Commissioner a like return, signed by him.
4. The tax shall be payable or every financial year in advance on the first day of May.

5. The commissioner shall maintain a register showing the persons liable to pay the tax under this section.

Licence and number ticket for dogs and disposal of dogs:

1. When the owner or person in-charge of any dog has paid the tax leviable on and the price fixed for the number of tickets for such dog, the commissioner shall

- (c) grant him a license for the keeping by him of such dog during the financial year for which he had paid the tax; and
- (d) provide him with a number ticket, the number of which shall be specified in such license.

2. The owner or person in-charge of any dog so licensed shall at times cause the said number ticket to be kept attached to the collar or otherwise suspended from the neck of the dog.

3. Any dog which has no number ticket so attached or suspended shall be presumed to be a dog in respect of which no license has been granted, and may be seized by any officer duly authorised by the Commissioner in this behalf, and detained until the tax due, if any, has been paid.

But in this Corporation, no such register was maintained and no tax was levied on dogs, which causes loss to the Revenue of the Corporation therefore necessary steps have to be taken to tax on animals.

The arrears of taxes and fees relating to the year 2008-09 which were allowed to be time barred by limitation of time prescribed under section 365(1) of the A.P. Municipalities Act, 1965 during the current financial year. According to section 365 (2) of the A.P. Municipal Act 1965 it is the duty of the Commissioner to place before the council a list of arrears due to the Municipal Council which are likely to become time barred, at least one year before the limitation stating the reasons for the non-collection of such taxes and seek instructions of the council in regard to recovery of such taxes. According to section 365(3), if the Commissioner fails to submit such list or omits or show in such list any arrears due to failure on the part of bill collector to any other employee as the case may be, is deemed to be negligent and action under the section 374(1) of the Act for the recovery of all such recoveries should be taken against him. Record showing the placement of the matter before the council in respect of the taxes and fees which are allowed to become time barred was not pointed out. Under section 374(1) the loss caused to the Municipality due to the above defect has to be assessed and made good from the persons responsible. Further it was noticed in audit that though elaborate procedure was prescribed in rules to take action on the taxes likely to become barred by time in practice the Arrear demand registers were not being maintained to quantify the taxes that are likely to be barred by time. This deficiency of not maintaining the ADRs relating various taxes and non taxes is resulting in the inability of the MC even to quantify the loss on account of barring by limitation of time.

CELL PHONE TOWERS INSTALLATION-PERMISSION FEE NOT COLLECTED-LOSS-NEEDS ACTION:

According to G.O.Ms.No.183, M.A & UD (M) Dept., dt. 27-2-2008 all the cellular companies and telecom companies and all other companies are required to obtain permission from the local authority concerned for installation of their towers. Further, according to Municipal Act., Installation Charges have to be paid by the cellular companies to the Municipal Civic body and the civic body can also levy tax either on the cellular companies or on the owners of the buildings on which the cell towers have been installed as one time installation charges.

A writ petition was filed in W.P No.326 of 2013 in Honourable High Court not to interfere with the function of the towers. After hearing both parties i.e. petitioners and respondents., the

Honourable High Court ordered there was no gain saying that matter required a policy matter so that respective GPs and ULBs would be applying the same standards uniformly and would not be applying the same standards uniformly and would not be varying case to case basis. However, the policy formulation may take longer time so in the interest of both petitioner and the respondent the petitioner may be directed to deposit a sum of Rs.10000/- within 30 days from today with the respondent local body. The amount is determined on a tentative basis only.

But, this was not being followed in the Municipal Corporation, Guntur since, it was potential revenue to the ULB, the ULB should fix the demand for such income and should collect it from Telephone companies from time to time. During the year under audit, the permission fee from telecom companies was not collected. The executive authority himself would need to be held responsible for the loss caused due to non collection. Action would need to be taken in this regard and tap this potential source of income to augment the own resource of the Corporation.

Therefore, immediate action may be taken not only to collect the amounts but also insist upon getting the unauthorized cell towers regularized satisfying all the conditions like structural stability, willingness of owners and neighbours etc.,

PROPERTY TAX AND ITS COMPONENTS - NOT IMPLEMENTED :

According to the provision of Sec.85 of the A.P. Municipalities Act, 1965, the government have fixed ceiling to the rate of property tax inclusive of Education tax and library cess that it should not exceed 25% of A.R.V in respect of residential buildings and 33% of A.R.V. in respect of non-residential buildings. The property tax should be allocated to the following components to provide for expenses under each head.

1. General purpose
2. Water supply tax
3. Drainage tax
4. Scavenging tax
5. Lighting tax
6. Education tax
7. Library cess

As verified from the annual account the property tax was not apportioned among the applicable components in the above stated heads. This was contrary to the objective of the provisions made under the said section of the Municipal Act. The same would need to be rectified and the prescribed procedure followed in future. The Commissioner would need to take earnest steps for allocation of property Tax as per the provisions in the Municipal Act to fulfill statutory obligation.

NON ISSUANCE OF OCCUPANCY CERTIFICATE AND CONSEQUENT LOSS-NEEDS ACTION:

Occupancy Certificate shall be mandatory for all buildings and unless such certificate has been granted by the sanctioning authority no person shall occupy or allow any other person to occupy any building or part of the building. The Property owners consequent upon completion of the construction have to intimate the Municipality of the same in the prescribed proforma to facilitate the ULB to issue occupancy certificate and levy of PT. It was observed that there was no such arrangement indicating failure of the Municipality in enforcing the provisions laid down. Government have issued G.O.Ms.No.168 MA&UD(M) Department Dated 07.04.2012 and as per Rule 26(d) the rate of compounding fee shall be equivalent to 100% of the value of the land as fixed by the Registration Department at the time of compounding for the violated portion. As the files concerned were not produced to audit the observance of the rules issued in the said G.O by the ULB could not be checked in audit.

Further clause 'g' under Rule 26 of G.O.Ms.No.168 MA & UD (M) Dept. dated 07-04-2012 the functional/line agencies shall not give regular connections of power, water, sewerage etc., unless such occupancy certificate is produced or alternatively may charge three times the tariff till such time occupancy certificate is produced. It was noticed in audit that in most of the cases the said connections were given even without issuing the occupancy certificate and normal tariffs are charged.

Thus non production of building application files to audit would give scope for non detection of such irregularities which cause huge loss to the income of the ULBs.

NON-REMITTANCE OF EDUCATION CESS BY MUNICIPALITY - NEEDS ACTION

As per section 37 (1) of the Andhra Pradesh Education Act, 1982 any Municipal Council may, with the previous sanction of the Government, and shall if so directed by them, levy within its jurisdiction, taxes for the purposes of this Act, at such rates as may be considered necessary, as an addition to the taxation levied in the Municipality under the A.P. Municipalities Act, 1965 under the head of property tax or profession tax or under both these heads. Govt. of A.P. GAD (V&E) dept., vide alert note no.38, dated 14.3.05, directed the ULBs to remit the Education cess arrears to the Officers concerned.

It was observed that no amount was remitted to Education cess to the competent authority so far. Reasons if any were not explained to audit as to why the Education cess was not remitted to so far. Immediately the executive authority would need to take good steps to remit education cess at an early time.

REVENUE-REVISION PETITIONS-NON PRODUCTION OF FILES-NEEDS EARLY ACTION:

As verified from the Register of Revision Petitions for the year 2015-16, it is noticed that Revision Petitions were received during the year stating that tax was enhanced by the GVMC is abnormal and requested for reduction of the same w.r.t to the existing rules and actual measurements. Out of total Revision Petitions received have to be recorded in the relevant register i.e in the proforma prescribed vide Form-D (Register of Revision Petitions). But the same with connected register were not produced to audit except Zone-I, III & VI.

Out of total received files 121 files were not produced to audit by the Zonal authorities of Zone-I, III & VI as detailed below:

PROPERTY TAX-VERIFICATION OF MONTHLY LISTS-CONNECTED FILES WITH BUILDING APPLICATIONS AND ASSESSMENT MASTERS NOT PRODUCED -NEEDS ACTION:

Property tax of all assessments were fixed through MLs in respect of all the new and additional assessments etc., Elaborate procedure was prescribed to fix the property tax in Circular instructions issued in Cir.1 in Roc.No.11646/2006-F1-1 Dated 12-12-2006 of CDMA, AP, Hyderabad. The measurements entered in the MLs with regard to the buildings assessed by the Bill Collectors were to be verified by the RI/RO and finally approved by the Commissioner and orders to be passed accordingly.

During the course of audit on verification of Monthly Lists for the year 2015-16, it is noticed that 4067 monthly lists were taken to new demand by the revenue section regarding levy of property tax for new houses and revision of tax for certain under assessments during the year and levied property tax.

As per procedure every new assessment of monthly lists should be verified with reference to the Approved Building Applications obtained from town planning section and Assessment Masters available in online portal and correctness should be ascertained in audit.

In the absence of the BA files and assessment masters, the correctness of the penalty imposed, tax arrived could not be ascertained and certified in audit. Hence, action would need to be taken to produce the above records and loss caused if any in the matter would need to be calculated and recovered from the person or persons responsible and particulars produced to audit for verification.

REGISTER OF BUILDINGS EXEMPTED FROM THE PAYMENT OF PROPERTY TAX - NOT MAINTAINED AND PRODUCED-NEEDS ACTION:

The register of buildings exempted from payment of property tax during the year 2015-16 was not maintained and produced to audit for verification. In the absence of the same, it could not be ensured in audit whether such buildings were assessed to other taxes/charges such as water tax, drainage tax and primary service charges etc.

Early action would, therefore, need to be taken to get the register written up and maintained up to date.

PROPERTY TAX APPEALS - RECORDS NOT PRODUCED-NEEDS ACTION:

The appeals and connected files relating to property tax, in respect of all wards including appeals pending in courts were not produced to audit. In the absence of the same, the correctness of the assessments of the tax due to appeals could not be verified in audit. Due to non production of records in this regard, it could not be verified whether the ULB was collecting the admitted assessed tax or not. Hence, early action would need to be taken to produce the property tax appeals to audit for verification.

VACANCY REMISSION REGISTERS NOT PRODUCED-NEEDS ACTION:

During the course of audit, the register of vacancy remissions was not produced for verification in audit. In absence of the same, it could not be verified in audit whether the following conditions on which the remission of property tax can be granted were fulfilled.

- i) The building should be vacant and unlet for a considerable period of 36 or more days in the half year.
- ii) There should be a notice of vacancy from the owner either in that half year or in the proceeding half year indicating the period of vacancy.
- iii) There should be a demand for remission of tax either in that half year or in the succeeding half year.
- iv) The amount of remission shall be proportional to the period of vacancy and it shall not exceed half of the amount of tax.

Hence the above register would need to be written up and produced to audit early for verifying whether the above conditions were fulfilled.

REVENUE SECTION-PROPERTY TAX AND VACANT LAND TAX- DEMAND REGISTERS AND ARREAR DEMAND REGISTERS NOT MAINTAINED - NEEDS ACTION:

During the course of audit for the year 2015-16, on verification of Revenue Section, it was noticed that the Demand Registers and Arrear Demand Registers regarding Property Tax and Vacant Land Tax of all Zone was not maintained during the year. As per the online scrolls huge amount was collected towards PT & VLT. But accurate demand, collection and balances of PT & VLT were not arrived and certified by the competent authority.

As per the procedure the Demand registers should be updated from time to time duly recording the demand, collection, written-off, remission, and balances assessment wise and the changes like deletions and additions etc should be reflected in the demand registers. The page wise totals should be arrived and based on the page wise totals the final abstract for the financial year should be prepared and certified by the competent authority. Also the total no.of assessments and last assessment number should be certified by the competent authority.

Further, it is ascertained that the manual demand registers were completely dispensed on introduction of online system without having directions from the competent authority.

However, in view of non maintenance of Demand Registers and Arrear Demand Registers the correctness of the DCB of Taxes could not be ascertained in audit and steps taken to recover the arrears through Distract Prosecutions and filing suits as laid down under section 268 of HMC Act 1955 r/w Sec 7 of VMC Act 1979 appeared to have been taken to avoid loss to Municipal Funds could not be ascertained in audit. Due to non-maintenance of Arrear Demand Registers there is scope for misappropriations and defalcations of municipal funds. Further the amount involved in the Time Barred Taxes for the particular year also could not be arrived at as required under Section-671 of HMC Act 1955 r/w Sec 7 of VMC Act 1979.

Hence, action would need to be taken to update the Demand Registers and produced to audit for verification. The loss caused if any in the matter would need to be made good from the person or persons responsible.

INFORMATION NOT FURNISHED REGARDING PROPERTY TAX- NEEDS MAINTAINED

The Revenue Officer/Revenue Inspectors and the Bill Collectors shall in their capacities undertake field visits within their jurisdiction for detection of any un-authorized constructions and other properties which were yet to be identified and brought under the Property Tax net. The property tax shall be levied for every half year and it is the duty of the assesseees to pay it within 30 days after the commencement of each half year i.e. 30th April/31st of October. In this regard the records of such visits or any details of properties identified were not maintained in this municipality. Loss, if any sustained by the institution due to non-collection of tax within time specified as per Municipal Act, the Executive Authority will have to be held responsible.

LIBRARY CESS -NON REMITTANCE TO ZGS- CONNECTED DEMAND REGISTER NOT MAINTAINED - NEEDS ACTION:.

During the course of audit for the year 2015-16, as verified from the annual account and Cash Books with connected paid vouchers, it was observed that huge amount was collected towards property tax but Library Cess as a statutory remittance to ZGS not forthcoming to audit and demand register to that effect was also not maintained.

As per the existing rules Library Cess should be calculated @8 % on property Tax Collection. Out of the total amount worked out 15% of amount has to be utilized for improvement of Libraries in the Municipal

Corporation Jurisdiction and remaining 85% should be remitted to the Zilla Grandhalaya Samstha under the instructions issued in G.O.Ms.No: 87 MA,Dt: 25-1-2000.

The executive authority has to take necessary action for maintenance of Watch Register of Library Cess duly recording the particulars of the amount collected towards Library cess as a component of Property Tax, utilized in the Municipal Corporation Jurisdiction and remitted to the Zilla Grandhalaya Samstha etc., but such effort was not forthcoming to audit which required under circular RC. No.13888/2002-F1 Dt.14-08-2008, from the Commissioner & Director MA & UD Department and G.O.Ms. No: 68, Dt: 12-9-2007. Further no amount was remitted for the audit year i.e.2015-16.

In the absence of the same the correctness of the utilization and remittance of library cess could not be ascertained in audit.

Hence, action would need to be taken to remit the amount as per the government orders and remittance particulars may be furnished to audit for verification.

Information relating to Govt. Offices located in private buildings was not available to verify whether property Tax was levied as per the rents paid by Government offices to the building owners. A register containing Government offices located in private buildings should be maintained so as to verify whether Property Tax was being levied as per the rent paid by the Government Offices or not and in order to prevent leakage of revenue to the Council similarly a register containing Central and State Government Offices located in their own buildings also needs to be maintained so as to verify the correctness of levy of Property Tax as per rules relating to levy and collection of the P.T on Government buildings.

REGISTER OF REVENUE YIELDING PROPERTIES NOT MAINTAINED-NEEDS ACTION:

In order to guard any item of Municipal revenue being left out in the M.D.R., a register of Revenue yielding properties and other miscellaneous sources of revenue of the municipality will have to be maintained. It has to be ensured that all the items shown in this register with the exception of those that are managed departmentally are entered in the M.D.R. for watching the realization of the revenue due. The register also helps in watching the rise or fall of revenue over several years and also to make investigations, if necessary.

However, this important register was not maintained. As a result it could not be fully ascertained in audit, whether revenue from all sources was being recorded or there were any leakages. It could not be verified in audit, whether all the sources of revenue were included in the M.D.R. due to non-maintenance of the above register. Immediate action may be taken to maintain the register and produce the same to audit.

DATA BASE OF THE RECORDS OF TAXATION - EFFICENCY OF THE SOFTWARE :

During the course of audit, it was noticed that the Demand Registers (both current and arrear) of property tax and other tax and non tax revenues were maintained based on the computer generated data. Manual maintenance of the same was dispensed with though there were instructions to maintain the same. The actual demand for the current and arrear years was not certified by the competent authority and produced to audit.

Collection of property tax and other revenues is done in many ways like remittance in e-seva, by online remission, payment by way of Cheque or Demand Draft etc., from the tax payers. Whether the software takes care of various ways of collections of taxes was not explained to audit.

As seen from the Cheques received register, the corresponding credit entries in the Bank account could not be traced in audit and the amount realized in lump sum on a day is taken to receipt.

As seen from the Cash Book, the receipt side of the cash book was not at all maintained. Treasury adjustments, voucher adjustments etc., were not carried out.

Registers of appeals, revisions, mutations, writes off, remissions etc., were not maintained and produced to audit. Monthly lists of out door staff whether given effect, if so whether given effect promptly within the time or not were not borne by record and as no manual demand registers were maintained whether all such changes were effected in the demand or not could not be verified in audit.

In the absence of maintenance of subsidiary registers connected with levy, collection of property tax and other taxes and non taxes, the demand generated by the computer data base whether can be taken as authentic and certified demand or not, could not be decided in audit. The Executive Authority therefore would need to look in to the matter and test the efficacy of the software in place and furnish certified demand to audit so as to verify the same.

In case of all the new and additional assessments made during the financial year were entered in the e-Suvidha package and the special notices of demands fixed were obtained from the package and the same were said to have been issued through the bill collectors concerned to the property owners. But there was no assurance in audit that all the notices were issued in time by the bill collectors concerned. The special notice number and the date of issue had to be entered in the ML at Col.No.45 and 46 respectively but the details were not being entered in the MLs in majority of the cases. Further the revenue section of the ULB did not maintain the copies of the special notices obtained from the package. REGISTER OF LIBRARY CESS NOT MAINTAINED

As per G.O.Ms No 68 dt.12.9.2009, under Section 85(2) of the AP, Municipality Act read with Section 20 of Andhra Pradesh Libraries Act 1960, the Municipal Council is required to levy and collect the amount of Library Cess @ 8 paisa for every rupee on the property Tax collected and transfer the same to Zilla Grandhalaya Samstha (ZGS) concerned to provide library service to public. The register of library Cess was not maintained in this municipality. As such it could not be known how much the amount was pending to remit to ZGS towards library cess in audit. The executive authority would need to work out and arrive at the remitted Library Cess which was pending prior to 26-10-2009 and same would need to be remitted to ZGS early.

Government issued orders vide GO. No 122 Education (PE Prog.I), Dept Dt:26.10.2009 para 5 of (II) directing of Library Cess @ 8 percent on property tax collected, at e-seva center level and remit the same to City/Zilla Grandhalaya Samstha (ZGS) concerned through e-seva. However it was observed from the copies of statements furnished by Administrative Officer, e-seva Guntur that library cess was not collected at the rate prescribed by Government i.e @ 8 percent. The executive authorities would need to take good steps to collect library cess as per Government norms.

NON EXCHANGE OF INFORMATION BETWEEN TOWN PLANNING AND REVENUE SECTION:

The Revenue Wing of the Municipality did not have access to the Building Approvals plans from the town Planning wing as there was no system to furnish copies of approvals by the Town planning Wing to the Revenue Wing for monitoring of the buildings and assess it under PT in accordance with the details therein. The Revenue wing similarly did not follow the procedure to bring to the notice of the Town Planning Wing in respect of buildings that have been constructed unauthorized for taking further necessary action. Details of visits made by the Building inspectors for verification of the status of the buildings for which permissions were given were not forthcoming in audit. The U.C. Registers maintained showing the details of the notices given for the deviations noticed and the unauthorized constructions against which action was taken were not produced to assess the work of the town planning wing of the ULB.

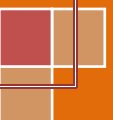

INCONSISTENCIES IN THE E-SUVIDHA/ONLINE PACKAGE RESULTING IN LOSS TO THE MUNICIPAL CORPORATION:

Certain inconsistencies were noticed in the e-Suvidha package during the course of audit which had a bearing on the correctness or otherwise of the PT fixed and collected accordingly. The package was not levying the deviation penalties even when there were deviations from permitted extent as per building permission. It only levied penalty for unauthorized construction penalty. There was no assurance in audit that the calculations of PT was correct in the system. The special notice generated by the package was being used and the copy of the same was not made available in audit. There was no assurance in audit that the three logins were not misused as it was noticed that the DEO was using all the three logins freely and there was no check on the use of the logins. There was no assurance in audit that the Special demand notice was compared properly before the facsimile of the Commissioner was appended.

PART-B: ZONAL AUDIT REPORTS(1 to 8)

SCOPE OF AUDIT –MAINTENANCE AND PRODUCTION OF VARIOUS VITAL AND IMPORTANT RECORDS:

During the course of audit for the year 2015-16, it is noticed that certain vital and important records were not maintained, if maintained also, they were partial. The non-maintenance and non-production of records and irregular maintenance of certain registers, nothing but opening of the doors for all sorts of irregularities such as misappropriations, defalcations and other major financial losses.

Further, it was observed that the manual records such as Demand Registers, Posting Registers etc., were dispensed with unilaterally without having instructions either from the Government or from the Director of Municipal Administration. Certain records were maintained partially in the system, which could not be verified at the end of transaction.

In the above circumstances, there is every possibility and scope for misappropriations, defalcations, and irregular draws as the maintenance of records is not comprehensive.

Subject to the above, the audit was conducted and the objections were raised based on the observations from the following Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned as detailed below:

a) Revenue Section:-

- ❖ ML Registers produced for wards 1,2 and 3 only. For wards 4,5,6 not produced and files for all wards not produced ster of Title Transfers were produced for verification.

TOWN PLANNING-BUILDING APPLICATION FEES – SMT. G.VARALAKSHMI AND OTHERS, PARADESIPALEM 4TH DIVISION – B A NO.13851/2015/ACP-I/2015-16 – SHORT COLLECTION OF LAND CONVERSION FEE-IRREGULAR-NEEDS RECOVERY: Rs.9,05,002/-

During the course of audit, it is noticed that Smt. G. Varalakshmi and others of Paradesipalem, Division 4, Madhurawada, Zone-I of GVMC,VSP has applied construction of tutorial cum service apartments vide B A No.13851/2015/ACP-I/2015-16 during the year 2015-16 as detailed below.

Total site are as per document :3844.52 sq.mts
Total site area as per ground :3543.55 sq.mts
Net site area :3543.55 sq.mts

As verifying from the building application file maintained by the GVMC, it is observed that, short amount was collected towards land conversion fee as against revised building permission rules issued in G.O.M.S.No.168, M&A Dept, Dt.7-4-2012 as detailed here under.

Total extent of site	3844.52 sq.mts Or 4598 sq.yards
NALA fee i.e., land conversion fee to be collected	10 % on basic value
Basic Value	Rs.10,000/- per Sq.Yard as per SRO value
Total basic value of the land	4598 x 10000=4,59,80,000
10% of basic value	45980000 x(10 / 100)=45,98,000
Therefore total amount to be collected towards land conversion	Rs.45,98,000/-
Amount Actually Collected	Rs.36,92,998/-
Short collection	Rs.9,05,002/-

As shown in the table, it is a violation of rules and loss of revenue to the Institution. Hence immediate action would need to be taken for realization of said amount from the person or persons are held responsible and made good to the GVMC funds under intimation to audit. Further it is also observed that the city infra fee and shelter fee were also not collected from the applicant as per G.O.M.S.No.168, M&A Dept, Dt.7-4-2012 on exceeding 3000 sq.mts of site. The same may also be realized.

TOWN PLANNING – SHORT COLLECTION OF BETTERMENT CHARGES ON CERTAIN BUILDING APPLICATIONS –LOSS- NEEDS RECOVERY: Rs.7,91,200/-

During the course of audit of G.V.M.C for the year 2015-16, as verified from the Building Applications Register it is noticed that an amount of **Rs.7,91,200/-** was short collected towards Betterment Charges under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

The application received along with prescribed fee has to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation.

As per the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010 the Corporation has to collect the Betterment Charges as follows:

All Residential Buildings: @ Rs.200/-per Sq.Mt of site area

All Non-Residential Buildings: @ Rs.250/-per Sq.Mt of site area

But on cross verification of the Building Applications Register with the connected application files and gazette notification short collection made for amounting **Rs.7,91,200/-** as detailed below in the following Annexure.

S.No	BA No.	W.No.	Purpose	Betterment Charges			
				Site Area	Demand	Collected	Short

TOWN PLANNING-CONSTRUCTION OF STILT +G.F+3 FLOORS (3RD FLOOR TDR) FOR RESIDENTIAL USE-SRI BEHARA KANNU , RAMAKRISHNANAGAR, WARD NO.5, B.A.NO./13438/2015/ACP-I/2-2016 - SHORT CALCULATION OF TDR CERTIFICATE EXPORT VALUE - IRREGULAR-NEEDS RECOVERY OF RS.10,410/-

During the course of audit it is noticed that Sri Behara Kanny, Ramakrishnanagar, Shipyard lay out , Madhurawada, ward no.5 has applied building permission vide B.A.No.13438/2015/ACP-I/2-2016 for construction of stilt + G.F+3 floors(3rd floor TDR) for residential use as per the condition laid down in G.O.M.S.No.168/ MA /Dt.7.4.2012 as detailed hereunder.

- I. Total site area as per document -222.83 sq.mts
Total site area as per ground - 222.83 sq.mts
Net site area -222.83 sq.mts
 - II. Plinth area
Ground floor -135.83 sq.mts
First floor -135.83 sq.mts
Second floor -135.83 sq.mts
Third floor -135.83 sq.mts (TDR floor)
-
- Total - 543.32 sq.mts

As verified from the file , it is observed that third floor was proposed for construction under TDR norms with an extent of 135.83 sq.mts or 162.45 sq.yards while construction of building basing on the TDR certificate values the import value and export value must be equal. But in this case both are not equal . Consequently, Rs.10410/- worth of export certificate value was shortly realised towards TDR certificate value as detailed hereunder.

- I. Import value (proposed construction area, Madhurawada)
Market Value: Rs.15000/- per sq.y as per SRO value
Total import value: 164.45x15000=Rs.24,36,750/-
- II. Export Value
Area at TDR certificate issued at Kancharapalem
 1. Market value as per SRO: Rs.42000/- per sq.y
 2. (a) Details of TDR certificate : 1) vide RC.No.287/2010/ ACP-IV,Dt.25-10-2013 vide G.O.M.S.No.168,MA,Dt.7.4.2012 under road widening programme at Kancharapalem , Ward NO.36. TDR certificate value is 36.52 sq.yards
(b) Vide Rc.No.287/2010/ ACP-IV/21-12-2012 as per the revised building rules vide G.O.M.S.No.168, MA, Dt.7.4.2012 under road widening programme at Kancharapalem ward no.36. TDR certificate value is 21.25 sq.yards

Details of total export value

 - i) 36.52 sq.y x 42000= Rs.15,33,840/-
But shown as Rs.15,43,840/-
 - ii) 21.25 sq.y x 42000 = Rs.8,92,500/-

Total : Rs.24,26,340/-
(But erroneously shown in file as Rs.24,36,340/- instead of Rs.24,26,340/-)

Details of short realisation of export value

Total import value is Rs.24,36,750/-
Total export value is Rs.24,26,340/-

Short realisation of export value Rs.10410/-

As per the above information it is clearly shown that the G.V.M.C officials have realised TDR certificate value worth of Rs.10410/- towards export value under TDR scheme less than the import value which is highly irregular and loss of revenue to the institution and violation of TDR guidelines issued as per the provisions of revised building rules vide G.O.M.S.No.168, MA,Dt.7-4-2012.

Hence necessary administrative steps would need to be taken for realisation of said amount i.e, Rs.10,410/- from the person or persons are held responsible and made good to the G.V.M.C funds under intimation to audit.

Total				Rs.2549090/-	Rs.323960/-	Rs.2225130/-	

From the above information it is noticed that an amount of Rs.323960/- was collected towards 14% open space charges from 4 applicants. There is scope for increase of amount in remaining applications which were not produced to audit.

It is the duty of the officials concerned to watch the fulfillment of specified requirements before releasing mortgaged amount/open space and issue of occupancy certificate etc., but in many cases occupancy certificates were issued, open space amount was released, mortgaged open space was handed over to the applicants without observing prefixed conditions i.e formation of BT approach road by the party etc., which is irregular.

Hence, action would need to be taken to watch the procedure hereafter while releasing amount and issuing of occupancy certificates.

**REVENUE-M.D.R-RENTS OF SHOP ROOMS AND OTHER ASSETS -
BALANCES TO BE COLLECTED - NEEDS EARLY ACTION: Rs.173540-00**

As verified from the statements furnished related to miscellaneous receipt for the year 2015-16, it is noticed that an amount of Rs.173540.00 was shown as balances to be collected towards lease amounts of shopping complex and other assets detailed in the following annexure.

Though the shops were lased out on monthly rent basis, many of the lessees are not paying the rent regularly and the rent was in arrears for long time. But, no action was initiated by the concerned authorities, to vacate the default lessees, otherwise to collect the balances.

However, non-realization of dues causes' loss to the revenue of the institution hampers the developmental activities.

Hence, necessary action would need to be taken to realize the balance amounts at an early date and loss caused if any in the matter would need to be taken to be made good from the person or persons responsible and credited to GVMC Funds.

**REVENUE-M.D.R-NON MAINTENANCE OF MDR AND OTHER

As per procedure the above receipt should be supported by Miscellaneous Demand Register, Miscellaneous receipts and lease files etc., and same shall be furnished to audit for verification of the correctness of the receipt. But connected Miscellaneous Demand Register was not written up and produced to audit which is highly irregular. Further, it is noticed that miscellaneous receipts connected with collected amount and lease files also not made available to audit.

In view of the above irregularities the correctness of the demand fixed, amount realized and balance to be collected etc., could not be ascertained and certified in audit.

Hence, action would need to be taken to written up the register i.e MDR and produced to audit long with lease files and MRs and loss caused in this regard if any would need to be made good from the person or persons responsible and fact intimated to audit.

Though the shops were lased out on monthly rent basis, many of the lessees are not paying the rent regularly and the rent was in arrears for long time. But, no action was initiated by the concerned authorities, to vacate the default lessees, otherwise to collect the balances.

However, non-realisation of dues causes' loss to the revenue of the institution hampers the developmental activities.

Hence, necessary action would need to be taken to realize the balance amounts at an early date and loss caused if any in the matter would need to be taken to be made good from the person or pesons responsible and credited to GVMC Funds.

PUBLIC HEALTH-D&O TRADES – D&O TRADE LICENSE FEE- NOT COLLECTED FULLY-NEEDS EARLY ACTION:

RS.966974/-

Under the provision contained in part 1 of scheduled to the section 52(1) of HMC act-1955, the license fee should be levied under D&O Trades specified in gazette notification no.61/2008 dated 16-9-2008 which was accorded sanctioned by the council of GVMC wide resolution No.114/2008 dated 28-7-2008 / 29-7-2008. As verified from the DCB of D&O Trades license fee downloaded from online portal, it is noticed that the amount of Rs.966974/- was pending realization detailed below:

Ward no.	Total license keys	Demand	Collection	Balance	percentage
1.	395	314781	197432	117349	62.72

Total	3260	2966240	1999266	966974	67.4

Hence immediate action would need to be taken for realization of said amounts from the license holders and remitted to GVMC Funds under intimation to audit.

As verified from the computer generated DCB statement pertaining to D&O Trade license fee, it was observed that there are number of traders who have not paid the trade license fee for the years together. The arrear DCB of trade license fee was not prepared and furnished to audit. Hence the balance which has been kept pending under arrear trade licenses fee are not known. The public health section is not maintaining manual registers and other records regarding trade licenses fee, there is no proper check on new license as issued. Old licenses renewed etc. The public health section is not collecting other requirements for the issue of trade license with application form viz., NOC from neighbors, property tax receipts Aadhar/voter ID, VAT registration certificate, etc. Adequate records are not being maintained by the public health section of GVMC. Therefore, it is difficult to ascertain the loss of revenue due to nonrenewal of license fee or non payment of license fee by new establishment. There are no checks on amount dues to the corporation. As such huge amounts are to be collected at the end of the year 2015-2016.

PUBLIC HEALTH – D&O TRADE LICENSE FEE- DEFECTS IN ON LINE DATA LEADS TO SHORT FIXATION OF DEMAND – NEEDS REVIEW AND REVISION OF LICENSE FEE:

Under provision contained in part – 1 of schedule to the section 52(10 of HMC Act 1995, the license fee should be levied under D&O Trades as per the rates specified in Gazette notification No. 61/ 2008 dt. 16-9-2008 which was accorded sanction by the Council of GVMC vide resolution No. 114/ 2008, dt. 28-7-2008.

However, the demand of 50% trade licenses in the categories of Kirana bangle shop, pan shops Audio – Recording centres, wholesale etc, were verified with reference to the approved Gazette rates for verification of correctness of demand fixed the following defects were noticed .

a). In many cases demand was fixed but nature of trade was not recorded as detailed in the **Statement enclosed.**

b). As per the provision laid down in the approved gazette penalty should be collected @ 25% for late payments upto 60 days and @ 50% beyond 60 days. But late fee/ penalty not collected on collection of arrears which constitutes loss.

c). Nature of trade no recorded relevantly and house demand not fixed exactly most of the cases were recorded as Audio recording centre, whole sale, retail in many of cases in Ward No.1 STD & Local Calls in Ward No.2 Retail only Ward No.1 as over 10 to 100 Sq.Mts it is not related to actual trade shown in the address entry of the trader.

d). Particulars of capacity / specifications of the trades as specified in the Gazette notification were not recorded in the demand registers.

e). Files related to fixation of trade license fee were not made available to audit.

f). Resolutions for deletions made during the year also not furnished to audit.

g). Demand registers and Arrear Demand registers not maintained etc.,

However, in view of the above defects the correctness of the demand fixed could not be ascertained and certified in audit and the amount involved in the time barred taxes for the Particulars year could not be arrived at as per sec-671 of HMC Act 1995 r/w sec 7 of VMC Act 1979. Due to non – maintenance of arrear demand register it is difficult to initiate action like recovery through district prosecution and filing suits as laid down under section 268 of HMC Act 1955 r/w sec 7 of VMC act 1979.

Hence, action would need to be taken to review the entire demand duly uploading correct information to arrive at correct demand and loss causes in this regard if any would need to be made good from the person or persons responsible in addition to taking disciplinary action.

Similar cases if any come to light in other zones and in other files / records which were not produced to audit loss sustained would need to be made good from the person or persons responsible and fact reported to audit for verification.

As per the above statement, it is observed that the disbursement of pension amounts were shown at NTR Bharosa online sheet is more than the G.V.M.C manual records in some months of 4/2015 & 5/2015 and less than the manual records in some of the months i.e, 10/2015,11/2015,12/2015,1/2016,2/2016,3/2016 which is irregular.

The reasons for such variations were not made available to audit. Due to above variations the correctness of disbursement of pensions could not be certified in audit. As such, the above variations would need to be reconciled under intimation to audit. In this regard, funds if any misutilised /misappropriated, the concerned person/persons are held responsible.

Further the following records were also not produced to audit for verification for the year 2015-16 even though half margin letter was issued to the concerned responsible person.

- 1) UCD cash book
- 2) UCD pass book
- 3) UCD cheque book
- 4) List of the beneficiaries under various SSP i.e, OAP/widow /physically challenged ward wise
- 5) List of other schemes implemented under 'UCD section' ward wise details
- 6) List of beneficiaries community wise/ward wise/scheme wise and relevant records
- 7) Scheme wise releasing particulars, disbursement/undisbursed with acquittance
- 8) Details of manual particulars and online particulars pertaining to various pensions schemes /other schemes at Zonal level
- 9) Other expenditure if any incurred at Zonal level in respect of UCD scheme

But the G.V.M.C officials have failed to furnish the above information to audit which is a violation of financial rules. In this regard funds if any misutilised /misappropriated the concerned person /persons are held responsible.

Hence necessary administrative steps would need to be taken for production of records to audit for verification.

REVENUE SECTION-TITLE TRANSFER CHARGES – INVOLVEMENT OF DOUBLE TRANSACTION – SHORT COLLECTION – LOSS: **RS 133000.00**

On verification of Title Transfer files for the year 2015-16, it is noticed that an amount of Rs. 133000.00 was collected in short to the collections actually to be made. According to the municipal corporation resolutions, the Title Transfer fee for each transaction is to be collected at the rate of Rs 1000.00 for each Rs 1000000.00 value of the asset. For the applications come after two or three transactions of Title Transfers involved, the title transfer fee is to be collected for each transaction separately before effecting the mutation in the revenue records. But in the following cases of Title Transfers, despite involvement of two or more transactions, the fee was collected for the final transaction only. According to the house tax receipt enclosed to the application, the Tax assessment was in the name of owners prior to the present transferor or to the past previous transferor. Hence the mutation in the revenue records is to be made from previous owner to the present transferor and from there to the present transferee ie applicant. Hence as two transactions involved in it, two times of the Title transfer fee is to be collected. As it was not done and the fee collection was confined to only one transaction, the municipality sustained a loss to that effect as shown below.

REVENUE SECTION – V L T NOT ASSESSED – LOSS: **RS 400080.00**

T P No 123/15/A2 (RC No 968/15/A2)

In the above T P application, the G V M C affected the change in the property Tax records of the tax payer Sri B umamaheswari and to that effect Rs 6000.00 was collected as mutation charges. According to the document that was enclosed to the T T P application, the property came to the applicant as of his ancestral share. The partition of property among the three brothers was executed by their mother through the will. The brothers got the property for an extent of 333.4 Sq yards each and the eldest among them got the site along with the house of two floors on that site. This property now was transferred from the eldest brother Sri B Manikya Rao to Sri B Umamaheswar Kumar. The property tax receipts of the two assessments ie 100003/71680 and 50202 are of the afore said houses. Hence the remaining two properties of 333.4 Sq Yards each are of vacant sites. Hence before the mutation of the present application is accorded, the remaining vacant sites also under section 212 of Hyderabad Municipal Corporation Act 1955 are to be assessed for the vacant land tax. But without insisting for the assessment of vacant land tax, the mutation was approved. Consequentially the municipality sustained a loss of Rs 400080.00 on account of evasion of vacant land tax as shown below. Hence action is need to be taken to get the properties charged with the vacant land tax and recovered the loss sustained to the municipality so far now from the persons responsible.

Under measurements – under valuation – consequential under calculation of T T P fee – loss: Rs. 8000.00

According to the G V M C rules, the Title transfer fee is to be collected as Rs 1000.00 for each Rs 1000000.00 value of the property claimed for mutation of title in its revenue records. The property valuation is to be done mainly on the basis of plinth areas and the present market values of property fixed by registration department. But in the following T T P applications, the plinth areas of the properties recorded in registered documents were found different from the plinth areas in the online records of concerned property tax assessments. The plinth areas were taken as less than the actual measurements existed in the property tax assessment records in order to under rate the property value for registration. The under valuation of the property affects not only the stamp duty for registration department but also the G V M C by collection of T T P fee in less amounts than the amounts needs collection. But the G V M C, while calculating the property values, depended completely on the plinth areas mentioned in the registered documents instead of going through its own records of revenue section. Due to restricting itself to the registered documents for valuation of properties for T T P fee collection, the G V M C sustained a huge loss on account of under valuation of properties as shown below. Hence action is need to be taken to get the measurements of properties in its revenue records taken for calculation of property values and the difference of amounts in between the T T P Fee that was liable to be collected and the T T P fee that was collected on the basis of property values in registered documents, recovered from the persons responsible.

REVENUE-T T P – UNDER ASSESSMENT OF PROPERTY TAX – DUE TO OMISSION OF FIST FLOOR – LOSS OF REVENUE RS 16842.00:

T T P No 122/15/A2(R C NO 301/15/A2)

Owner ; K Nagesh Kumar-Assessment No 46500/131

On verification of the above file registered for mutation of Property Tax in the revenue records for the year 2015-16, it is noticed that the plinth areas of the building were recorded less than the plinth areas recorded in the document. As per the document, the building consists of two floors with a plinth area of 83.61 SQ Mts each. But as per the online data of Revenue section, the building is with one floor only. Its plinth area was recorded as 111.6 Sq Mts and to that effect the tax was fixed at Rs 2807.00 per half year. Hence there were differences in between the plinth areas and in the number of floors also. Despite these differences, the title transfer was effected with out revision of tax by taking the fist floor in to account for taxation. Hence as of its consequence the municipality sustained a loss at the rate of Rs 2807.00.00 per half year. Thereby the loss that accrued to the municipal corporation during the period of preceding three years was Rs 16842.00. Hence action is need to be taken to get the tax revised and the loss sustained so far is need to be recovered from the person or persons responsible.

REVENUE-PROPERTY TAX FIXATION WITH UNDER VALUES OF MEASUREMENTS – CONSEQUENTIAL LOSS RS 96624.00

In the following Title Transfer Applications approved for mutation in property tax records for the year 2015-16, it is noticed that the measurement values of the property are different from registered document to online data. The plinth areas of the property in online data of revenue section are considerably less than the plinth areas in the registered documents. But the tax was not revised as per the plinth areas in the document before the mutation effected in property tax records which ultimately resulted in loss of revenue to institution on account of under assessment of property tax. Hence action is need to be taken to get the tax revised and the loss that recurred up to now from the beginning the under assessment took place is to be recovered from the person or persons responsible.

REVENUE-SHORT COLLECTION OF TITLE TRANSFER FEE – LOSS:

Rs 5000.00:

In the following applications for Title Transfer approved during the year 2015-16, the T T P fee was collected in short of the amount that liable to be collected. Hence the Municipality sustained a loss of Rs 5000.00 on account of under fixation of Title Transfer fee. According to the G V M C Rules, the Title transfer fee is to be collected at the rate of Rs 1000.00 each for the property cost of every Rs 1000000.00 and below and for the fraction above Rs 1000000.00 another Rs 1000.00 is to be collected as title transfer fee. Despite the clear instructions, the fee was collected in the amounts less than the fee liable to be collected. As of its consequence the G V M C sustained a loss as shown below.

In following applications of T T P approved during the year 2015-16, it is noticed that the V L T was not fixed on the lands beyond the limits of appurtenance to the buildings which ultimately resulted in loss of revenue to the G V M C. according to the section 212 of Hyderabad Municipal corporation Act 1955, the areas in excess of the appurtenance limits of the building, the V L T shall be levied thereon in accordance with the V L T percentages fixed by the government. According to the Gazette of the G V M C, the V L T shall be fixed at the rate of 0.5% of the capital value of the property. As it was not observed while Title transfer files were processed, the G V M C sustained a loss of Rs 366282.00 as shown below on account of omission of V L Ts. Name of the transferee: P V Satya Kumari.

On verification of the title transfer file for the year 2015-16, it is noticed that the mutation was approved without revision of property tax despite vast variations in plinth areas and number of floors in between the registered document and online revenue data. The concerned revenue inspector also revealed in his remarks recorded by him about the differences in measurements of the building. But the tax was not revised and the entire stilt and third floors were left untaxed as shown below. Thereby G V M C sustained a loss of revenue on account of omission of third floor from taxation. According to the section 88, the stilt floor or the third floor was not specified in the list of exemptions granted by government or by council either. Hence the omission of stilt and third floor is not in order and needs revision of existing tax. Hence action is needed to be taken to get the tax revised in accordance with the plinth areas of the building on the ground and the loss sustained so far is needed to be recovered from the person or persons responsible.

T T P NO 220/15/A2 (RC NO 1256/15/A2-Owner – Inturi manoranjani.)

In the above application for title transfer, the claim for title transfer was approved without revision of existing property tax. While processing the application, the revenue inspector concerned submitted his remarks that the measurements were deviation from the measurements of building in online data of property tax as shown below. But the property tax was not revised in accordance with the measurements recorded in his remarks. Consequently the property tax was fixed at fewer values than the actual tax that was liable to be fixed. As the under taxation has been continued for many years the municipality sustained a huge loss of revenue to the institution. Hence action is needed to be taken to get the loss recovered from the persons responsible besides getting the tax revised as shown below.

In the above application for title transfer, the records were mutated without collection of Vacant land Tax despite the site was registered as vacant site. As per document the site was registered to the applicant as

vacant site arrived after removal of existing building. As the registration was as vacant site, the V L T is to collected from the applicant before title transfer was affected in the revenue records. But with the old assessment number of removed building, the site was taken as constructed and confined to house tax which is far less than the vacant land tax. Hence a loss of Rs 360000.00 was sustained to the institution on account of evasion of VLT. Hence action is needed to be taken to get the loss recovered from the person or persons responsible.

On verification of the title transfer files for the year 2015-16 it is noticed that despite the deviations found in between the plinth areas of building plan and plinth areas recorded in online data of revenue section or constructed without plan, the property tax was not revised and the penalty was not imposed. According to the Act No 15 of 2013 the penalty from 25% to 100% is to be imposed on the buildings violated the rules such as deviation from plan or constructed without sanctioned plan. In the following instances, no surcharge on tax was imposed despite deviations from sanctioned plan or without plan was found on the ground. Hence the municipal corporation with indulgent approach towards violators sustained a huge loss on account of left the violators scot-free. Therefore action is needed to be taken for revision of tax by imposing surcharge on tax and for recovery of loss from the persons responsible.

REVENUE-COLLECTIONS BY CHEQUES – RETURNING – PUNITIVE ACTION – NOT TAKEN-IRREGULAR:

On verification of soukaryam center at Zone II office, it is noticed that the collection of taxes and other fee were made through the soukaryam centers. The collections were made in three ways i.e. cash, cheques and Demand drafts. But the cheque collections were frequently cancelled due to bouncing of cheques. When the cheques are cancelled due to bouncing with insufficient balances in the account, the persons concerned to those cheques should be made liable for punitive action because it caused much inconvenience to the GVMC not only in accounting procedure to be followed for affecting the cancellation but also in achieving targets of collections within the time scheduled. Issuing cheques with insufficient balance in the bank account is an offense and it is more serious particularly in the case of government institutions. But the GVMC, for no apparent reason, remained mute in this case by simply affecting the cancellation entry in online account. Hence action is needed to be taken to take the penal actions on the persons whose cheques were bounced to control such incidence of cancellation entries as to make in all relevant ledgers. Few instances were given below for elucidation.

SOUKARYAM – REMITTANCES IN EXCESS OR IN LESS – IRREGULAR:

In the following cases of remittances made by soukaryam centers it is noticed that the remittances, though in few instances, were made either in excess or in less than the collections made in that center. As per rules of soukaryam centers the collections of day should be remitted in full into bank account of the G V MC either on that day or on the following day. But in these cases the rules was violated because the collections were remitted in short of certain amount in certain cases and more in certain other instances. Though the mistakes were set right in the following days transactions, as per rules in force, both the ways of remittances such as in excess and in short is irregular and it reflects the inaccuracy in accounts and insincerity in discharging the responsibilities. Hence action is needed to be taken to get the matter inquired and followed by a penal action to prevent recurrence of such discrepancies in future.

REVENUE-COLLECTIONS IN SOUKARYAM CENTER AND CANCELLED LATER – CONTRA ENTRY NOT FOUND: RS 20750.00

On verification of soukaryam center Zone II of G V MC for the year 2015-16, it is noticed that some transactions were carried and cancelled later as shown below without assigning any reason noted on the records. Allowing cancellations without approval of higher authorities is irregular and sometimes fraught with the danger discrepancies between the collection and remittances. In addition to that the cancellation should have equal effect in the concerned head of account by making contra entries. But no such entries were in evidence against the following cases of receipt. Hence action is needed to be taken to get the entries recorded and the recoveries should be affected if any cancellations went unnoticed against the interests of institution.

REVENUE-TRANSFER OF LEASE RIGHTS – TAKES NO EFFECT IN D C B –DEMAND UNREALISTIC – IRREGULAR:

As seen from the proceedings of the commissioner RC.No.376/2014/A2/Zone II dt 24/9/2014, the following shops were re-auctioned and transferred to the highest bidders. The shops were also occupied by the new tenants but the transfer not affected in the concerned DCB against the names of previous lease holders. By the time the shops were transferred to new lease holders, the rents in heavy amounts remained due against the names of previous lease holders in D C B. since the lease rights were transferred to other persons, the arrears of rents that stood against their names at the time of termination of lease rights are to be continued till the clearance in to along with the penalties that accrues every year on the arrear amounts. But instead of containing the arrears to that period with the continuous calculation of penalties that accrues thereon, the rents of further months even after termination of lease rights are being included in the D C B. hence the D C B erroneous of some of these tenants as detailed under.

REVENUE-LEASES – RENTS NOT RENEWED – LOSS:

On verification of shop room rents of the G V M C Zone II for the year 2015-2016, the shops leases periods are expired either by 2012 or by 2013. But the leases of the same tenants have been continued without renewal and revision of rents. According to the gazette of G V M C, the shop leases are to be renewed for every three years either by enhancement of rents by 33% of existing rents, 10% of the market value or the prevailing rents in the vicinity whichever is higher is to be fixed. But the leases were continued for further years without renewal for the existing rents whereby the G V M C sustained a huge loss of funds on account of collection of rents at under rates. Hence action is needed to be taken to get the leases renewed promptly for every three years scrupulously and the loss already sustained may be recovered from the person or persons responsible.

REVENUE-RENEWAL OF LEASES – WITHOUT COLLECTION OF DEPOSITS AND OTHER FEE: RS 3583744.00

On verification of the lease proceedings of the following shops, it is noticed that the leases were regularized for further three years but the lease conditions like collection of four months rent in advance as deposit, caution deposit and stamp duty. According to the lease condition no 12(b) of the gazette No 19/2015 of the G V M C, the lease rights are to be handed over only after payment of above deposits and after getting an agreement registered. Hence as the leases were allowed to be enjoyed without agreement and collection of deposits, the leases were devoid of legal entity and derived a huge loss on account of non- collection of deposits and other fees. Hence action is need to be taken to get the leases cancelled and the loss the institution sustained due to non- collection of deposits and other fees be recovered from the person or persons responsible on account of failure in discharging their duties.

REVENUE-LEASES -CONTINUATION OF LEASES DESPITE THE DUES IN HUGE AMOUNTS - INACTION OF AUTHORITIES - LOSS: RS 5504189.00

On verification of the demand of the shop leases for the year 2015-16, it is noticed that the shop leases were continued despite the rents pending in huge amounts. The rents of the shops were renewed in R C no 48/97/A7/Zone II Dt 28/8/2015 with retrospective effect and continued the leases without insisting for the rents dues. Despite huge amounts are standing against the tenants as dues for a long time, the leases were continued without demur for the failure in payment of rents. According to the condition No 7(V) of the Gazettee No 19/2015, if the 435ease fails in remitting the rent regularly, the lease rights stands automatically cancelled after completion of 60 days from the date of payment of last monthly rent. Despite the condition is vary vivid about the consequences of irregular payment of rents, the institution, due inaction, sustained a loss of Rs.5504189.00 as shown below. Hence action is need to be taken to get the rents recovered and the renewals of such tenants that failed in regular remittance of rents should not be allowed in future.

REVENUE-RENEWAL OF LEASES – WITH REVISION OF RENTS – THE DIFFERENCE AMOUNTS – REMITTANCE THROUGH CHEQUES – NOT REALIZED SO FAR – LOSS: RS.643840.00

The rents of the following shops of G V M C Zone II were renewed with revision of rents as per G O M S No 58 with retrospective effect. As the existing rents were collected up to the revision, the difference of rents in between the revised and existing rents paid so far by the time of revision was shown to have been collected in the online demand against the concerned shops through the cheques. But as per the online data, the remittances were still shown as in the state of cheques for realization. Unless the cheques are realized into cash, the remittances do nothing except reducing the demand of dues stand against the leases and thereby the institution sustains huge loss on account of unrealized or bounced cheques. As the remittance particulars were not recorded anywhere except in the online data, it is not sure in the audit that whether the difference amounts were subsequently realized or remained dues in reality. Hence action is need to be taken to get the information of the cheques realization produced to the audit with relevant documents and loss if any sustained due to reduction of dues without realization of cheques, that would need to be recovered from the person or persons responsible.

REVENUE-VACANT LAND TAX – STANDS DUE FOR COLLECTION – EFFECTS ZERO IN D C B- LOSS: Rs.436920.00

On the verification of the following assessment numbers of vacant land taxes assessed during the year 2015-16 it is noticed that the vacant land tax of the subsequent years ie from 2016-17 to 2017-18 was due for collection from the owner of the land. According to the payments information of vacant land tax in online data, the vacant land tax was paid for the year 2015-16 only. But for the years proceeded so far by the time of audit, the vacant land tax was not collected. But the tax dues were shown in the D C B as Zero. According to

section 199(3) of G H M C Act, the vacant land tax is to be collected till the building construction is completed and the occupancy certificate is issued. But no such information about completion or occupation of the building constructed thereon was in evidence in any record. Hence it reflects that the building construction is still not completed and site is liable for collection vacant land tax. But by infringing the above rule, the arrears of vacant land tax against to the assessment numbers were excluded from the demand list of vacant land tax. Thereby the institution sustained a loss of Rs. 436920.00 on account of omission of taxes from arrear demand of vacant land tax.

REVENUE- V L T ASSESSMENTS - HOUSE TAX ASSESSED WITHOUT CLEARANCE OF VACANT LAND TAX - LOSS: RS.4528012.00

During the year under audit, the following assessments of vacant land tax were made while the owners of the sites applied for building permissions. According to the government memo No 15114/ m1/2013 DT 15/2/2014 of Municipal and Administration Department, the vacant land tax is to be assessed for one year in lieu of three years at the time of filing application for the building permission. But the vacant land tax is to be collected for the further years till the building is occupied and property tax is assessed. But the property taxes are assessed without collecting the V L T pending up to that period and continued as arrears in the demand registers for recording sake. Once the property taxes assessed, the V L T arrears assumes no attention either of the site owners or of the institution and that may run into oblivion after lapse of some time. Hence action is need to be taken to get the V L T arrears cleared before the property taxes are assessed of the properties built on those sites. The list of the V L T arrears of the Vacant land taxes assessed during the year 2015-16 are given below for the elucidation of the way in which those were left uncollected.

REVENUE-REMOVAL OF BUILDING – NON-CONVERSION OF PROPERTY TAX –LOSS: RS 5184.00

According to the title transfer of file no 101/2015/A7/Zone II the title of property was transferred from K Manikyam to K Balakrishna as the property on the site was a building. The old assessment No of the property was 32000/2043 and it was subsequently changed as No 1086142300. The property tax of the building was Rs 2296.00 per year. But as per registered document No 1427/2010 of SRO, VSP, the property was a vacant site arose after removal of A C Sheet shed existed thereon in the year 2010. But the property tax was not converted to vacant land tax and continued up to the present application made for title transfer. Due to non-conversion of property tax into vacant land tax, the institution sustained a loss of Rs 5184.00 for the past six year since the vacant land tax to be imposed is much more than the property tax that had been collected till now. Hence action is needed to be taken to make good the loss sustained up to the year 2015-16.

REVENUE- DELAY IN RENEWAL OF SHOP LEASES – CONSEQUENTIAL LOSS: Rs 1625106.00

For a shop in sheethammadhara shopping complex, the maximum period of lease extension was completed by the month of 2/2015. According G O M S NO 56MA&UD (J1) Dept dt 5/2/2011 the properties are to put for open auction to sell the lease rights. But the in the instant case, the auction was conducted on 25/11/2015 and the lease rights were given to new tenant from 3/2016 with a delay of 12 months in between the schedule and the auction actually conducted. In the fresh auction the lease went for substantially higher rents than the existing rent. Till the rights were transferred to new tenant, the old tenant was continued for the old rent of Rs 4801.00. Therefore it is obvious that had the executing authorities conducted the auction at the right time, the institution would have fetched the higher rents from 3/2015. But as the authorities failed in discharging their duties within the time scheduled, the G V M C sustained a substantial of the difference in between the old and new rents for each month on account of delay in conducting the auction in time. Therefore action is needed to be taken to get the loss made good from the sources responsible.

REVENUE-CONTINUATION OF LEASE – AFTER 25 YEARS – IRREGULAR – CONSEQUENTIAL LOSS: Rs.508776.00

Shop Number 25A-213-009 was continued with the old tenant for Rs 4801.00 as monthly rent. As the lease period was extended periodically from time to time of three year and as the lease was held by the same person for 25 years, the lease rights are to be put for auction a fresh on 1/2/2015. But the auctions were conducted with huge delay on 24/11/2015 through proceedings R C NO 3093/2015/A7/Zone II Dt 3/3/2016. The lease rights went in auction for a rent of Rs 26000.00 per month. But the auction was cancelled as the highest bidder refused to hold the rights. As penalty for that his EMD Rs 55000.00 was said to have been forfeited but remittance details were not furnished to audit. Later the auction was re-conducted on

11/2/16 and lease rights went to Sri Sri P Paramesh for a rent of Rs 26000.00 per month. But it was also cancelled due to the reasons not known and orders for re-auction were issued on 4/7/2016 vide proceedings Rc No 3093/2015/A7/Zonell. But the still the old tenant was continued for the old rent of Rs 4801.00 which constituted a huge loss of Rs as shown below.

REVENUE-SHOPS – SUB-LEASING – NO ACTION TAKEN – IRREGULAR: Rs.107240.00

The following shops were leased for rent and continued from 1/7/2009 with a least amounts of rents. According to the Gazettee notification No 19/2015 of G V MC, the shop leases are to be renewed for every three years as per the three procedures laid down by the government vide G O M S No 56 /2011. But the lease amounts were not revised since 2009. As the lease amounts were not revised in accordance with the market prices, the rents have become less than the rents prevailing in the market and become advantageous to the tenants to fetch undue money from the ULB properties by sub-leasing the shops for higher rents. The inaction of the authorities in renewing the leases in accordance with market prevailing caused much loss to the institution. Despite the complaints came from various sources about the sub-leases, the authorities paid nothing in that regard but issuing a notice to the tenants. According to the gazette notification special rule no 18, the 439isak should obtain the prior permission from the standing committee to sub-lease the shop to others and the sublease shall pay 10 months rents as surcharge. But the authorities have not followed the procedure and on that account the G V M C sustained a loss of Rs . hence action is need to be taken to get the loss recovered from the person responsible.

REVENUE-LEASES – SHOPS – RIGHTS TRANSFERRED – BUT NOT EFFECTED IN D C B – NEEDS IMMEDIATE ACTION:

The following shops leases were cancelled due to defaulting in payment of rents and the arrears mounted to enormous heights. But the shops were still continued in D C B with the names of the previous tenants at the existing rents. Despite the shops were transferred to others in open auction, the new code names were not assigned to the new tenants. As it was not done, it could not be possible for the audit to make verifications on the remittance of rents and the arrears that are to be collected. Hence action is need to be taken to get such shops enrolled with new codes so that the collection and arrears reflects in the D C B against those shops.

REVENUE-SHOP – LEASED OUT – BUT SHOWN VACANT IN ONLINE D C B – IRREGULAR:

The shop number 4 of the Jasgga Rao bridge was leased out to P sridevi for the rent of Rs 900.00 per month in endorsement RC no 376/2014/A2/Zone II Dt 21/8/2014 and to the effect of granting lease rights an amount of Rs 18000.00 was collected as E M D through the demand drafts of the following numbers shown under. But the shop was shown as vacant in the online D C B and the particulars of encashment of demand drafts were also not recorded in the file. Hence in absence of these records and particulars in G V M C website, it could not be possible for the audit to make verifications over the collection of rents and realization of D D s. hence it is not sure that whether the rents were collected or fallen in to arrears without accounting for in the D C B. therefore action is need to be taken to get the shop lease affected in online watching by assigning a code and the loss if any is sustained to the institute due this omission, that would need to be recovered from the person or persons responsible.

REVENUE-MARKETS AND PARKING LEASES – AGREEMENTS NOT ARRIVED AND STAMP DUTY AND REGISTRATION FEE – NOT COLLECTED – LOSS: Rs 62440.00

The following immovable properties of the G V MC were leased out for annual rent for the year 2015-16. But the agreements were not arrived in between the commissioner and the lessee and the stamp duty and registration fee were not collected. According condition no 11 of the gazette No 19/2015, the agreement should be arrived before exercising the lease rights and the registration fee at the rate of 1% and the stamp duty @ 0.4% of the annual rent is to collected. But it was not done so far by the end of lease period. The absence of lease agreement will overshadow the legal entity of the sale of lease rights besides causing monetary loss by way of evasion of registration and stamp duty. Hence action is needed to be taken to get the loss recovered from the person or persons responsible.

REVENUE-MADDIPALEM MARKET – FAILED IN LURING THE BUYERS – PRESUMED LOSS TO THE INSTITUTION: Rs.105200.00

The Maddilapalem road margins was one of the revenue source of the the G V M C. but the property could not be leased out for the year 2015-16 until the end of November 2015. The reason that was cited for the failure in luring the bidders was the road widening works done at that time. But the lone reason could not seem substantial for the deferment of the auctions. Because within 8 months after that the property could be leased out and nothing was in evidence about further efforts made for next auctions. However the kistis could be collected departmentally during the period from ¼/2015 to 30/11/2015. But comparatively the department collection was far less from the previous year bid amounts. The total that was collected departmentally during the above period was Rs 155800.00only. This amount together with the lease amount Rs 79000.00 of the further period i.e. 1/12/2015 to 31/3/2016 was Rs 234800.00. But the previous year lease amount was Rs 340000.00 which was Rs 105200.00 more than the present year collection. Hence it reflects that had the G V M C made efforts effectively, this loss would have been arisen to the institution.

Due to non- response from the bidders, the Maddilapalem road margin collections was taken up by the department vide proceedings RC NO 3103/2015/A7/Zone II Dt 16/12/2015 for the period from ¼/2015 to 30/11/2015. The bill books issued register was not produced to audit to make verification on the issue of bill books to the staff engaged for collection. However as per the used bill books produced to audit, an amount of Rs 180860.00 was collected as shown below. But the remittance was made for Rs 153750.00 only as shown below. Hence there was a short remittance of Rs 27090.00. Hence action is needed to be taken to get the short remittance recovered from the person or persons responsible.

REVENUE-HUGE PENDING COLLECTION OF PROPERTY TAX AND VACANT LAND TAX AND SHOP ROOMS: RS.39,36,39,886.00

On verification of D C B for the year 2015-16 extracted from the website of the G V M C, there was huge pendency of property and vacant land tax collection. Around 31% of property tax demands i.e. Rs 232157776.00 and 97% of total demand of vacant land tax is pending for collection. The shop rooms leases collection were also not satisfactory. The pending collection of property tax and vacant land tax not only make volatile the financial status of the Municipal Corporation but also impairs the development activities of the institution. Hence action is needed to be taken to get the arrears collected either by convincing or by coercive action.

REVENUE-TITLE TRANSFER FEE COLLECTIONS - THROUGH D D S - THE REALIZATION PARTICULARS NOT PRODUCED TO AUDIT - IRREGULAR - NEED PRODUCTION: Rs.1038000/-

The title transfer fee collections were made through the D D s as shown below. But the the realization particulars were not shown in audit. Unless the the D D s realization particulars are verified, it is not possible for the audit to confirm their adjustment to the funds of the G V MC because the D D s can not be taken as receipt until the amounts therein are adjusted to the institution funds. Hence action is need to be taken to get the particulars of D D s realization produced to audit for verification and loss if any is found in later verification that would need to be made good to the institution funds from the persons responsible.

**REVENUE SECTION-UNDER ASSESSMENT OF PROPERTY TAX – LOSS – NEEDS RECOVERY:
Rs.8,83,156/-**

On verification of monthly list of Property tax of Zone II for 2015-16, it was noticed that there are certain under values arrived in assessment of property tax. According to the Gazette No.136/90, Dated: 9.3.94 of GVMC, Visakhapatnam, the buildings and the areas in the Wars/zones of GVMC were classified into posh area and post and ordinary building basing on the development of that area and the design and material used in construction of those buildings. According to assessment of Taxation rules the RCC buildings with super quality of wood and the attached bathroom is classified as RCC poshed building. But, violating the above norms the flats in apartment despite having attached bathroom were classified as ordinary and the rates of monthly rental values concerned to the ordinary grade were taken into account while assessing the annual rental values and thereby the assessment were made under valued. Accordingly to that extent the GVMC sustained loss of revenue. This practice will be discontinued and so far loss would need to be recovered from person or persons responsible. The following are the few cases of under assessment of Property Tax as detailed in the Annexure.

CASH BOOK-EXPENDITURE INCURRED FROM ZONAL CASH BOOK-MONTH-WISE AND YEARLY RECONCILIATION NOT DONE – NEEDS EARLY ACTION:

As verified from the records of G.V.M.C zone –II for the year 2015-16, it was noticed that two cash books were maintained for salaries and non-salaries separately. The funds are being transferred from the G.V.M.C, adjusted to Account No.62199872950, SBH, Municipal complex, Visakhapatnam in favor of Zonal Commissioner and funds are being drawn and paid towards salaries and other than salaries (contingent expenses).

An amount of Rs.249977879/- was received from main office to adjust the zonal account to incur the expenditure towards salaries and other than salaries. Out of which an amount of Rs.249847972/- was drawn, incurred expenditure leaving a balance amount of Rs.10952454/- as closing balance as on 31.3.2016 as per cash book. The closing balance as per bank pass book is Rs.11116714/- as on 31-3-2016 is in agreement with cash book subject to the following reconciliation:

As verified from the cash book, an amount of Rs. 249977879/- was received from main office and adjusted to zonal account. But the receipt amount from main office was not recorded in the receipt side of the cash book. Further an amount of Rs.2498479872/- was incurred towards salaries and other than salaries in respect of Zonal expenditure. But the Executive authority has not exhibited monthly reconciliation and end of the year reconciliation for the year 2015-16 agreement with the bank books was not done.

The Executive authority is requested to update the cash books of salaries and other than salaries with month wise and yearly reconciliation need to be recorded duly signed and produced to audit for verification.

PUBLIC HEALTH - D&O TRADE LICENCE FEE-SHORT DEMAND FIXED DUE TO NON OBSERVANCE OF NORMS PRESCRIBED IN THE NOTIFICATION-LOSS OF REVENUE Rs.317804/-

Under the provisions contained in Part-I of schedule to the Section 52(1) of HMC Act 1955, the license fee should be levied under D & O trades as per the rates specified in Gazette notification No.61/2008, dt.16.9.2008 which was accorded sanction by the Council of GVMC vide resolution NO.114/2008, Dated:28.7.08/29.7.08 and Commissioner's Progs. Rc.No. 1597/2000/F10/F4, Dated: 20.11.2008.

The enhanced license fee in respect of all trades were fixed on the basis of the monthly rental value of building in respect of lodging hotels, no. of children in respect of schools, area of building in respect of hospitals etc., specified in Annexure I to the notification with effect from 1.4.2009.

However, the demand of 50% trade licenses in the categories of Kirana, bangle shops, pan shops, medical stores, schools, sweet stalls, function halls etc., were verified with reference to the approved gazette rates, short demand noticed in many cases and loss calculated for amounting to Rs.317804/- shown against certain traders as detailed below (VIDE ANNEXURE)

PUBLIC HEALTH-DEMAND COLLECTION BALANCE OF TRADE LICENSE FEES – BALANCE KEPT PENDING COLLECTION – NEEDS ACTION:

As verified from the computer-generated DCB statements pertaining to D&O Trade License Fees, it was observed that there are a number of traders who have not paid the Trade License Fees for years together. The Arrear DCB of Trade License Fees was not prepared and furnished to audit. Hence, the balance which has been kept pending under arrear Trade License Fees are not known. The Public Health section is not maintaining Manual registers and other records regarding Trade Licenses Fees. There is no proper check on new licenses issued, old licenses renewed etc. The Public Health section is not collecting other requirements for the issue of Trade License with application forms viz., NOC from neighbors', property tax receipt, Aadhaar/Voter ID, VAT registration certificate, etc. Adequate records are not being maintained by the Public Health Section of GVMC. Therefore, it is difficult to ascertain the loss of revenue due to non-renewal of license Fees or non-payment of license Fees by new establishment. There are no checks on amount dues to the Corporation. Huge amounts were not collected at the end of the year 2015-16. This leads to loss of revenue to GVMC funds.

PUBLIC HEALTH-COLLECTION OF LICENSE FEE – CERTAIN IRREGULARITIES:

During the course of audit, as verified from D&O Trade License Fee computer generated register certain irregularities are noticed.

- (1) License Fee was collected without fixing the plinth area of big commercial establishments.
- (2) Certain License Fees were fixed on the basis of Monthly Rental Value as published in the Gazette. But monthly rental value was not mentioned and certified in Registers/applications; then on what basis the authorities collected the License Fee from Traders is not forthcoming in audit and the genuineness of the License Fee levied is put under question.

(3) The number of License holders having dealership such as Arms and Ammunition and Fire Crackers were not produced. The collections of License Fee relating to such traders were not forthcoming in audit.

(4) There are number of hotels & lodges were situated in Corporation limits, but the Authorities failed to produce how many, hotels and lodges are existing in Corporation. Only some of License Fee was collected from these. Due to non-mentioning of number of hotels, and lodges, the genuineness of collection could not be certified in audit.

(5) The Corporation having number of hospitals, nursing homes, clinics. But, the Authorities are not produced how many hospitals, clinics and nursing homes are existing. Among these some of the collections were made. So, the genuineness of the collection would not be certified in audit.

(6) License Fee relating to some of the Bars, Bar and Restaurants, Wine Shops were collected. But authorities have not produced how many Bars, Restaurants, and Wine Shops existing in Corporation. Hence, the genuineness of collection could not be certified in audit.

TELEPHONE- HUGE EXPENDITURE TOWARDS TELEPHONE CHARGES – TELEPHONE REGISTER NOT MAINTAINED – SURCHARGE PAID FOR LATE REMITTANCES – IRREGULAR – NEEDS RECOVERY

RS.4211/-

During the year, Rs.286108/- was incurred towards telephone charges. Though, huge payments were made, no telephone register is maintained. A register showing the list of telephone calls made regularly for watch and also for verification of telephone bills, as and when received. If any private calls are there, those charges would need to be recovered.

Further, it is noticed, an amount of Rs.4211/- was paid towards surcharge for delayed payments, as follows:

Sl.No.	Vr.No./date	Amount (Rs.)	Surcharge for delayed payments
1	51/8-15	34397	736=54
2	99/2-16	21558	391=30
3	53/8-15	1862	15=82
4	59/9-15	940	16=20
5	87/12-15	940	16=19
6	94/12-15	1884	16=20
7	105/2-16	1041	16=20
8	37/6-15	24830	336=01
9	44/7-15	23042	468=13

10	86/12-15	20121	359=71
11	9/4-15	24225	858=84
12	93/12-15	40513	979=75
	Total		4210=89 round off Rs.4211 /-

If the administration paid in time the telephone bills, an amount of Rs.4211/- might have been saved. The inordinate delay in payment of bills resulted in payment of surcharge. This is irregular. Therefore inadmissible surcharge payment needs to be recovered from the person or persons responsible.

PUBLIC HEALTH-DAY SANITATION-WAGES CLAIMED TO THE ABSENTEES 1/2015-MUSTERS OF OUT SOURCING SANITATION STAFF NOT PRODUCED:

The day sanitation work in zone –II area was entrusted to third party agencies on outsourcing basis and in turn the 3rd party agencies executed the work by engaging the required staff under the supervision of GVMC authorities i.e. sanitary inspectors and sanitary supervisor under the control of Assistant Medical and Health Officer. The bill for agreed wages shall be prepared by the officials of the public health section of the concerned zone on the basis of musters(Daily attendance morning and evening)taken by the concerned sanitary inspector and the same was certified by the Sanitary supervisor and AMOH.

The vital record for claiming of wages to the outsourcing staff of sanitation is muster role taken by the sanitary Inspector and sanitary supervisor .But the said important record was not produced by the concerned health section officials to audit even requested orally and through half margin note.

While on observation of the files, it is learnt that the biometric musters were introduced in ward number 7,8,9,14 of the Zone –II and the same musters were also not produced audit by the health section authorities of Zone-II even requested orally and through half margin note and also approached to the agency which the work of taking biometric attendance was entrusted to FAST FORWARD TECHNOLOGIES located at GVMC main office .But that agency not supplied the copies of Biometric attendance.

It is further observed from the file that one copy of Biometric attendance sheet certified by the FAST FORWARD TECHNOLOGIES for the month of January 2015 pertaining to the ward number- 8 wages claimed in respect of the following absentees as per biometric attendance.

S.No	Name of the worker	Code number	Attendance as per biometric muster	Position of claiming wages	Amount of wages claimed including EPF&ESI
1	Sri.K.Gurunatha Rao	10029	31 days absent	Claimed for 31 days	9824 /-
2	Sri.P.Babu.Rao	10069	31 days absent	Claimed for 31 days	9824 /-
	Total				

The above data reveals that the fraudulent bills were prepared and claimed by the public health staff and so that the muster rolls were not produced to audit. Hence the correctness of the wages of the out sourcing staff could not be certified in audit and there is urgent action would need to be taken for production and verification of the musters with wages to sort out the correctness of the wage payment.

PUBLIC HEALTH-DAY SANITATION-WAGES CLAIMED IN THE VACANCIES CAUSED DUE TO THE DEATH OF OUTSOURCING WORKERS BY SHOWING THE APPOINTMENTS WITH BACK DATED IN DEATH VACANCIES:

Vrno:- 201-00665 /dated 2.7.2015 for rs.182281 /-(gross)paid to Sri Veeranjaneya Badili Panivarala Samkshema Seva Sangham vide cheque no.716334

On verification of the file relating to the wages of outsourcing workers pertaining to the 7th ward , it was observed that 60 number of outsourcing workers shown as sanctioned to conduct day sanitation in 7th ward. Out of 60 workers, wages claimed to 58 members and wages not claimed to the two workers due to the death of i.e. Ch.Raju and B.Suryanarasimhulu from 8/2014 to 5/2015.

Suddenly wages of two workers claimed through EA No. 6482/7-2015 duly stating the reason that the appointment of two workers were approved vide Rc.no.432/14/Supt/PH/ dated 24.4.2014 and the two workers were working at Anakapalli zone. Here the following suspicion aroused regarding the claiming of the back wages from 8/2014.

If the appointment of the two workers done as on 8/2014,why the wages not claimed regularly along with the other workers. The responsibility for supplying of agreed workers lies on the outsourcing agency but nowhere related to the public health section approval. The musters of the two workers from 8/2014 were not produced to audit. 60 numbers of workers sanctioned to conduct sanitation in 7th ward. But engaged the two workers at Anakapalli zone which is not in order.

PUBLIC HEALTH- DAY SANITATION – SERVICE CHARGES PAID- UN NECESSARY EXPENDITURE:

As per the proceedings Rc.no 479/13/13/f3/PH dated 12-2013 of the Commissioner, the work registration and maintenance of EPF and ESI records, of Public health workers of GVMC from the period 1.1.2014 to 31.12.2016 with the responsibility of verifying the wages bills paid to the workers and to ensure the remittance of EPF&ESI contribution of the employees as well as employers share to concerned departments was entrusted to the M/s VSPN &Co chartered accountants, Hyderabad and sanction accorded for Rs.30/- per worker plus service tax (12.36%) for each month of work performed by the agency.

Accordingly payment was made towards the Service Charges to VSPN &CO chartered accountants, Hyderabad @ Rs@ Rs30/-per each worker and Service Tax on 30/-ie 3.708 amounting to Rs 33.708/-for each worker. The List of worker in zone II for Day Sanitation is 606. The service Charges paid to VSPN &CO chartered accountants, Hyderabad for one Years as follows.

Sl No	Zone	No of Workers	Service Charges permonth	Service Charges per Year
1	Zone –II (Day sanitation)	606	Rs 20427 /-	Rs 245124 /-

The Greater Visakhapatnam Municipal Corporation has spending Rs 245124/- for each Year towards Service Charges for maintaining the EPF and ESI particulars of workers. The same may be done by the GVMC employees. In the above circumstances, the audit felt that, the maintenance of EPF and ESI can be done by the GVMC employees and can save the unnecessary Service Charges of Rs 245124/- for each Year.

WORKS-CC ROAD FROM MADDILAPALEM MAIN ROAD TO RAMALAYAM -CERTAIN DEFECTS IN EXECUTION AND PAYMENT:

Work ID:- 2014-eng-02-10-105::M.Book:-787/11-12

On verification of the work file along with the M.book of the work CC Road from Maddilapalem Main road to Ramalayam the following defects were noticed in audit. Time is the essence of the contract.As per the agreement 11/1516/EE_II/DB/25.4.15 the work shall be completed within 60days ie.25.6.2015.But the work commenced on 12.11.2015 and completed by 21.1.2016.Bill passed for payment without imposing any penalty for delay in execution and also the reasons for delay in execution was not available in file and kept silence.

As per the M.book the work completed by 21.1.2016.But the QC report of Simhadri labs SL/GVMC/3rd cvi/2016/dated 28.1.2016 the site visited by the QC team on 2.1.2016&3.1.2016 for obtaining samples. As on 2.1.2016 more than 50% work is pending completion. Thus it reveals that the QC report issued by the Simhadri labs not in fair manner. It is seem that after execution of the work and billing in M.book, the measurement and quantities mentioned in abstract estimate, detailed estimates and in M.book were altered to adjust the bill amount to agreement value.

WORKS-REPAIRS AND PAINTING TO KERBS AND FOOT PATHS FROM SPENCER TO TYCOON HOTEL -RECORDED QUANTITIES ALTERED BY TAMPERING THE M.BOOK-CONSEQUENTIAL EXCESS PAYMENT:**RS.8222/-**

Work ID:- 2015-eng-02-15-106/ M.Book:-466/15-16

On verification of the work file and M.book of the work Repairs and painting to kerbs and foot paths from spencer to Tycoon hotel, it was noticed that, 14 number of Supply and fixing of SFRC600 mm gratings and placing them in position items were recorded at page 28 of M.book and the same was check measured and carry forward to billing in m.book. In bill, the total cost arrived to Rs.57554/- (14*4111) for 14 items at page 28 of m.book. After billing in m.book,the total quantities revised to 16 items both at recording page and billing page of m.book.and the same was passed for payment. If actually 16 items recorded at first, check measurement and billing shall be done for 16 items but not for 14items. Hence it is evident that the recorded quantities were altered by tampering to adjust the agreement value and resulted an excess payment of rs.8222/-

WORKS-WORKS NOT COMPLETED WITHIN THE AGREEMENT PERIOD-NOT GRANTED THE EXTENSION OF TIME AND NOT IMPOSED ANY PENALTY:

As per the para 150 of APPWD code read with clause 60(a) of OS to APSS Time shall be considered as of the essence of the contract. 5. ENGINEERING SECTION-WORKS-WORKS EXECUTED- ABNORMAL DELAY NOTICED - IRREGULAR-NEEDS ACTION:

During the course of audit of GVMC for the year 2015-16, as verified from the work bills it is observed that huge amounts were spent towards execution of works but the time limit with reference to agreement was not followed and subsequent action not taken against the contractors concerned which is irregular.

As per the norms laid down in AP Public works Accounts code and Departmental codes, the work should be completed within the stipulated period of time as per the agreement so as to meet the needs of the public. In case of considerable delay occurred due to unexpected conditions the same should be extended with the approval of the competent technical authorities. Beyond the conditions considerable fine should be imposed against the contractor concerned. But in the following cases the action taken against the contractors for abnormal delay was not forthcoming to audit.

In support of the abnormal delay some of the cases given below for reference:

Sl. No.	Name of the work and contractor(Sri / Smt)	Sanction order date	Period of completion	Actual date of completion	Late by

PUBLIC HEALTH - D&O TRADE LICENCE FEE-DEFECTS IN ONLINE DATA-LEADS TO SHORT FIXATION OF DEMAND-NEEDS REVIEW AND REVISION OF LICENSE FEE:

Under the provisions contained in Part-I of schedule to the Section 52(1) of HMC Act 1955, the license fee should be levied under D& O trades as per the rates specified in Gazette notification No.61/2008, dt.16.9.2008 which was accorded sanction by the Council of GVMC vide resolution NO.114/2008, Dated:28.7.08/29.7.08.

However, the demand of 50% trade licenses in the categories of Kirana, bangle shops, pan shops, medical stores, schools, sweet stalls, function halls etc., were verified with reference to the approved gazette rates for verification of correctness of demand fixed the following defects were noticed: in many cases demand was fixed but nature of trade was not recorded as detailed **vide annexure – III was enclosed to the report**

b) As per the provisions laid down in the approved gazette penalty should be collected @ 25% for late payments upto 60 days and @50% beyond 60 days. But late fee/penalty not collected on collection of arrears which constitutes loss.

c) Nature of trade not recorded relevantly and hence demand not fixed exactly. Most of the cases were recorded as audio recording centre, wholesale, retail in many of cases in Ward No.1, as STD and Local Call in Ward No.2, as Retail only in Ward No.3, as Pan shop in Ward No.4, as Over 10 to 50 Sq.Mtrs, upto 10 Sq.mtrs in Ward No.5 and as Pan shop in Ward No.6 though it is not related to actual trade shown in the address entry of the trader.

d) Particulars of capacity/specifications of the trades as specified in the gazette notification were not recorded in the demand registers

e) Files related to fixation of Trade License fee were not made available to audit

- f) Resolutions for deletions made during the year also not furnished to audit
g) Demand Registers and Arrear Demand Registers not maintained etc.,

However, in view of the above defects the correctness of the demand fixed could not be ascertained and certified in audit and the amount involved in the Time Barred Taxes for the particular year could not be arrived at as per Sec-671 of HMC Act 1955 r/w Sec 7 of VMC Act 1979. Due to non-maintenance of Arrear Demand Registers it is difficult to initiate action like recovery through distraint Prosecution and filing suits as laid down under section 268 of HMC Act 1955 r/w Sec 7 of VMC Act 1979.

Hence, action would need to be taken to review the entire demand duly uploading correct information to arrive at correct demand and loss caused in this regard if any would need to be made good from the person or person responsible in addition to taking disciplinary action. The list of some of the traders whose details of nature of trade was not recorded as detailed in the Annexure III enclosed to the report.

Non identification of vacant plots for levy :

Section 85(3) of the Municipalities Act, 1965 read with instructions issued by Govt of AP provides for levy of a tax on vacant lands in Municipal limits@ 0.20% per annum of the capital value of the site/land. The levy of VLT has been long neglected by the Municipalities even though this is a potential source of income. But the collection of Tax is indeed difficult in view of the difficulty in finding the actual owners of the site. This information can possibly be obtained from the Registration Department:

Audit Observed that:

The Municipality had not made any effort for identification and collection of Vacant Land Tax. In view of the fact that the Municipality has been receiving requests for approval for construction of buildings this information can be utilized for collection of Vacant Land Tax.

Even though the VLT was being collected by the Town Planning Wing at the time of giving approvals for Building constructions for the previous 3 years, the fee thus collected was not being accounted for under the VLT.

In view of the defects the correctness of income received during the year could not be ascertained and certified in audit. Hence, action would need to be taken to follow the above instructions hereafter and loss caused if any due to the above lapses would need to be made good from the person or persons responsible.

ENGINEERING – WORKS EXECUTED ON NOMINATION BASIS – ALLOWED CONTRACTORS PROFIT AT 14% - IRREGULAR – CAUSING EXCESS PAYMENT – NEEDS RECOVERY Rs. 5,92,653/-

On verification of the files relating to Engineering section in respect of works executed, it is noticed that the following works were entrusted on nomination basis for execution. But it is noticed consequent on entrustment of work on nomination basis the contractor was allowed the contractor profit at 14% which is irregular and contrary to the rules issued. According to Circular Memo No. T1/Over head charges/2012 dt 11-10-2012 of Engineer – in – chief the over head charges and contract profit at 14% shall not operate for all the works eligible to the entrusted on the Nomination basis.

Hence the 14% of contract profit in over head charges which was allowed is not admissible in audit and needs recovery.

**D&O TRADES LICENSE FEE-DEMAND NOT FIXED ACCORDING TO GOVT GUIDELINES FOR
GOLDSILVER TRADERS & MFG – IRREGULAR – NEEDS ACTION: Rs. 88677/-**

As verified from the D & O Trades License Fee Demand Registers, it is noticed that an amount of Rs.88,677/- was levied on the following GOLDSILVER TRADERS & MFG during the year:

According to the demand sheets provided to audit, it is observed that the demand of GOLDSILVER TRADERS & MFG were not fixed as per the Govt. guidelines. Non fixation of demand on certain trades like GOLDSILVER TRADERS & MFG results in loss of revenue to the institution and hampers the developmental activities of weaker sections in the jurisdiction of GVMC.

Hence, action would need to be taken to include the demand for the year 2015-16 and collect the same from the traders. The loss caused if any in the matter would need to be made good from the person or persons responsible under intimation to audit for verification.

NON-LEASING OF KALAYANAMANDAPAM – DEPARTMENTAL COLLECTIONS – D.Ds AND CHEQUES RECEIVED – NOT SENT FOR COLLECTION – LOSS OF REVENUE – NEEDS RECOVERY – Rs.20000/-

The Madhavaswamy Kalyana Mandapam, Madhavadhara of Ward No.41 was leased out to Smt.S.Prapoorna for a period of three years from 9-1-2009 to 8-1-2012 for an amount of Rs.662000/- . The lease period further extended for a period of three years from 9-1-2012 to 8-1-2015 for an amount of Rs.883000/- duly enhancing the rent @ 331/3rd % on the existing rent. But the lease period was not further extended and the Department has made collection from 9-1-2015 @ Rs.5000/- per day as rent of the above said Kalyanamandapam. The reasons for non-conducting of public auction after expiry of lease period were not forthcoming to audit. Due to non-leasing out the Kalyanamandapam the G.V.M.S. is foregoing revenue and as well as also loss to the Central Excise Dept., in the form of Service Tax.

Further as verified from the files and register it is noticed that the Rents collected by the Department through Demand Drafts and cheques were not deposited for encashment as detailed below which is caused loss to the Funds of G.V.M.C.

S.No.	Name of applicant	Application date	D.D.No.& Date	Amount

LEASING OF VACANT SITE IN T.S.NO.298 OF ALLIPURAM WARD FOR I.O.C. LTD., PETROL BUNK AT CONVENT JUNCTION - CERTAIN IRREGULARITIES NOTICED – LOSS OF REVENUE

The vacant site vide T.S.No.298 at Convent Junction measuring 100' x 100' was leased out to the M/s. I.O.C. Ltd., for maintaining the petrol bunk for a period of 5 years from 29-2-1968 to 31-3-1973 @ Rs.1333.50 rent per month. Subsequently the lease period was extended and rental amounts were also enhanced from time to time. Lastly the lease period was extended from 1-7-2009 to 30-6-2012 duly enhancing the rent on the basis of Public Private Partnership ie. @ 5% of current market rate @ Rs.811800/- per annum. The annual rental amount was arrived as detailed below.

On Market value Rs.1,62,36,000/- x 5% = Rs.8,11,800/- per annum.

On verification of the file relating to the above vacant site the following irregularities were noticed

- 1.The initial lease period is 29-2-1968 to 31-3-1973. Accordingly the lessee has completed 44 years of lease period. According to the instructions issued vide G.O.Ms.No.56 M.A.&U.D. Dept., dt.5-2-2011 whose lease has completed 25 years of lease period public auction should be conducted for leasing out the vacant site. But no such is seems to have been taken and continued the sitting tenant for which no orders from the C.D.M.A., were obtained.
- 2.The lease period was expired by 30-6-2012. But no further renewal of lease.
- 3.The rental amount fixed at Rs.811800/- basing on the market rate during 2011 and the rent was collected at the same rate i.e. Rs.811800/- upto 30-6-2012. Later the rent was enhanced by 331/83rd % on Rs.811800/- and arrived at Rs.1080749/- per annum instead of calculating the rent on present Market value.

Hence action may be taken to fix the rent according to market value, arrive the rent and collect the difference if any occurred due to higher market value and made good to the funds of G.V.M.C.

The above amount was worked out duly enhance the rent at 33 1/3 percent. As per G.O.Ms.No. 56 MA & UD (J1) Dept dt: 5-2-11. The rent of the shops in shopping complexes has to be fixed due to renewal at 10% of the current market value of the property per annum both building and land and construction rates of the structure and buildings fixed by the registration department or rent 33 1/3 % or prevailing rent of such properties in the vicinity whichever is higher. Due to non availability of market rates in the zonal office of GVMC at the time of audit the difference of rent was arrived by enhancing at 33 1/3 % the executive authority should work out the arrears of difference of rents with reference to the instructions issued in the G.O.Ms.No. 56 MA & UD (J1) Dept dt: 5-2-11 and arrive the amount for recovery.

Para No 231

Code No.9

LEASES – LEASING OF SHOPS IN CERTAIN SHOPPING COMPLEXES - RENTS NOT ENHANCED AS PER G.O.MS.NO.56 - LOSS OF REVENUE Rs. 2,44,67,383/-

The lease periods in respect of the following shops were renewed. According to the orders issued by the Government vide their G.O.Ms.No.56 M.A.,&U.D.(J1)Department, dt.05-02-2011 vide para 4 of G.O., the Municipal corporation may renew the lease of immovable properties for a period of three years at one time and with the prior sanction of the Government renew the lease for a period exceeding three years and not exceeding twenty-five years at a time without conducting public auction and rent should fixed or revision in the following manner

a) Rent at 10% of the current market value of the peroperty per annum i.e. both building and land as per market value of the land and construction rates of the structures and buildings fixded by Registration Department under trhe Andhra Pradesh Revision of Market Value Guidelines Rules, 1998 or

b) Rent at 33 1/3rd per cent above the earlier rent, or;

c) Prevailing rent of such properties in the vicinity whichever is higher.

But as verified from the lease files it is noticed that though the lease periods were renewed and lease was extended the rent of the shops were not fixed and collected according to the norms as mentioned in the above said G.O.. Due to non fixing of rent as per the government orders issued huge amount of rupees was caused loss of revenue to the GVMC funds as detailed below.

ENCL: REVENUE SECTION ANNEXURE IV ZONE IV

LEASES - LEASING OF SHOPS - PLINTH AREA MODIFIED TO THE EXISTING SHOPS BY THE TENANTS - RENT TO BE ENHANCED ON EXTENDED/MODIFIED EXTENT - NOT ADOPTED - IRREGULAR - LOSS OF REVENUE - Rs.1019568/-

On verification of lease files and records it is noticed that certain modifications were made by the tenants and extended plinth area to the existing shops which were leased out in the Zone.IV. Accordingly the rent of the shops has to be enhanced to the extent of extension/modification made by the tenant and revised rent has to be collected from the tenant along with penalty for modification made unauthorisedly. But instead of collecting revised or enhanced rents to the extent of modification made and the Executive Authority has collected old rents which is caused loss of revenue as detailed below.

REVENUE SECTION – MLs-LEVY OF PROPERTY TAX – UNDER ASSESSMENTS– LOSS TO GVMC- NEEDS RECOVERY: Rs.12,02,580.00

During the course of audit for the year 2015-16 on verification of monthly lists of property tax from ML Registers in respect of Zone IV the property tax in respect of the following assessment were levied during the year 2015-16 as noted against each. But on verification of the assessments which were levied as

noted below with reference to online property tax statements it is noticed that the tax fixed /levied was not taken to the online assessments. This causes less collection of property tax in respect of the assessments amount Rs. 12,02,580/- which needs recovery and made good to the funds of GVMC from person or persons responsible.

UNAUTHORISED CONSTRUCTIONS-FOLLOW UP ACTION NOT SATISFACTORY-IRREGULAR-NEEDS ACTION:

During the course of audit for the year 2015-16, as verified from the Register of Un-authorized Constructions it was noticed that 26 un-authorized constructions were identified during the year as detailed below:

From the above data it is ascertained that only 26 un-authorized constructions were identified by the town planning wing where as hundreds of un-authorized constructions were penalized(penalty collected) by the revenue wing during the year as per G.O.Ms.No.49, M.A dt.30-7-98 and amended from time to time. Further, it is noticed that follow up action as required by law against those un-authorized constructions also not forthcoming to audit except issue of notices to the building owners U /S-452(1) of the AP HMC Act,1955 and

hence audit opined that follow up action in this regard not at satisfactory level and there is every scope for leakage of revenue. Hence, action would need to be taken to take effective steps for identification and penalization against the UCs as per Act and loss caused if any would need to be made good from the person or persons responsible.

According to the condition as laid down in orders of proceedings issued by the G.V.M.C., authorities, the Property Tax is to be revised and fixed by G.V.M.C., as the said building falls under commercial category by collecting monthly rents from cell tower companies. But as verified from the above the Property Tax was not

revised and fixed by the G.V.M.C., which is causing short collection of property tax and resulting into loss of revenue. Hence early action may be taken to revised the property tax in respect of the above buildings and collect the revised taxes to avoid further loss of revenue.

Town planning Unapproved lay out - open space charges-- short collection of 14% Open space charges-- - Needs recovery- Rs. 2,71,021.00

As per the standing instructions issued in AP Building Rules, 2012 Open Space Charges at the rate of 14% of land value as per SRO Rate i.e market value certified by the SRO or registered document value whichever is higher shall be collected by the GVMC before according permission for construction of buildings in unapproved layouts.

On verification of the file relating to G. Marthav Vayola it is noticed that the open space cost was collected for Rs. 25,87,200/- instead of Rs. 28,58,222/- at 14% which is causing short collection and loss of revenue to a tune of Rs. 2,71,021/-

Sl. No.	Name of the Applicant	B.A. No. & Date	As per market value issued by the Registrar, ATP	14% open space charges actual collected	14% open space charges already collected	Short Collection amount to be collected

Non collection/short collection of Open Space Charges from the applicants of un-approved layouts sustains loss to the GVMC and leads to hamper the developmental activities. As such, the Executive Authority must fix the responsibility on the person or persons responsible for the above loss and take steps for recovery of above amount along with penal interest immediately and credit the same to GVMC funds apart from taking suitable action against the officials concerned. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

Rule 17 of A.P. Building Rules 2012 envisage Grant of Transferable Development Right in the form of a TDR Certificate and certain guide lines were also specified for adoption throughout the state with uniformity. It was stated in the said rule inter alia that a composite register shall be maintained by the sanctioning authority as per the proforma enclosed at Annexure-VIII on the award of TDR and its sale /disposal and utilisation and a responsible officer shall be the custodian of the register.

During the verification of Building Applications in Town Planning section the said Register was not produced to audit inspite of a specific request made by the audit through Half Margin Letters.

Audit noticed instances of assessing the requirement of the TDR bonds in files where permission for extra floors was sought by the applicants. It was noticed while entering technical remarks in the note files the requirement was noted. At the time of actual submission of the TDR bonds instead of reckoning the value of the TDR bonds with reference to the prevailing market rates (SRO Rates) the same was reckoned at the rates obtaining as on the date of filing of application resulting in undue advantage and benefit to the applicant and loss to the funds of GVMC.

During the verification of Building Applications whose were Permitted for extra Floor after obtaining the TDRs as detailed below were the following defects as mentioned in the remarks column.

Hence immediate action need to be taken to rectify the defects as detailed below under intimation to Audit.

Due to above irregularities the purpose of the scheme of sanction of Tap connections under BPL. Is deviated and subsequently loss of revenue to the G.V.M.C. Funds as the above connections were sanctioned

ineligible beneficiaries by collecting lesser fee. Early action may be taken to rectify the defects and to see the correctness of the eligibility while sanctioning the Tap Connection under B.P.L.

AUDIT REPORT

2015-16

**GREATER VISAKHA
MUNICIPAL CORPORATION**

ZONE - V

PART - B

I-CONTENTS:

**PART-A1: MAIN OFFICE AUDIT REPORT
PART-A2: REVIEW OF ZONAL REPORTS
PART-B: ZONAL AUDIT REPORTS(1 to 8)**

SCOPE OF AUDIT –STATUS OF MAINTENANCE AND PRODUCTION OF VARIOUS VITAL AND IMPORTANT RECORDS:

During the course of audit for the year 2015-16, it is noticed that **certain vital and important records were not maintained, if maintained also, they were partial. The non-maintenance and non-production of records and irregular maintenance of certain registers, nothing but opening of the doors for all sorts of irregularities such as misappropriations, defalcations and other major financial losses.**

Further, it was observed that the manual records such as Demand Registers, Posting Registers etc., were dispensed with unilaterally without having instructions either from the Government or from the Director of Municipal Administration. Certain records were maintained partially in the system, which could not be verified at the end of transaction.

In the above circumstances, there is every possibility and scope for misappropriations, defalcations, and irregular drawls as the maintenance of records is not comprehensive.

Subject to the above position, the audit was conducted to the extent of production of records and the objections were raised based on the observations from the following Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned.

Detailed report on maintenance and production of records by the various sections of each Zone explained hereunder to define Scope of Audit:

TOWN PLANNING-SHORT COLLECTIONS OF BUILDING LICENSE / PERMIT FEE -LOSS-

NEEDS RECOVERY:

Rs.64352 /-

During the course of audit on the accounts of Zone-V GVMC for the year 2015-16, as verified from the Building Applications Register, it is noticed that an amount of Rs. 64352/- was short collected towards Building License Fee under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010, the Corporation has to collect the Building License Fee as follows:

Parameter for collection	Usage: Residential Purpose				Usage: Commercial Purpose			
	upto G+2		G+3 & Above	Apartments	upto G+2		G+3 & Above	Apartments
	below 100 Sq.M	Above 100 Sq.M			below 100 Sq.M	Above 100 Sq.M		
Built Up Area	15/-	45/-	55/-	55/-	70/-	90/-	120/-	120/-
Min. Fixed	500/-	5000/-	5000/-	5000/-	1000/-	5000/-	10000/-	10000/-

The applications received along with prescribed fee have to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation.

But on cross verification of the Building Applications Register with the connected application files and gazette notification short collection of Building License Fee made and sustained loss to GVMC for amounting **Rs. 64352 /-** as detailed in the annexure.

The particulars of zone wise and application wise short collection of Building License Fee detailed in the Annexure-1. **(Annexure:Short collection of Building License Fee enclosed)**. However, short collection of Building License Fee constitutes loss to the institution and hampers the developmental activities of the targeted group in the jurisdiction of the GVMC.

Hence, action would need to be taken to collect the balance amount with penal interest and remitted to the funds of the institution. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

TOWN PLANNING-SHORT COLLECTION OF DEBRIS CHARGES ON CERTAIN BUILDING APPLICATIONS -LOSS- NEEDS RECOVERY: Rs. 30695/-

During the course of audit of GVMC for the year 2015-16, as verified from the Building Applications Register it is noticed that an amount of **Rs. 30695/-** was short collected towards Debris Charges in applications under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC. As per the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010 the Corporation has to collect the Debris charges as follows:

Buildings upto G+2 :upto 100 sq.mts @ Rs.130/-, Upto 300sq.mts @ Rs.1250/-
:above 300sq.mts @ Rs.2000/-,

Buildings G+3 & above : upto 300 sq.mts @ Rs.3000/-

Apartments & Non-residential : above 17.50 mts @ Rs.4000/-

The application received along with prescribed fee has to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation.

But on cross verification of the Building Applications Register with the connected application files and gazette notification short collection made and sustained loss to GVMC for amounting **Rs.30695/-** as detailed in the annexure No.3.

However, short collection of Debris Charges on the above Building applications constitutes loss to the institution and hampers the developmental activities of the targeted group in the jurisdiction of the GVMC. Hence, action would need to be taken to collect the balance amount with penal interest and remitted to the funds of the institution. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

As verified the ward wise booklets of demand, collection, balances downloaded from gvmc online module of D&O Trade License Fee for the year 2015-16, it is noticed that huge amount of Rs.477657/- was pending collection as on the date of audit as per the statement appended to this para (vide Annexure -12 attached to this audit report)

According to Section-521 HMC Act, the Traders located in GVMC, has to pay or renew their Trade License and has to pay the prescribed license fee before the one month from the closure of financial year i.e., during the month of February of every year. But as seen from the Demand Register (downloaded data taken as DCB register as the said register not maintained manually) of Trade License fee, the following traders as noted in the list enclosed have not paid their license fee for the year 2015-16

The efforts of the staff of Public Health Section has also not evidenced any interest in collection of license fee as regarded under Section-521 which causes huge amount pending realization under D&O Trade License and thus, the traders are also being allowed to continue their business without pending/renewal their trade license.

Therefore, necessary action would need to be taken to collect the balance amount along with the penalty imposed for belated collections and remitted to GVMC funds and fact reported to audit.

D&O TRADES –IMPROPER FIXATION OF LICENSE FEE DEMAND AND VIOLATION OF RULES-LOSS TO GVMC-NEEDS REVIEW AND REVISION OF DEMAND:

As verified from the D & O Trades License Fee Demand Registers (Computer sheets downloaded from online website), it is noticed that the demand was raised for Rs.44,85,448/-against 4229 traders during the year.

According to the provisions of Section-521 of HMC Act, the applications should be scrutinized by the PH officials with relevant documentary evidences duly conducting the field verification and then demand

should be fixed w.r.t the trade wise parameters and rates notified in the official gazette notification i.e RC.No.1597/2000/F10/F4, dt.20.11.2008 r/w GVMC Resolution CR.No.114/2008, dt.28.7.2008/29.7.2008. In case of late payment penalty has to be levied @25% on license fee collected.

But, as verified from the ward wise demand scrolls downloaded from online module the norms were not followed in fixation of demand of certain trades as detailed hereunder:

From the above cases it came to know that the demand raised at a minimal rates without recording the specifications/parameters of the trade which gives scope to provide unintended benefit to the traders. Further, the GVMC not taken any steps for updation of data, revision of rates w.r.t enhanced rental values periodically as required manner according to act provisions, not maintaining basic files & records and not exercising supervisory checks by the officials concerned to avoid leakage of revenue. This situation gives scope for misappropriation of funds and subsequent loss to the GVMC.

Hence, action would need to be taken to review the entire data related to demand fixed under D&O Trade License fee duly conducting comprehensive field level survey, surprise checks by the officials, adopting enhanced rental values, specific parameters of the trades and annual turnover of the trader etc., The loss caused if any in the matter would need to be calculated and made good to the GVMC funds from the persons responsible and report compliance to the audit.

REVENUE SECTION-ASSESSMENT VACANT LAND TAX-ML REGISTER/ASSESSMENT REGISTER NOT MAINTAINED-NEEDS EARLY ACTION:

During the course of audit for the year 2015-16, on verification of Computer generated Demand Registers (Scroles) and DCB Statements provided by the IT sections of GVMC Main Office regarding DCB of Vacant Land Tax related to Zone-V, it was noticed that an amount of Rs. 132.91 lakhs_ was collected towards VLT under Section-212 & 213 of the HMC Act 1955, during the year as detailed below:

Demand	:Rs.18455.49 lakhs
Collection	:Rs.132.91 lakhs
Balance	:Rs.18322.58 lakhs

It is also noticed that files from 16 wards were produced to audit. As verified from the files new demand raised during the year for an amount of Rs. 18455.49 lacks but the connected ML Register in Form-C not maintained which is irregular.

Assessment Register / ML Register of VLT is one of the most important registers to know the new demand raised during the year. In the absence of the same the correctness of the new demand raised could not be ascertained exactly and certified in audit.

Hence, action would need to be taken to maintain the register in the prescribed proforma and produce the same to audit for verification.

UNDER ASSESSMENT OF PROPERTY TAX – LOSS – NEEDS RECOVERY: Rs. 57411/-

On verification of monthly list of Property tax for 2015-16, it was noticed that certain assessments of property tax were undervalued, as listed **(vide Annexure No – IV attached to this audit report)**. According to the Gazette No.136/90, Dated: 9.3.94 of GVMC, Visakhapatnam, the buildings in the Wards/ Zones of GVMC were classified into posh and ordinary, basing on the development of that area and the design and material used in construction of those buildings. According to Taxation assessment rules, the RCC buildings with super quality of wood and the attached bathroom are classified as RCC posh buildings. Disrespecting the above norms, the flats in apartment despite having attached bathroom were classified as ordinary and the rates of monthly rental values concerned to the ordinary grade were taken into account while assessing the annual rental values and thereby the assessment of tax was under valued. Thereby, the GVMC sustained huge loss of revenue. This practice would need to be discontinued besides initiating disciplinary action against the staff concerned.

The loss sustained due to under valuation will be recurring in nature. Steps would need to be taken for revision and the loss caused to GVMC would need to be recovered from the person or persons responsible.

REVENUE SECTION-VLT-SHORT ASSESSMENT OF VACANT LAND TAX- LOSS TO GVMC- NEEDS RECOVERY:

Rs.91810/-

During the course of audit for the year 2015-16, on verification of files related to assessment of Vacant Land Tax, it is noticed that short assessment of demand for an amount of Rs.91810/- in 13 files out of total 754 assessment files.

According to Section-212 & 213 of the HMC Act 1955, Vacant Land Tax should be collected on identified vacant lands @0.5% on Capital Value of the site. As per the guidelines approved by the council of GVMC dt.24.8.1983 Capital Value shall be taken as follows:

- a) Before 3 years from sale of land, registered document value may be considered as Capital value
- b) Beyond 3 years from sale of land, Market value obtained from the SRO concerned may be considered as Capital value

Further, as ascertained from the files regarding existing procedure, VLT should be assessed wrt to above rules based on the following evidential documents:

- i. Registered documents
- ii. Link documents
- iii. Encumbrance Certificate
- iv. Market Value issued by the SRO

However, in the cases listed out in the annexure short demand noticed for Rs.91810/-.

However, short fixation of demand of VLT deteriorates the financial position of the institution and hampers the developmental activities in the corporation area.

Hence, action would need to be taken to collect the deferential amounts as shown in the above cases under the act with penal interest etc., The loss caused if any in other cases which were not produced to audit also would need to be made good from the person or persons responsible under intimation to audit.

REVENUE SECTION-VLT-ASSESSMENT OF VACANT LAND TAX-NON OBSERVANCE OF RULES-IRREGULAR- NEEDS ACTION:

During the course of audit for the year 2015-16, on verification of files related to assessment of Vacant Land Tax, it is noticed that demand raised for an amount of Rs. 18455.49 lakhs on 754 assessment files which were produced to audit.

According to Section-212 & 213 of the HMC Act 1955, Vacant Land Tax should be collected on identified vacant lands @0.5% on Capital Value of the site. As per the guidelines approved by the council of GVMC dt.24.8.1983 Capital Value shall be taken as follows:

- a) Before 3 years from sale of land, registered document value may be considered as Capital value
- b) Beyond 3 years from sale of land, Market value obtained from the SRO concerned may be considered as Capital value

Further, as ascertained from the files regarding existing procedure, VLT should be assessed wrt to above rules based on the following evidential documents:

- i. Registered documents
- ii. Link documents
- iii. Encumbrance Certificate
- iv. Market Value issued by the SRO

In the absence of the above documents, the correctness of the VLT demand fixed could not be ascertained and certified in audit.

Hence, action would need to be taken to obtain the documents even now and review the demand wrt to the information with that documents and loss caused if any would need to be made good from the person or persons responsible and compliance may be reported to audit.

REVENUE SECTION – MDR- LEASING OF SHOPS – NOT COLLECTED SERVICE TAX AMOUNTS – LOSS NEEDS RECOVERY:**Rs. /-542500/-**

During the verification of MDR of leases of shops and road margins for the year 2015-16, it is noticed that the following service tax at rate of 14% were not collected while conducting the auction. As per the Agreement conditions and letter Roc.No.1304/2010 dt.20-8-2010 of the Superintendent of Central excise and Service Tax Department the lessees shall pay the Service Tax @ 14% on leased-out. Hence the service tax will be remitted to the central excise and service tax department without collecting that tax the GVMC loss the funds .Hence action would need to be taken to collection tax from the lease holder's and made good to the institution. :

REVENUE SECTION – MDR- LEASING OF SHOPS – SHORT RECOVERY OF LEASE AMOUNTS – LOSS NEEDS RECOVERY:

During the verification of MDR of leases of shops for the year 2015-16, it is noticed that the following irregularities, which resulted in loss to GVMC Funds. AS per the standing committee resolution NO.,98/09 Dated:18.6.09 the lessess :

1. The lessee should pay 4 months' rent as security deposit.
2. The lessee submit a Bank guarantee of Rs. 142500 /-
3. The lessee should pay an amount of Rs.2000/- as caution deposit which is non-refundable.

But in the following leases the conditions laid down in the resolution was not followed which is irregular and caused loss to the GVMC Funds.

Sl. No	Name of the lessee Details	Bid amount	To be collected / deposited		Short collection / deposited	
			Registration fee	Bank worth guarantee	Registration fee	Bank worth guarantee
1	B.Nagasuri babu, Road margins - from 1-4-2015 to 31-3-2016	3100000	31000	0	31000	0
2	M.Nanamma- Slaughter house –Big from 1-4-2015 to 31-3-2016	330000	3300	0	3300	0
3	D.Ravikumar Slaughter house –Small – from 1-4-2015 to 31-3-2016	460000	4600	301250	4600	158750

Short recovery leads to leakage of revenue and deteriorates the financial position of the institution. Hence, necessary steps may be taken to recover the loss amount, if any, from the person or persons responsible.

ROAD MARGINS LEASES- STAMP DUTY NOT COLLECTED LOSS:**Rs15500/-**

Commissioner zone V Gajuwaka, the collection Rights of Road margin for the year 2015-16 was given to Sri N.Nagasuri babu. The collection rights of Road margin fee were sold for Rs 3100000/- and that was also approved by the council As the lease agreement was not registered, according to sub section GVMC act 1955, the stamp duty of Rs 15500/- ie @ 0.5% on the total lease value, is to be collected and remitted to GVMC funds. But in spite of the conditions laid in the act, the collection of stamp duty was totally ignored and let the contractor made the collections of Road margin Kisti without payment of it. Thereby the GVMC sustained a loss of Rs 15500/- by way of evasion of stamp duty. Hence action is needed to be taken to get that amount recovered from the person of persons responsible.

SLAUGHTER HOUSE LEASES- STAMP DUTY NOT COLLECTED LOSS

Rs1650/-

Commissioner zone V Gajuwaka, the collection Rights of slaughter house for the year 2015-16 was given to Sri M.Nanamma . But in spite of the conditions laid in the act, the collection of slaughter house was totally ignored and let the contractor made the collections of slaughter house Kisti without payment of it. Thereby the GVMC sustained a loss of Rs 2300/- by way of evasion of stamp duty. Hence action is needed to be taken to get that amount recovered from the person of persons responsible.

**M D R ROAD MARGINS - MARKET KISTI- DEPARTMENTAL COLLECTION THE RECEIPT
BOOKS AND REGISTERS NOT PRODUCED
Rs.175710/-**

According to the file, due to delay in conformation of auction conducted for the collection of market fee on road margins, the market fee collections were made departmentally. But the registers that are to be maintained in accordance with the sub rule rule of receipt and expenditure rules were not produced to audit. However an amount of Rs 175710/- were collected and said to have been remitted to GVMC funds in the name of departmental collection. But unless the tickets used and the tickets issue register are verified, the bona fides of the collection and the propriety and accuracy in remittances thereof are not possible for confirmation in audit. Adding that the information with regard to appointment of in charge for collection and mandate for collection were not recorded anywhere in any record. Hence there seems something out of ordinary and needs an enquiry to be conducted to find the truth in that entire transaction and any misappropriation or defalcations are found therein, that would need to be made good to municipal funds.

**M D R ROAD MARGINS - MARKET KISTI- DEPARTMENTAL COLLECTION THE RECEIPT

REVENUE SECTION- MUTATIONS/TITLE TRANSFERS-CONNECTED FILES NOT PRODUCED- NEEDS ACTION:

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that 212 files out of 1700 files were produced and verified in audit.

As per the existing procedure the following documents should be furnished along with the mutation applications for title transfers:

- Application form
- Attested Registered documents
- Attested Link Documents
- Encumbrance Certificate on property in original
- Payees receipt @1000/- for every 10 lakhs on the present Market value of the property
- Payee's receipts of Property Tax up to date
- House Tax Pass book in original
- Third party clearance certificate in case of allotments of VUDA / Housing board
- No objection Certificate from banks etc.

But the following mutation files were not produced to audit for verification of correctness of the mutation fee collected:

In the absence of the files the correctness of the following items could not be ascertained in audit:

- Correctness of mutation fee collected
- All the enclosures furnished or not
- Correctness of the documents value of site and building basing on the certificate issued by Registration Department
- Correctness of the clearance from VUDA / Housing Board / Banks etc.,

Even though, half margin letters were issued to the zonal authorities, they are not responding and produce the records till the close of audit.

Hence, action would need to be taken to produce the connected files to audit for verification and the loss caused if any would need to be made good from the person or persons responsible.

DATA BASE OF THE RECORDS OF TAXATION – EFFICACY OF THE SOFTWARE :

During the course of audit, it was noticed that the Demand Registers (both current and arrear) of property tax and other tax and non tax revenues were maintained based on the computer generated data. Manual maintenance of the same was dispensed with, though there were instructions to maintain the same. The actual demand for the current and arrear years was not certified by the competent authority and produced to audit.

Collection of property tax and other revenues is done in many ways like remittance in e-seva, by online remission, payment by way of Cheque or Demand Draft etc., from the tax payers. Whether the software takes care of various ways of collections of taxes was not explained to audit.

As seen from the Cheques received register, the corresponding credit entries in the Bank account could not be traced in audit and the amount realized in lump sum on a day is taken to receipt.

As seen from the Cash Book, the receipt side of the cash book was not at all maintained. Treasury adjustments, voucher adjustments etc., were not carried out.

Registers of appeals, revisions, mutations, writes off, remissions etc., were not maintained and produced to audit. Monthly lists of out door staff whether given effect, if so whether given effect promptly within the time or not were not borne by record and as no manual demand registers were maintained whether all such changes were effected in the demand or not could not be verified in audit.

In the absence of maintenance of subsidiary registers connected with levy, collection of property tax and other taxes and non taxes, the demand generated by the computer data base whether can be taken as authentic and certified demand or not, could not be decided in audit. The Executive Authority therefore would need to look in to the matter and test the efficacy of the software in place and furnish certified demand to audit so as to verify the same.

INCONSISTENCIES IN THE E-SUVIDHA PACKAGE RESULTING IN LOSS TO THE MUNICIPAL CORPORATION:

Certain inconsistencies were noticed in the e-Suvidha package during the course of audit which had a bearing on the correctness or otherwise of the PT fixed and collected accordingly. The package was not levying the deviation penalties even when there were deviations from permitted extent as per building permission. It only levied penalty for unauthorized construction. There was no assurance in audit that the calculation of PT was correct in the system. The special notice generated by the package was being used and the copy of the same was not made available in audit. There was no assurance in audit that the three logins were not misused as it was noticed that the DEO was using all the three logins freely and there was no check on the use of the logins. There was no assurance in audit that the Special demand notice was compared properly before the facsimile of the Commissioner was appended.

REVENUE-REVISION PETITIONS-REGISTER NOT MAINTAINED PROPERLY AND OTHER IRREGULARITIES –NEEDS EARLY ACTION:

As verified from the Register of Revision Petitions for the year 2015-16, it is noticed that 70 Revision Petitions were received during the year stating that tax was enhanced by the GVMC is abnormal and requested for reduction of the same w.r.t to the existing rules and actual measurements. Out of total Revision Petitions received only 30 files were produced to audit.

As verified the register and files, the following defects were noticed:

- Defective maintenance of register: As per procedure all the RPs shall be recorded in the Register of Revision Petitions in the proforma prescribed in Form-D, 24-columns register. RP wise Assessment number, date of service of notice, date of receipt of RP, amount of tax objected (component wise), amount of tax reduced (component wise) if any, net amount of tax as a result of RP (component wise), special remarks if any etc., should be recorded under attestation of the competent authority. But on verification it was observed that except Asst. No, name of the applicant, old tax, present tax no other columns of the register filled.
- Reasons specified in the file for reduction of tax but the same were not recorded in the register and not certified by the competent authority.
- As per the Act provisions, all the revision petitions should be disposed within the period specified by conducting hearing by the appellate authority for taking decision for reduction, enhancement or confirmation as the case may be and the same shall communicated to the assesses so as to collect tax in time. But in the following cases, status of RPs whether they were disposed or pending not forthcoming to audit:

However, in case of assesses not attended to hearing before the appellate authority further action has to be taken by the competent authority as per Act provisions and they shall be disposed off as required manner. But in the above cases, further action not forthcoming to audit as no entries recorded either in the register or file.

- Every RP file shall be supported with individuals application, special notice, evidential documents, notices issued for attending to hearing, statement of the applicant with supportive material, remarks of the appellate authority etc., but in the following cases files were found in incomplete shape though some of the RPs disposed in favour of the applicants:

In view of the above defects the correctness of revision of tax could not be ascertained and certified in audit.

Hence, action would need to be taken to rectify the above defects and produce along with connected RP files to audit for verification. The loss if any caused in the matter would need to be made good from the person or persons responsible under intimation to audit.

WORKS-ENGINEERING WORKS – WORKS EXECUTED – ABNORMAL DELAY NOTICED – IRREGULAR-NEEDS ACTION:

During the course of audit of GVMC for the year 2015-16, as verified from the work bills it is observed that huge amounts were spent towards execution of works but the time limit with reference to agreement was not followed and subsequent action not taken against the contractors concerned which is irregular.

As per the norms laid down in AP Public works Accounts code and Departmental codes, the work should be completed within the stipulated period of time as per the agreement so as to meet the needs of the public. In case of considerable delay occurred due to unexpected conditions the same should be extended with the approval of the competent technical authorities. Beyond the conditions considerable fine should be imposed against the contractor concerned. But in the following cases the action taken against the contractors for abnormal delay was not forthcoming to audit.

In support of the abnormal delay some of the cases given below for reference.

Sl. No.	Name of the work and contractor(Sri / Smt)	Sanction order date	Gross Rs	Net Rs	Period of completion	Actual date of completion	Late by
1	Providing BT patch work from NTR Nagar to Tirumulanagar at vadlapudi.	6-4-2015 (WO)	600000	532544	7-6-2015	29-8-2015	2 months 22 days

Abnormal delay in execution of works causes loss to the institution because of increase of rates of material with reference to changes of price index and purpose of the expenditure. Hence action would need to be taken to discontinue such type of practice hereafter so as to avoid misuse of funds and impose penalties as per norms. The loss caused due to abnormal delay would need to be assessed and recovered from the person or persons responsible under intimation to audit.

ENGINEERING SECTION – WORKS EXECUTED – TENDERS ACCEPTED BEYOND THE LIMITS – IRREGULAR – NEEDS INVISTIGATION:

During the course of audit for the year 2015-16, as verified from the work files, it is noticed that huge amounts were spent towards execution of works. But the procedure for acceptance of tenders was not followed by the executive authorities in so many cases. In cases detailed in the annexure appended to this para the executive authority accepted the tenders beyond the limits specified by the Government for time to time.

As per the existing rules with reference to G.O.Ms.No.94 Fin (PW) Dept, dated 01.07.2003 the tenders should be accepted upto the maximum loss of 15% only. In case of beyond 15% of the estimate cost Bank guarantee from the contractor and Demand draft for the difference between the tendered amount and 85% of the estimate value should be obtained and kept with the institution so as to avoid loss due to middle drop of the contractor for the execution of work.

But for the given instances such procedure was not followed by the executive authority which is violation of rules. Hence action would need to be taken to investigate the matter whether loss caused if any due to acceptance of tenders beyond the limits specified and assess the loss if any recovered from the person or persons responsible.

WORKS - ENGINEERING WORKS - WORKS ALLOTTED ON NOMINATION BASIS IN VIEW OF URGENCY-PURPOSE NOT SERVED-IRREGULAR:

During the course of audit of GVMC for the year 2015-16, on verification of work files and M-Books of Engineering section, especially in Zone-V, it is noticed that the following works were entrusted to the contractors on nomination basis without calling for tenders duly stating that in view of the urgency. But as verified from the files connected, the works were not completed before the due dates as specified in the agreements and purpose was not served. The details were given below:

Sl. No.	Name of the work	Gross Rs	Net Rs	Date of work order	Time allowed	Date of completion	Time taken actually
1	Construction of SW drain and repairs to culvert and C.C drain near Tara Masjid in ward.16 (Sri L.G.Naidu, M.B.497/09-10)	216000	179263	31/12/10	30 days	6/4/2011	3 months
2	Urgent repairs and renewal to B.T surface from NH5 to BVK college, ward.13 (M/sA.R.Constructions, M.B.503/09-10)	475800	417383	24/8/10	31 days	8/10/2010	1 month 15 days
3	Restoration of U.G.D trenches and providing patches and renewal of B.T road in Balajinagar in ward.16 (M/s A.R.Constructions)	466000	407024	23/10/10	30 days	4/1/2011	1 month 15 days
4	Providing B.T patches and renewal of B.T road from NH5 to culvert at Shivaji park in ward.16 (M.Simhachalam, M.B.505/09-10)	469882	391584	23/10/10	7 days	10/1/2011	2 months 10 days

As verified from the above information, it is ascertained that immediate purpose of allotment of works on nomination basis was not at all served and no action was taken against the default contractors and seems to be a procedure adopted only to avoid tenders. The same provided unintended benefit to the contractors and constitutes loss to the institution.

Therefore, action would need to be taken to discontinue this type of practice in future and the loss caused if any would need to be made good from the person or persons responsible under intimation to audit.

STATUTORY RECOVERIES MADE FROM WORK BILLS REMITTANCE PARTICULARS TO APPROPRIATE FUNDS AND DEPARTMENTS NOT PRODUCED - NEEDS ACTION: Rs 23735395/-

During the year 2015-16 an amount of Rs 23735395/- was recovered towards statutory recoveries i.e., S.C. IT, VAT, and labour cess from works executed from General Funds of GVMC Gajuwaka - V as detailed in Annexure.

The said recoveries made from work bills would need to be remitted to concerned funds and Departments and challan produced for verification in audit.

In the meeting held before commencement of audit, it was clearly informed to the audit party that all the records are available at Zonal level, however, it is very unfortunate to state that each and every officer of Zone, simply said only one word that every record was at Head quarters office only. Thereby, to the extent of available and produced records, the audit is completed. Regarding this, the fact was appraised before Zonal Commissioner many a time in person and also through HM notes issued, however, the Zonal Commissioner, in the seat simply nodded his head and at the end it was unfruitful. But the remittance particulars of the above amounts to the departments concerned were not made available to audit for verification. In the absence of the remittance challans the correctness of the remittance could not be certified in audit. Hence, action would need to be taken to produce the remittance challans to audit for verification.

EXECUTION OF WORKS - CONNECTED M.BOOKS AND OTHER RELEVANT FILES NOT PRODUCED - IRREGULAR - NEEDS EARLY ACTION Rs. 30531126/-

In respect of the following vouchers a total sum of Rs. 30531126/- was incurred towards execution of various works during the year. But the connected M.Books, Estimates and other relevant records were not produced to audit for verification. In the absence of the above the payments already made could not be admitted in Audit and is held under objection. Hence immediate action would need to be taken for production of above records to audit for verification and admit the expenditure though Half margin letter issued:

From the above information, the audit opined that effective steps have not been taken by the Executive Authorities concerned for 100% realization of water tax as 30% of Water Tax kept pending realization. Further, it is opined that the correctness of the demand, collection and balances could not be certified in audit as the basic records (Water Tax Demand Registers) which are useful for cross checking were not maintained.

However, non-realization/collection of taxes leads to weakening the financial position of the GVMC and hampers the developmental activities and scope for providing basic amenities to the citizens of the GVMC will be reduced. Hence, action would need to be taken to realize/collect the balances at an early and fact report to audit for verification.

Para No. 299**Code No-7**

WATER SUPPLY-DCB OF GENERAL TAP CONNECTIONS-AMOUNT NOT REALISED FULLY-LOSS TO GVMC-NEEDS EARLY REALISATION: Rs 9100/-

During the course of audit for the year 2015-16, on verification of Register of General Tap connections, it is noticed that an amount of Rs.9100/- was pending realization as on the closer of the financial year.

According to procedure prescribed by the GVMC, General Tap connection shall be provided subject to fulfillment of the following conditions:

- Individual shall submit the House Tax receipt, challan for prescribed fee along with application form.
- There are 2 categories of tap connections i.e 15mm & 20mm with different fee structure.
- Fee structure:
 - application fee @ Rs.125/- to all connections.
 - estimate charges @Rs.1000/- for 15mm size and Rs.2000/-for 20mm size.
 - contribution @ Rs.6000/- for 15mm which are having HT below Rs.1000/- & @ Rs.7000/- for 15mm which are having HT beyond Rs.1000/- and @Rs.12000/- for 20mm size.
 - @Rs.1600/- additional amount for any size located in JNNURM project area

However, the procedure was adopted by the AEs concerned to the extent of possible levels during the scrutiny of applications. But, an amount of Rs.9100/- was pending collection as on the closer of the financial year as detailed below:

However, as verified from the register and files, following defects were noticed:

- The register was not maintained for financial year.
- Month wise abstract not recorded and certified by the competent authority.
- Certain applications were processed without signatures of the applicants, unfilled declarations by the applicants and without certification regarding metre number, reading, water tax assessment number etc., by the AE concerned.
- Particulars of date of execution of connection, assessment of water tax also not recorded to certain connections.

Hence, action would need to be taken to rectify the defects and produce the same to audit under proper attestations.

between two rates or to recover the differential amount from the person or persons responsible and produce the particulars to audit for verification.

WATER SUPPLY-SUPPLY OF WATER THROUGH TANKERS-COUPONS WITH RECORDS RELATED RECORDS NOT PRODUCED-NEEDS ACTION:

During the course of audit on the accounts of water supply of GVMC Zone-V for the year 2015-16, as ascertained from the records related to water supply through tankers it is observed that coupons will be issued at TSR Complex for sale of water through tankers duly collecting the cost of water @Rs.40/-per KL and water will be supplied through tankers by the Zone-V

Further, it is noticed that towards free water supply during the repairs of the pipelines in zone I area. But the connected records for which supplied from AE yendada and free water supply through tankers at own supply point of AE aarilova also not produced to audit though issued half margin letters. In the absence of the above records the correctness of following transactions taken place in the zonal area could not be certified in audit.

- Quantity of water supplied to the public
- Quantity of water supplied to the private parties
- Quantity of water supplied to the call center and government departments at free of cost
- Rate fixed per Kilo Litre
- Amount realized
- The tankers utilized etc.,

Hence, action would need to be taken to produce the above coupons together with registers to audit for verification and the loss caused if any in the matter would need to be made good from the person or persons responsible.

WATER SUPPLY-SANCTION OF VARIOUS TAP CONNECTIONS-FOUND DEFECTIVE SCRUTINY OF APPLICATIONS-NEEDS RECTIFICATION:

During the course of audit as verified from the Registers related to Tap connections and application files of Zone-V for the year 2015-16, it is noticed that no.43 of applications received and an amount of Rs.13107774/- was collected towards Tap connections fee during the year as detailed below:

S.No.	Category of tap connection	No.of applications	Amount collected (Rs.)
1	BPL Connections	1014	1242150
2	BPL-ID Bonds Connections	0	0
3	BPL-Undertakings connections	0	0
4	General Connections	611	5825125
5	Semibulk Connections	69	6040499
Total		1694	13107774

As per procedure adopted by the GVMC vide Procs Rc.No.200G/2003/EE(WS), Dt.30.4.2003 of the Commissioner w.r.t CR No.276/2002, dt.27.2.2003, the Assistant Engineers of concerned sections are responsible for sanction, work order, execution, awarding of assessment numbers, submission list of monthly executed connections and assessment of water tax.

In view of the above instructions the sanctioning authority i.e the Assistant Engineers of concerned are expected to scrutinize the applications thoroughly with reference to relevant rules and evidential documents before according sanction. But, as verified the registers and application files, scrutiny found defective as there are many omissions found in files as listed some cases for reference below:

However, according sanction without proper scrutiny leads for leakage of revenue, provides benefit to ineligible candidates and sustains loss to GVMC.

Hence, action would need to be taken to take proper care for scrutiny before according permission to tap connections.

STATE AUDIT DEPARTMENT**

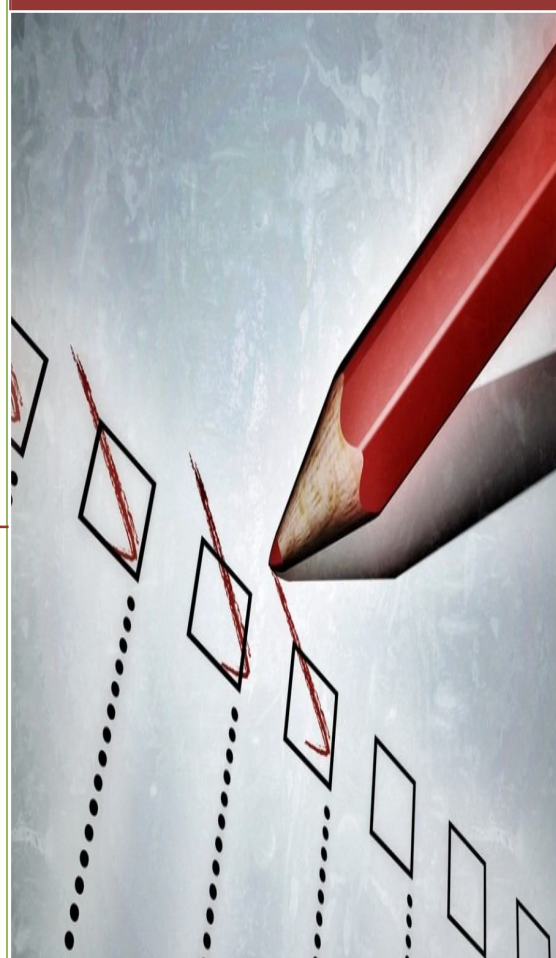

AUDIT REPORT

2015-16

**GREATER VISAKHA
MUNICIPAL CORPORATION**

ZONE - VI

PART - B

SCOPE OF AUDIT –STATUS OF MAINTENANCE AND PRODUCTION OF VARIOUS VITAL AND IMPORTANT RECORDS:

During the course of audit for the year 2015-16, it is noticed that **certain vital and important records were not maintained, if maintained also, they were partial. The non-maintenance and non-production of records and irregular maintenance of certain registers, nothing but opening of the doors for all sorts of irregularities such as misappropriations, defalcations and other major financial losses.**

Further, it was observed that the manual records such as Demand Registers, Posting Registers etc., were dispensed with unilaterally without having instructions either from the Government or from the Director of Municipal Administration. Certain records were maintained partially in the system, which could not be verified at the end of transaction.

In the above circumstances, there is every possibility and scope for misappropriations, defalcations, and irregular drawls as the maintenance of records is not comprehensive.

Subject to the above position, the audit was conducted to the extent of production of records and the objections were raised based on the observations from the following Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned.

Detailed report on maintenance and production of records by the various sections of each Zone explained hereunder to define Scope of Audit:

Apartments above G+3 floors (Upto 300 sq.mts)	3000/-
Residential apartments (Above 17.50 mts)	4000/-

The particulars of applications received along with prescribed fee have to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation. But, in contrast the fee/material stocking charges was short collected during the year whereby the GVMC sustained a loss of Rs.37,66,000.00 in the following zones:

S. No.	Particulars of Zone	Total no.of applications	No. of applications produced for verification	No. of applications in which short collection noticed	Amount of Short collection(Rs.)
1	Zone-VI	741	629	627	3766000.00

The particulars of application wise short collection of Material Stocking Charges detailed in part-II of this report vide Annexure No.9 for reference. From the above data, it is noticed that out of 629 scrutinized applications Short collection of Material Stocking Charges made in 627 applications which constitutes huge loss to the institution and hampers the developmental activities of the targeted group in the jurisdiction of the GVMC.

Hence, action would need to be taken to collect the balance amount with penal interest and remitted to the funds of the institution. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

TOWN PLANNING-SHORT COLLECTION OF 14% OPEN SPACE CHARGES-LOSS-NEEDS RECOVERY: Rs.8760635.00

As per the standing instructions issued in AP Building Rules, 2012 Open Space Charges at the rate of 14% of land value as per SRO Rate i.e market value certified by the SRO or registered document value whichever is higher shall be collected by the GVMC before according permission for construction of buildings in unapproved layouts.

But during scrutiny of 629 scrutinized files it is noticed that open space charges short collected and loss sustained to GVMC for amounting Rs.87,60,635.00 due to misapplication of rates, recovery of 10%, 12% in some cases etc., in 198 files as detailed in part-II of this report vide Annexure No.10 for reference.

As ascertained from the town planning officials it came to know that 14% Open Space Charges applicable only in case of newly developed areas /not part of any approved layout / Plots not regularized under LRS. But no remarks in this regard in BA files.

Non collection/short collection of Open Space Charges from the applicants of un-approved layouts sustains loss to the GVMC and leads to hamper the developmental activities. As such, the Executive Authority must fix the responsibility on the person or persons responsible for the above loss and take steps for recovery of above amount along with penal interest immediately and credit the same to GVMC funds apart from taking suitable action against the officials concerned. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

TOWN PLANNING – SHORT COLLECTION OF VLT AND OTHER IRREGULARITIES IN CERTAIN BUILDING APPLICATIONS-LOSS-NEEDS RECOVERY: Rs.275994.00

During the course of audit of GVMC for the year 2015-16, as verified from the Building Applications Register it is noticed that an amount of **Rs.2,75,994.00** was short collected towards VLT and other fee under

Sec-622(II) of HMC Act 1955 read with Sec-7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per Section 85(3) of the Municipalities Act, 1965 read with instructions issued by Govt of AP provides provision for levy of a tax on vacant lands in Municipal Corporation limits@ 0.50% per annum of the capital value of the site/land. The town planning authorities shall watch the up to date remittances of VLT before accorded permission for construction of buildings. If VLT not assessed or non-remittance noticed the town planning authorities shall collect VLT at least for 2 half years as per the existing instructions before issue of BA permission.

a) Short collection: The authorities exercised their powers in this regard and collected VLT before according permission for construction but not arrived exact demand w.r.t. latest market values as per SRO rate or document value whichever is highest and subsequently leads for shortage in demand and short collection as detailed in part-II of this report vide Annexure No.11 for reference.

Out of 629 applications produced to audit, found short collection of VLT in the above 80 cases which sustained loss of Rs.275994.00. Short collection of tax constitutes loss to the institution and hampers the developmental activities of the targeted group in the jurisdiction of the GVMC.

b) Other irregularities:

As verified the remittance of VLT with BA permission files, it is noticed that in the following files VLT fixed and collected based on the old market values which leads for leakage of revenue and sustains loss to the GVMC:

However, short fixation of demand or fixation of demand on old market rates and violation of rules related to collection of VLT while sanction of building permissions is irregular and sustains loss to the institution.

Hence, action would need to be taken to collect the balance amount with penal interest and remitted to the funds of the institution. The loss caused to the institution if any would need to be made good from the person or persons responsible and fact reported to audit for verification.

It is the duty of the officials concerned to watch the fulfillment of specified requirements before releasing mortgaged amount / open space and issue of occupancy certificate etc., but in many cases occupancy certificates were issued, open space amount was released, mortgaged open space was handed over to the applicants without observing prefixed conditions i.e formation of BT approach road by the party etc., which is irregular.

Hence, action would need to be taken to watch the procedure hereafter while releasing amount and issuing of occupancy certificates. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

TOWN PLANNING-DCB OF ENCROCHMENT FEE-NON COLLECTION OF DUES AND LATE REMITTANCE OF COLLECTED AMOUNTS-IRREGUAR- NEEDS SUITABLE ACTION: Rs.7400.00

During the course of audit on the accounts of ZONE-VI GVMC for the year 2015-16, on verification of Encroachments fee Demand Registers, the following major irregularities were noticed:

- Non-collection of dues for Rs.200/-
- Late remittance of collected amount for Rs.4300/-
- Fixation of short demand for Rs.2300/-
- Short remittance for Rs.600/-

a) Non-collection of dues:

Rs.200/-

As per the provisions laid down in the HMC Act-1955 read with Sec- 7 of VMC Act-1979, necessary action has been taken to realize all the dues by the end of each financial year so as to avoid the amounts fall in arrears.

As verified from the demand registers of Encroachments it is observed that 191 encroachments were identified in Zone-VI during the year and fixed demand for Rs.1,76,115.00 towards Encroachment fee under temporary encroachments. Out of total demand only Rs.200/- was not collected as detailed below:

b) Late remittance of collected encroachment fee:

Rs.4300.00

As verified the collection and remittances w.r.t Miscellaneous Receipts and remittance challans for the year, it is observed that an amount of Rs.1900/- was collected on 31.3.2016 and kept with the staff as cash on hand instead of remittance to GVMC funds. The same was remitted during conduct of audit i.e on 2.12.2016 and 15.12.2016 as shown below:

c) Fixation of short demand:

Rs.2300/-

On cross verification of measurements, demand of the same traders w.r.t demand registers of current year and previous year, it is observed that demand short fixed when compared to the year 2014-15 for the same measurements as detailed below:

W. No.	Name & Location	Trade name	Demand for 2014-15	Demand for 2015-16	Difference
72	S.Satyavathi, Simhachalam	Pan shop	2000.00	600.00	1400.00

Total			5000.00	2700.00	2300.00

d) Short remittance:**Rs.600/-**

As verified the collection and remittances w.r.t Miscellaneous Receipts and remittance challans for the year, it is observed that short remittance of Rs.600 /- as shown below:

W.No	MR No.	Name of the Trader	Nature of trade	Collection as per MR (Rs.)	Remittance (Rs.)	Short Remittance (Rs.)
72	41705	S.K.Durga	Chicken shop	600	400	200
72	41710	K.Eswara Rao	Chicken shop	800	400	400
Total				1400.00	800.00	600.00

However, in view of the deviations/violations the audit opined that supervisory checks were not done by the higher officials of town planning at any stage which is highly irregular and non-remittance /short remittance of collected institutional amount as required manner also comes under violation of rules on part of staff concerned and it attracts disciplinary action against them as the institutional funds temporarily misappropriated.

Hence, action would need to be taken to recover the above amount with penal interest in addition to disciplinary action against the person or persons responsible and fact reported to audit. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

Para No.318**Code No.9****TOWN PLANNING-INSTALLATION OF CELL TOWERS -CERTAIN LAPSES NOTICED-NEEDS ACTION:**

As per GO. TOWN PLANNING-DCB OF ENCROCHMENT FEE-ADDITIONS AND DELETIONS OF CERTAIN ENCROACHMENTS-FILES NOT PRODUCED-NEEDS ACTION:

During the course of audit on the accounts of ZONE-VI GVMC for the year 2015-16, on verification of Encroachments fee Demand Registers for the FY 2014-15 and 2015-16, it is noticed that 43 new encroachments were included and demand raised for Rs.32300/- and 92 encroachments with a demand of Rs.67800/-were deleted during the year as detailed in part-II of this report vide Annexure No.12 (A) & (B) for reference.

However, the town planning authorities were requested for production of files with field reports in support of the additions and deletions listed above to ascertain the correctness of demand raised and deleted. But the files were not produced and stated that the demand registers prepared based on the field survey and no files were built up separately which shows their attitude towards legitimate duties is irregular. In view of the above position the correctness of the demand fixed, amount collected could not be certified in audit.

Hence, action would need to be taken to produce the files with field reports to audit for verification.

But connected demand register and files not produced to audit. When the staff requested for production of demand registers and files, they stated that no demand registers were maintained at zonal level

as the advertisement tax is being watched by the ACP GVMC Main Office and the above amount was collected on spot for local advertisements noticed in field visits. However, collection of amount without maintenance of records gives scope for misappropriation of funds, leakage of revenue and sustains loss to the institution. Hence, action would need to be taken to produce the records/files to audit for verification and loss caused if any in the matter would need to be made good from the person or persons responsible.

TOWN PLANNING - BUILDING PERMISSION APPLICATION FILES NOT PRODUCED - NEEDS ACTION:

During the course of audit for the year 2015-16, as verified from the Building Applications Register, certified list of Building Applications of Zone-VI it is noticed that 741 applications received during the year and an amount of Rs.10,18,76,070.00 was collected towards various fee as per gazette rates. Out of which 78 BA files which were listed out vide annexure no.13 in part-II of this report were not produced to audit which is irregular.

In the absence of the above files the correctness of the permissions accorded, amount collected etc., could not be ascertained and certified in audit. Due to non production of the above files the correctness of the following items could not be certified in audit:

- Date of application and date of disposal
- Extent of deviation / un-authorized construction
- Amount to be collected towards penalization fee
- The actual status of application
- Further action taken if any
- Whether leakage of revenue taken place if any etc.,

Hence, action would need to be taken to produce the above mentioned files to audit for verification and loss caused if any in the matter would need to be taken to made good from the person or persons responsible.

But, the register of TDR bonds not furnished in audit. In the absence of the register the correctness/genuineness of the TDRs issued, availed and security measures to avoid mis-utilisation of TDRs could not be ascertained and certified in audit.

Hence, action would need to be taken to produce the Register of TDR Bonds to audit for verification and loss caused due to lapses taken place in utilization of TDRs during the year would need to be made good from the person or persons responsible.

TOWN PLANNING-ISSUE OF OCCUPANCY CERTIFICATES-NON MAINTENANCE OF RECORDS AND OTHER DEFECTS-CONSEQUENT LOSS-NEEDS ACTION:

During the course of audit on the accounts of Zone-VI, GVMC for the year 2015-16, as verified the follow up action after issue of proceedings for construction of buildings i.e issue of Occupancy Certificates, co-ordination with revenue section up to levy of property tax audit opined that follow up action is not satisfactory.

Occupancy certificates shall be mandatory for all buildings and unless such certificate has been granted by the sanctioning authority no person shall occupy or allow any other person to occupy any building or part of the building. The Property owners consequent upon completion of the construction have to intimate the Corporation of the same in the prescribed proforma to facilitate the ULB to issue occupancy certificate and levy of PT. It was observed that Register of occupancy certificates was not maintained in this zone so as to watch the timely status and correct data regarding no.of buildings completed, no. of occupancy certificates issued and pending issue with files during the year also not made available to audit indicating failure of the zonal town planning wing in enforcing the provisions laid down.

The Government have issued G.O.Ms.No.168 MA&UD(M) Department Dated 07.04.2012 and as per Rule 26(d) the rate of compounding fee shall be equivalent to 100% of the value of the land as fixed by the Registration Department at the time of compounding for the violated portion. As the files concerned except 10 files were not produced to audit the observance of the rules issued in the said G.O by the ULB could not be checked in audit.

Further clause 'g' under Rule 26 of GO.Ms.No.168 MA & UD (M) Dept. dt.07-04-2012 the functional/line agencies shall not give regular connections of power, water, sewerage etc., unless such occupancy certificate is produced or alternatively may charge three times the tariff till such time occupancy certificate is produced. It was noticed in audit that in most of the cases the said connections were given even without issuing the occupancy certificate and normal tariffs are charged.

While requested for production of occupancy certificates the following 10 files only were produced for verification:

S. No.	BA No.	Name of the applicant	Date of procs	Site Area	Plinth area	Deviation	Fine/ Compounding fee	Amount collected(Rs.)

10	11896/15-72	M/s Sriram Projects (Rept by K.Srinivas)	10.7.15	442.41	248.35	0	0	0

Thus non production of building application files to audit would give scope for non detection of such irregularities which cause huge loss to the income of the ULBs. Hence, action would need to be taken to maintain the said register and produce the same with connected files to audit for verification and loss caused if any would need to be made good from the person or persons responsible under intimation to audit.

TOWN PLANNING-IMPLEMENTATION OF CERTAIN RATES W.R.T GAZETTE NOTIFICATION NOT FORTHCOMING-NEEDS ACTION:

During the course of audit on t

he accounts of GVMC Zone-VI for the year 2015-16 as verified the approved building application files w.r.t to the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010 regarding implementation of town planning rates the Corporation has to collect various charges before according approval for construction of buildings.

In the approved gazette many provisions were notified towards raising of source of income. But collection of certain fee /charges not at all forthcoming to audit. For reference, certain provisions are explained below:

U/s 428(6) of HMC Act-1955 read with S.No.4 of the Gazette No.38; dt.26.2.2010 GVMC is empowered to collect additional charges on the following items:

1(a) approval of revised plans within 6 months of approval(for which site area not changed), 50% of fee on already paid fee.

1(b) approval of revised plans beyond 6 months of approval, 50% of fee on already paid fee.

1(c) approval of rejected plans for which submitted before 6 months, 50% of fee on already paid fee.

1(d) beyond permissible timeline shall be charged at existing rates.

2(i) for temporary sun shades and balconies @Rs.200/- per 1 sq.mtr

2(ii) for permanent sun shades and balconies @Rs.400/- per 1 sq.mtr

4(a) for providing gates @ Rs.200/- each

4(b) for providing doors @ Rs.200/- each

4(c) for providing windows/ventilators@Rs.100/- each

4(d) for rolling shutters @ Rs.400/- each

U/s 618(1) of HMC Act-1955 read with S.No.5 of the Gazette No.38; dt.26.2.2010 GVMC is empowered to collect additional charges on the following items:

(4) for construction of compound wall @ Rs.20/- per 1 rmt

(8) for temporary structures on auspicious days like festivals @Rs.130/-per 1 sq.mtr for each week etc.,

But no cases noticed in audit in support of collection of above charges during the year and information regarding timelines of re-submitted BA files also not forthcoming to audit. However, non-implementation of above rates gives scope for leakage of revenue and loss to GVMC.

Hence, action would need to be taken to tap every provision laid down in gazette notification to raise the revenue of the GVMC.

TOWN PLANNING-COLLECTION OF AMOUNTS BY WAY OF DDs/CHEQUES- REALISATION NOT WATCHING-NEEDS ACTION:

During the course of audit for the year 2015-16, as verified from the Building Applications Register, certified list of Building Applications of Zone-VI it is noticed that 741 applications received during the year and an amount of Rs.10,18,76,070.00 was collected towards various fee as per gazette rates. Out of total collection, received Demand Drafts and cheques for Rs.6,20,43,813.00 in the listed cases vide annexure no.14 in part-II of this report.

The staff concerned either to watch the validity and realization of DDs/Cheques received by own or obtain status from others who are responsible to watch from time to time so as to take follow up action for revalidation if necessary. But the same was not forthcoming to audit in Town Planning section as certain DDs/Cheques were kept with the files without sending for bank which constitutes loss.

However, one case given below for reference:

An amount of Rs.3800/- was collected towards Vacant Land Tax from Sri L.Eswara Rao with building approval file BA No.11719/2015 vide DD No.941817, dt.8.5.2015. Permission has been accorded for construction of building with G+1, but the demand draft was not presented for realization before lapse of validity of DD as the original DD available with file physically at the time of audit. The same was not sent for revalidation even now which is irregular and constitutes loss to the institution.

In view of the above case, the correctness of the realization of the collected DDs/Cheques could not be ascertained and certified in audit.

Hence, action would need to be taken to watch the realization of DDs/Cheques collected and loss caused if any as in the above example case would need to be made good from the person or persons responsible and compliance may be reported to audit.

UNAUTHORISED CONSTRUCTIONS-FOLLOW UP ACTION NOT SATISFACTORY- IRREGULAR - NEEDS ACTION:

During the course of audit for the year 2015-16, as verified from the Register of Un-authorized Constructions it was noticed that 26 un-authorized constructions were identified during the year as detailed below:

From the above data it is ascertained that only 26 un-authorised constructions ([Ward No.66-2 UCs](#), [w.no.67-2 UCs](#), [w.no.69-2 UCs](#), [w.no.70-10 UCs](#), [w.no.71-8 UCs](#) & [w.no.72-2 UCs](#)) were identified by the town planning wing where as hundreds of un-authorised constructions were penalized(penalty collected) by the revenue wing during the year as per G.O.Ms.No.49, M.A dt.30-7-98 and amended from time to time.

Further, it is noticed that follow up action as required by law against those un-authorised constructions also not forthcoming to audit except issue of notices to the building owners U/S-452(1) of the AP HMC Act,1955 and hence audit opined that follow up action in this regard not at satisfactory level and there is every scope for leakage of revenue.

Hence, action would need to be taken to take effective steps for identification and penalization against the UCs as per Act and loss caused if any would need to be made good from the person or persons responsible.

However, non collection of Taxes in time deteriorates the financial position of the institution and hampers the developmental activities in the corporation area. The warrants issued against the defaulters also not produced to audit.

Hence, action would need to be taken to collect the balances of taxes and non-taxes by taking coercive steps under the act with penal interest etc., for the delay in payment. The loss caused if any in the matter would need to be made good from the person or persons responsible.

However, non collection of Taxes in time deteriorates the financial position of the institution and hampers the developmental activities in the corporation area. The warrants issued against the defaulters also not produced to audit.

Hence, action would need to be taken to collect the balances of taxes and non-taxes by taking coercive steps under the act with penal interest etc., for the delay in payment. The loss caused if any in the matter would need to be made good from the person or persons responsible.

Though the shops, markets and other assets of GVMC were leased out on monthly rent basis, many of the lessees are not paying the rent regularly and the arrears were kept uncollected for long time. But, no action was initiated by the concerned authorities, to vacate the default lessees, otherwise to collect the balances. However, non-realisation of dues causes' loss to the revenue of the institution hampers the developmental activities.

Other defects: As verified the MDR, the following defects were noticed:

- Particulars of deposits collected like Security deposit, Caution deposit etc., from the tenants/lease holders not taken to MDR.
- Particulars of bank guarantee, solvency of tenants as per lease conditions were not recorded in the register.
- Particulars of service tax and penal interest to be collected and collected were not taken to MDR.
- Abstract showing asset wise demand, collection, balances as on the date of close of financial year was not arrived and certified by the competent authority.

- Previous year balances not shown as arrear demand and arrears which collected during the year not taken to MDR.
- Dues for next financial year but before date of audit shown as current years collection and balances shown nil for the current year abstract.
- However, as seen from the MDR for the year 2015-16 the entries in the register were neither authenticated by the clerk concerned nor by the executive authority.

In view of the above irregularities the correctness of the demand fixed, amount realized and balance to be collected etc., could not be ascertained and certified in audit.

Hence, action would need to be taken to written up the register i.e MDR in the manner required by law and produced to audit long with lease files and necessary action would need to be taken to realize the balance amounts with penal interest as laid down in terms and conditions in lease files at an early date and loss caused if any in the matter would need to be taken to be made good from the person or persons responsible and credited to GVMC Funds.

In view of the above cases, it is observed that loss sustained to GVMC and government funds as stated above. Hence, action would need to be taken to review the above cases wrt to the transactions recorded in the MDR, lease files and online collection data and loss caused if any would need to be made good and compliance may be reported to audit.

REVENUE SECTION – MDR- LEASING OF SHOPS AND OTHER ASSETS- CERTAIN ASSETS KEPT VACANT AND OTHER IRREGULARITIES-LOSS-NEEDS ACTION:
Rs.2,61,298.00

As verified from the miscellaneous Demand Register with the connected lease files for the year 2015-16, it is noticed that an amount of Rs.46,31,792.00 was collected towards lease amount of shop rooms, fish tanks, kalyana mandapams and markets etc., as detailed below:

Total demand	:Rs.57,28,757.00
Total collection	:Rs.46,31,792.00
Total balance	:Rs.10,94,965.00

As verified the lease files with connected MDR it was noticed that certain shop rooms kept vacant, one fish tank deleted from demand, rent of one shoproom decreased than previous demand and action against defaulters not at satisfactory level and hence sustained loss to GVMC as detailed below:

On Shop room no.70-602-005	:Rs.111012.00
On fish tank	:Rs.12540.00
On Shop room no.71-605-007	:Rs.137746.00
Total loss	:Rs.2,61,298.00

a) Shop room code No.70-602-005 in DSN Shopping Complex(New) Chinnamushidiwada(W.No.70) kept vacant from 4/2014-Loss: Rs.1,11,012.00

as verified the lease file it is observed that the shop room bearing code No.70-602-005 in DSN Shopping Complex(New) Chinnamushidiwada(W.No.70) was kept vacant from 1.4.2014, but the reasons for non-leasing of asset not explained to audit. However, loss sustained to GVMC for an amount of Rs. due to non-leasing of shop room as calculated below:

Existing rent as on 31.3.2014 paid by Sri Y.B.Prasad	:Rs.3066 / -
Add: 33.3% enhancement	:Rs.1020.97
Revised rent w.e.f 1.4.2014 as per GO.Ms.No.56 MA&UD(J1)	
Dept., dt.5.2.2011	:Rs.4086.97
	:Rs.4087.00
Add: Service Tax @12.36% on monthly rent(2014-15)	:Rs.505.00
@14% on monthly rent(2014-15)	:Rs.572.00
Loss sustained to GVMC during 2014-15 & 2015-16	:Rs.4087*24Months
	:Rs.98088.00
Loss to Govt. due to non collection of service tax	:Rs.505*12+572*12
	:Rs.6060.00+6864.00
	:Rs.12924.00
Total loss calculated	:Rs.12924.00+98088.00
	:Rs.1,11,012.00

b) Deletion of Yerracheruvu (Fish tank) from demand-Loss: Rs.12540.00

As verified the lease files of fish tanks it is observed that Yerracheruvu fish tank of Gopalapatnam which was leased out for the period from 2012-13 to 2014-15 for Rs.33000/-, deleted from demand for the current year. The Executive Authority explained that it was deleted from the demand as per the request of the local people after hud hud cyclone which is not convincing to audit and loss to institution. However, loss sustained to GVMC for an amount of Rs. due to non-leasing of shop room calculated based on previous lease value as detailed below:

demand for previous lease period	(2012-13 to 2014-15)	:Rs.33000 / -
Average demand for 1 year (2015-16)		:Rs.11000 / -
Add: Service Tax as per existing rules		:Rs.1540 / -
Total loss to GVMC & Govt. funds		:Rs.12540 / -

c) Fixing of rent at lesser value than existing rent of Shop room no.71-605-007 of Srinivasa Shopping Complex, Pendurthi (W.No.71)-Loss: Rs.1,37,746.00

As verified the lease file related to leasing of shop rooms at Srinivasa Shopping Complex, it is observed that the tenure of Sri G.Ramunaidu was extended for 3 years period i.e 1.3.2015 to 28.2.2018 duly raising existing(as on 2 / 2015) rent from Rs.27,500 / - to Rs.36,666 / -P.M. The tenant signed the lease agreement

and accepted the terms and conditions. But he vacated the shop on 31.7.2015 duly clearing dues upto 7/2015 and deposit amount of lod tenant was adjusted upto 10/2015 i.e date of occupation of new tenant.

Later re-auction conducted on 30.9.2015 with an upset price fixed@Rs.9846/- as per 10% market value and confirmed the highest bidder Sri V.Rambabu for Rs.12500/-P.M. for 3 years period from 1.11.2015 to 31.10.2018 vide Rc.No.1558/15/A1/Zone-VI, dt.21.10.2015. However, loss sustained to the institution for Rs.1,37,746.00 due to failure of the authorities in collection of differential amount from the old lease holder as per terms and conditions laid down in agreement as detailed below:

a) Demand of lease amount as per old tenant
for the period 11/2015 to 3/2016 :Rs.36,666.00*5

:Rs.1,83,330.00

Add: Service tax @14% : Rs.25,666.00

Total demand for 5 months of 2015-16 :Rs.2,08,996.00

b) Demand of lease amount as per new tenant
for the period 11/2015 to 3/2016 :Rs.12500.00*5

:Rs.62,500.00

Add: Service tax @14% : Rs.8750.00

Total demand for 5 months of 2015-16 :Rs.71,250.00

Loss to GVMC (Difference of (a) & (b)) :Rs.208996.00-71250.00

:Rs.1,37,746.00

However, the GVMC foregone huge amount due to failure of the revenue staff in insisting and implementation of conditions regarding obtainance of bank guarantee, solvency, recovery of loss from the tenants as per agreement conditions etc., to minimize the loss as in the above cases.

Hence, action would need to be taken to recover the loss calculated from the person or persons responsible with penal interest and made good to the institution under intimation to audit.

REVENUE SECTION-VLT-SHORT ASSESSMENT OF VACANT LAND TAX- LOSS TO GVMC- NEEDS RECOVERY: Rs.24209.00

During the course of audit for the year 2015-16, on verification of files related to assessment of Vacant Land Tax, it is noticed that short assessment of demand for an amount of Rs.24,209.00 in 16 files out of total 586 assessment files.

According to Section-212 & 213 of the HMC Act 1955, Vacant Land Tax should be collected on identified vacant lands @0.5% on Capital Value of the site. As per the guidelines approved by the council of GVMC dt.24.8.1983 Capital Value shall be taken as follows:

- Before 3 years from sale of land, registered document value may be considered as Capital value
- Beyond 3 years from sale of land, Market value obtained from the SRO concerned may be considered as Capital value

Further, as ascertained from the files regarding existing procedure, VLT should be assessed wrt to above rules based on the following evidential documents:

- Registered documents
- Link documents
- Encumbrance Certificate
- Market Value issued by the SRO

However, in the following cases short demand noticed:

During the course of audit for the year 2015-16, on verification of files related to assessment of Vacant Land Tax, it is noticed that short assessment of demand for an amount of Rs.43173.00 in 8 files out of total 586 assessment files.

According to Section-212 & 213 of the HMC Act 1955, Vacant Land Tax should be collected on identified vacant lands @0.5% on Capital Value of the site. As per the guidelines approved by the council of GVMC dt.24.8.1983 Capital Value shall be taken as follows:

- Before 3 years from sale of land, registered document value may be considered as Capital value
- Beyond 3 years from sale of land, Market value obtained from the SRO concerned may be considered as Capital value

Further, as ascertained from the files regarding existing procedure, VLT should be assessed wrt to above rules based on the following evidential documents:

- Registered documents
- Link documents
- Encumbrance Certificate
- Market Value issued by the SRO

However, in the following cases short demand noticed:

f) Assessment No.100006/61596/W.No.70 of M.Satyanarayana Rao-Short demand due to variation in measurements: Rs.15,226.00

Sri M.Satyanarayanarao purchased site with an extent of 93 cents on document no.607/2003 dt.14.2.2003 from Sri CH Mulayya and VLT assessed for Rs.143196/-on MV of Rs.2,86,39,260/- based on the following data.

As per VUDA statement vide procgs Rc.No.880/10/L1, Dt.30.4.2013 extent arrived as follows:

Land extent in physical position	:4162.84 Sq.Yds
Less:Fallen under road widening	:192.47 Sq.Yds
Left as per railway norms	:272.18 Sq. Yds
Left as per VUDA norms	:516.05 Sq.Yds:(-)980.70 Sq.Yds
Net site area	:3182.14 Sq. Yds
Capital value as per SRO rate	:3182.14*9000/-
	:Rs.2,86,39,260/-
VLT demand arrived	:Rs.28639260*0.5%
	:Rs.1,43,196.00

But as per procedure we get 4501.2 Sq.Yds extent by transformation of measurements from cents to square yards as follows:

1 cent of area	:48.4 Sq.Yds
93 cents	:93*48.4 sq.yds
	:4501.2 Sq.Yds
Area taken in above calculation	:4162.84 Sq.Yds
Difference in area	:338.36 Sq.Yds
Capital value on differential area:	:338.36*9000/-
	:Rs.30,45,240.00
Shortage in demand of VLT	:Rs.3045240*0.5%
	:Rs.15,226.00

g) Assessment No.9/70615/W.No.70-Short demand due to variation in market value: Rs.1003.00

Smt B.Bhavani purchased site with an extent of 201.38 sq.yds on document no.3916/2013 for Rs.12,09,000/- and fixed VLT @6045/- But as per the market value obtained from SRO for Rs.14,09,660/-vide request no.1104/15, dt.26.10.2015, VLT has to be fixed @Rs.7048/- and result in loss of Rs.1003.00/- as follows:

CODE NO.9

REVENUE SECTION- TRANSFER OF PROPERTY - SHORT COLLECTION OF MUTATION CHARGES DUE TO NON OBSERVANCE OF MARKET VALUES- LOSS-NEEDS RECOVERY: Rs.41,000.00

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that loss sustained to the GVMC for Rs.41,000.00 in 34 files out of total verified 771 files (out of 1176 files only 771 files were produced) due to non observance of rules.

As per the existing procedure the following documents should be furnished along with the mutation applications for transfer of title of property:

- Application form
- Attested Registered documents
- Attested Link Documents
- Encumbrance Certificate on property in original
- Market Value issued by the SRO
- Payees receipt @1000/- for every 10 lakhs on the present Market value of the property
- Payee's receipts of Property Tax up to date
- House Tax Pass book in original
- Third party clearance certificate in case of allotments of VUDA / Housing board
- No objection Certificate from banks etc.,

As per procedure mutation charges have to be collected @Rs.1000/- on each Rs.10,00,000/- of capital value based on the registered document value or market value whichever is highest. But in the following cases, mutation charges collected only on the document value though the highest value of MV certified by the SRO is available and subsequently sustained loss to the institution.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the title transfer fee has to be collected for Rs.3000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.1000/- in the case.

Hence, action would need to be taken to recover the loss sustained to the GVMC from the person or persons responsible under intimation to audit.

PARA NO: 337

CODE NO.9

REVENUE SECTION- TRANSFER OF PROPERTY - SHORT COLLECTION OF MUTATION CHARGES DUE TO NON COLLECTION OF DOUBLE MUTATIONS-LOSS-NEEDS RECOVERY: Rs.28,000.00

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that loss sustained to the GVMC for Rs.28,000.00 in 11 files out of total verified 771 files (out of 1176 files only 771 files were produced) due to non observance of rules.

As per the existing procedure the following documents should be furnished along with the mutation applications for transfer of title of property:

- Application form
- Attested Registered documents
- Attested Link Documents
- Encumbrance Certificate on property in original
- Market Value issued by the SRO
- Payees receipt @1000/- for every 10 lakhs on the present Market value of the property
- Payee's receipts of Property Tax up to date
- House Tax Pass book in original
- Third party clearance certificate in case of allotments of VUDA / Housing board
- No objection Certificate from banks etc.,

As per procedure mutation charges have to be collected @Rs.1000/- on each Rs.10,00,000/- of capital value based on the registered document value or market value whichever is highest. The number of mutations involved in the process also should be observed and mutation charges should be collected accordingly. But in the following cases, single mutation charges collected where double mutations involved and subsequently sustained loss to the institution.

Case-1) T.P.No.1163/15/1.5.15/W.No.72/Zone-VI:

In T.P.No.1163/15/1.5.15/W.No.72/Zone-VI, an amount of Rs.1000/- was collected from B.Ramu & B.Prudhviraju towards Title transfer fee. According to the information in the file, the cost of the building was Rs.8,64,350/- and demand to be fixed for Rs.2000/- instead of Rs.1000/- towards double mutation fee as detailed below:

As verified the regd documents with link documents, it was noticed that Sri B.Ramu & B.Prudhviraju purchased the property from Sri B.Narayana for 2 assessments bearing assessment no.10001107048 & 10001107049. The title was transferred directly as single assessment which is irregular.

Accordingly, double mutation fee @2000/- has to be collected on capital value of Rs.8,64,350/- as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the title transfer fee has to be collected for Rs.2000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.1000/- in the case.

Case-2) T.P.No.1351/15/10.7.2015/W.No.68/Zone-VI:

In T.P.No.1351/15/10.7.2015/W.No.68/Zone-VI, an amount of Rs.2000/- was collected from P.Leelavathi towards Title transfer fee. According to the information in the file, the cost of the building was Rs.12,29,000/- and demand to be fixed for Rs.4000/- towards double mutation charges instead of Rs.2000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Smt P.Leelavathi purchased the property from Smt K.Radhamma who got it from Sri K.Subramanya Sharma. The title was transferred

directly from K.Subramanya Sharma to P.Leelavathi which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Sri K.Subramanya Sharma to Smt K.Radhamma-1 mutation@2000/-
- ii) Smt K.Radhamma to Smt P.Leelavathi-1 mutation@2000/-

Accordingly, double mutation fee @4000/- has to be collected on capital value of Rs.12,29,000/- as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.4000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.2000/- in the case.

Case-3) T.P.No.1409/15/18.8.15/W.No.70/Zone-VI:

In T.P.No.1409/15/18.8.15/W.No.70/Zone-VI, an amount of Rs.4000/- was collected from Sri Vasudha Bide towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.8000/- towards double mutation charges instead of Rs.4000/- as per the capital value of the asset for Rs.37,29,964/- as there is third party involvement found in the documents.

As verified the regd documents with link documents, it was noticed that Sri Vasudha Bide purchased the property from another person who got it from Sri R.Somayajulu. The title was transferred directly which is irregular. Therefore, transfer of title fee shall be collected in double.

Accordingly, double mutation fee @8000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.8000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.4000/- in the case.

Case-4) T.P.No.1485/15/9.9.2015/W.No.71/Zone-VI:

In T.P.No.1485/15/9.9.2015/W.No.71/Zone-VI, an amount of Rs.2000/- was collected from K.Sathish towards Title transfer fee. According to the information in the file, the cost of the building was Rs.10,25,000/- and demand to be fixed for Rs.4000/- towards double mutation charges instead of Rs.2000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri K.Sathish purchased the property from Sri K.Appa Rao who got it from Sri K.Narayana Rao. The title was transferred directly from K.Narayana Rao to K.Sathish which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Sri K.Narayana Rao to Sri K.Appa Rao -1 mutation@2000/-
- ii) Sri K.Appa Rao to Sri K.Sathish -1 mutation@2000/-

Accordingly, double mutation fee @4000/- has to be collected on capital value of Rs.10,25,000/- as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.4000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.2000/- in the case.

Case-5) T.P.No.1632/15/19.10.15/W.No.70/Zone-VI:

In T.P.No.1632/15/19.10.15/W.No.70/Zone-VI, an amount of Rs.3000/- was collected from Sri Kamala Patnaik towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.6000/- towards double mutation charges instead of Rs.3000/- as per the capital value of the asset for Rs.21,00,000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri Kamala Patnaik acquired the property from Smt M.Nagaswapna who got it from Sri M.Sairam. The title was transferred directly which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Sri M.Sairam to Smt M.Nagaswapna mutation@3000/-
- ii) Smt M.Nagaswapna to Sri Kamala Patnaik -1 mutation@3000/-

Accordingly, double mutation fee @6000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.6000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.3000/- in the case.

Case-6) T.P.No.1781/15/5.12.2015/W.No.66/Zone-VI:

In T.P.No.1781/15/5.12.2015/W.No.66/Zone-VI, an amount of Rs.2000/- was collected from K.Vijay Kumar towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.4000/- towards double mutation charges instead of Rs.2000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri K.Vijay Kumar purchased the property from Sri L.Kannam Naidu who got it from Smt K.Komaladevi. The title was transferred directly from Smt K.Komaladevi to Sri K.Vijay Kumar which is irregular. Therefore, transfer of title shall be done in the following manner:

i) Smt K.Komaladevi to Sri L.Kannam Naidu -1 mutation@2000/-

ii) Sri L.Kannam Naidu to Sri K.Vijay Kumar -1 mutation@2000/-

Accordingly, double mutation fee @4000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.4000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.2000/- in the case.

Case-7) T.P.No.1800/15/14.12.15/W.No.72/Zone-VI:

In T.P.No.1800/15/14.12.15/W.No.72/Zone-VI, an amount of Rs.3000/- was collected from K.Geetha Rani towards Title transfer fee. According to the information in the file, the cost of the building was Rs.25,00,000/- and demand to be fixed for Rs.6000/- instead of Rs.3000/- towards double mutation fee as detailed below:

As verified the regd documents with link documents, it was noticed that Smt K.Geetha Rani purchased the property from Sri Jayasekhar who got it from Sri G.Apparao. The title was transferred directly from G.Apparao to K.Geetha Rani which is irregular. Therefore, transfer of title shall be done in the following manner:

i) Sri G.Apparao to Sri Jayasekhar -1 mutation@3000/-

ii) Sri Jayasekhar to Smt K.Geetha Rani-1 mutation@3000/-

Accordingly, double mutation fee @6000/- has to be collected on capital value of Rs.25,00,000/- as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the title transfer fee has to be collected for Rs.6000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.3000/- in the case.

Case-8) T.P.No.1875/16/18.1.16/W.No.70/Zone-VI:

In T.P.No.1875/16/18.1.16/W.No.70/Zone-VI, an amount of Rs.2000/- was collected from Sri A.V.Satyanarayana towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.6000/- towards double mutation charges instead of Rs.2000/- as per the capital value of the asset for Rs.21,43,450/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri A.V.Satyanarayana acquired the property from Sri A.Apparao & 2 others who got it from Smt A.Eswaramma. The title was transferred directly which is irregular. Therefore, transfer of title shall be done in the following manner:

i) Smt A.Eswaramma to Sri A.Apparao & 2 others -1 mutation@3000/-

ii) Sri A.Apparao & 2 others to Sri A.V.Satyanarayana -1 mutation@3000/-

Accordingly, double mutation fee @6000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.6000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.4000/- in the case.

Case-9) T.P.No.1911/16/25.1.16/W.No.71/Zone-VI:

In T.P.No.1911/16/25.1.16/W.No.71/Zone-VI, an amount of Rs.1000/- was collected from Sri R.Srinivasa Rao towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.2000/- towards double mutation charges instead of Rs.1000/- as per the capital value of the asset for Rs.6,00,000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri R.Srinivasa Rao purchased the property from Smt K.Appalanarasamma who got it from Sri K.Appalaswamy. The title was transferred directly which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Sri K.Appalaswamy to Smt K.Appalanarasamma -1 mutation@1000/-
- ii) Smt K.Appalanarasamma to Sri R.Srinivasa Rao -1 mutation@1000/-

Accordingly, double mutation fee @8000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.2000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.1000/- in the case.

Case-10) T.P.No.1959/16/3.2.2016/W.No.66/Zone-VI:

In T.P.No.1959/16/3.2.2016/W.No.66/Zone-VI, an amount of Rs.2000/- was collected from Smt P.Eswari Devi towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.4000/- towards double mutation charges instead of Rs.2000/- as per the capital value of the asset for Rs.11,55,000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Smt P.Eswari Devi purchased the property from Smt B.Umadevi who got it from Sri B.Jagannadharao. The title was transferred directly from Sri B.Jagannadharao to Smt P.Eswari Devi which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Sri B.Jagannadharao to Smt B.Umadevi -1 mutation@2000/-
- ii) Smt B.Umadevi to Smt P.Eswari Devi -1 mutation@2000/-

Accordingly, double mutation fee @4000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.4000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.2000/- in the case.

Case-11) T.P.No. 2038/16/5.3.16/W.No.70/Zone-VI:

In T.P.No. 2038/16/5.3.16/W.No.70/Zone-VI, an amount of Rs.4000/- was collected from Sri M.Jyothiraju towards Title transfer fee. According to the information in the file, demand of mutation fee to be fixed for Rs.8000/- towards double mutation charges instead of Rs.4000/- as per the capital value of the asset for Rs.35,00,000/- as detailed below:

As verified the regd documents with link documents, it was noticed that Sri M.Jyothiraju purchased the property from Smt M.Amaravathi who got it from Smt K.Savitri. The title was transferred directly which is irregular. Therefore, transfer of title shall be done in the following manner:

- i) Smt K.Savitri to Smt M.Amaravathi -1 mutation@4000/-
- ii) Smt M.Amaravathi to Sri M.Jyothiraju -1 mutation@4000/-

Accordingly, double mutation fee @8000/- has to be collected on capital value of as per regd documents. But only single mutation fee collected.

According to rules of GVMC towards title transfer the fee at the rate of 1000/- each for every 10 lakhs value of building. Accordingly the double mutation fee has to be collected for Rs.8000/-. But instead the fee collected at under rates and thereby the GVMC sustained loss of Rs.4000/- in the case.

Hence, action would need to be taken to recover the loss sustained to the GVMC from the person or persons responsible under intimation to audit.

**REVENUE SECTION- TRANSFER OF PROPERTY - SHORT COLLECTION OF MUTATION CHARGES
DUE TO NON OBSERVANCE OF RULES-LOSS-NEEDS RECOVERY: Rs.1000.00**

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that loss sustained to the GVMC for Rs.1000.00 in 1 files out of total verified 771 files (out of 1176 files only 771 files were produced) due to non observance of rules.

As per procedure mutation charges have to be collected @Rs.1000/- on each Rs.10,00,000/- of capital value based on the registered document value or market value whichever is highest.

In T.P.No.1237/15/12.6.15/W.No.70/Zone-VI, an amount of Rs.2000/- was collected from D.Bhanu Prakash towards Title transfer fee. According to the information in the file, the cost of the building was Rs.25,00,000/- and demand to be fixed for Rs.3000/- instead of Rs.2000/- as detailed below:

As verified from the file, it is noticed that Mutation fee @Rs.2000/- was fixed on the Market Value@Rs.15,84,000/- which was obtained from the SRO. But the capital value as per regd document is Rs.25,00,000/- and hence mutation fee has to be fixed on the Market Value whichever is highest. In the instant case title transfer fee collected only Rs.2000/- and the fee collected at under rates and thereby the GVMC sustained loss of Rs.1000/- in the case.

Hence, action would need to be taken to recover the loss sustained to the GVMC from the person or persons responsible under intimation to audit.

REVENUE SECTION-MONTHLY LISTS-ASSESSMENT OF PROPERTY TAX – UNDER ASSESSMENT NOTICED-LOSS TO GVMC-NEEDS RECOVERY: Rs.10,69,728.00

Property tax of all assessments were fixed through MLs in respect of all the new and additional assessments etc., Elaborate procedure was prescribed to fix the property tax in Circular instructions issued in Cir.1 in Roc.No.11646/2006-F1-1 Dated 12-12-2006 of CDMA, AP, Hyderabad. The measurements entered in the MLs with regard to the buildings assessed by the Bill Collectors were to be verified by the RI/RO and finally approved by the Commissioner and orders to be passed accordingly.

According to rules in force, the local body shall collect two times the property tax as penalty from the owner or occupier if he fails to produce the Occupancy certificate at the time of assessment of property tax. Accordingly the revenue authorities proposed the penalty of property tax by two times the property tax assessed in M L registers. All the authorities concerned to the assessment of property tax including the commissioner approved the penalties in MLs. But it was followed more in breach than in its implementation.

During the course of audit of new assessments of property tax i.e Monthly Lists for the year 2015-16 as verified from ML Registers, it is noticed that in 846 MLs/assessments were under assessed due to wrong calculations of plinth area, adopting lower zonal rates due to change of usage and occupation type, variation in depreciation and non-imposing of penalties of certain unauthorized constructions etc., out of 3065 MLs verified.

The house tax bills in the following cases were generated with usual rates of monthly rental values without penalties proposed in Monthly Lists. Thus the corporation sustained a huge loss by way of evasion of penalties on the property tax. The loss due to inaction of authorities caused to the institution in the following cases is for Rs.10,69,728/- as detailed in the following annexure:

Loss per every year						10,69,728.00

Note: Ward wise list of assessments in which fixed short demand of property tax was annexed vide Annexure No.1

However, under assessment of property tax leads to leakage of revenue and it is recurring loss, weakens the financial position of the institution and creates hurdles in delivery of quality services to the public.

Hence, necessary steps may be taken to discontinue this practice besides initiating disciplinary action against the staff concerned in addition to revision of tax and the loss caused to GVMC would need to be recovered from the person or persons responsible with penal interest.

CELL PHONE TOWERS INSTALLATION-PERMISSION FEE NOT COLLECTED-LOSS-NEEDS ACTION:

According to G.O.Ms.No.183, M.A & UD (M) Dept., dt. 27-2-2008 all the cellular companies and telecom companies and all other companies are required to obtain permission from the local authority concerned for installation of their towers. Further, according to Municipal Act., Installation Charges have to be paid by the cellular companies to the Municipal Civic body and the civic body can also levy tax either on the cellular companies or on the owners of the buildings on which the cell towers have been installed as one time installation charges.

A writ petition was filed in W.P No.326 of 2013 in Honourable High Court not to interfere with the function of the towers. After hearing both parties i.e. petitioners and respondents., the Honourable High Court ordered there was no gain saying that matter required a policy matter so that respective GPs and ULBs would be applying the same standards uniformly and would not be applying the same standards uniformly and would not be varying case to case basis. However, the policy formulation may take longer time so in the interest of both petitioner and the respondent the petitioner may be directed to deposit a sum of Rs.10000/- within 30 days from today with the respondent local body. The amount is determined on a tentative basis only.

But, this was not being followed in the Municipal Corporation since, it was potential revenue to the ULB, the ULB should fix the demand for such income and should collect it from Telephone companies from time to time. During the year under audit, the permission fee from telecom companies was not collected. The executive authority himself would need to be held responsible for the loss caused due to non collection. Action would need to be taken in this regard and tap this potential source of income to augment the own resource of the Corporation.

Therefore, immediate action may be taken not only to collect the amounts but also insist upon getting the unauthorized cell towers regularized satisfying all the conditions like structural stability, willingness of owners and neighbours etc.,

PROPERTY TAX – NO ADDITIONAL TAX WAS IMPOSED ON THE OWNERS OF BULDINGS WHO HAVE ALLOWED THE INSTALLATION OF CELLTOWERS – NEDDS ACTION:

In Circular Roc.No.23032/2013/E1-2 Dt.9-11-2013 the Commissioner and Director of Municipal Administrations have issued instructions to the concerned Municipal authorities to collect additional Property tax from house owners who have allowed the installation of cell towers on their premises.

As interacted with the sectional staff, it came to know that proper survey was not conducted to identify such house owners and no such additional property tax was imposed and collected from the owners those who have allowed to install cell towers on their building or vacant site. The inaction of the revenue authorities result in loss to GVMC.

Hence, action would need to be taken to impose additional Property tax and collect from the owners and loss caused in the matter would need to be made good from the person or persons responsible with penal interest.

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that out of 1,176 files, 771 files were produced and verified in audit.

As per the existing procedure the following documents should be furnished along with the mutation applications for title transfers:

- Application form
- Attested Registered documents
- Attested Link Documents
- Encumbrance Certificate on property in original
- Payees receipt @1000/- for every 10 lakhs on the present Market value of the property

- Payee's receipts of Property Tax up to date
- House Tax Pass book in original
- Third party clearance certificate in case of allotments of VUDA / Housing board
- No objection Certificate from banks etc.

But as verified from the Register of Title Transfers in Form No.17-A, 405 mutation files which were listed and annexed to annexure no.2 were not produced to audit for verification of correctness of the mutation fee collected.

In the absence of the files the correctness of the following items could not be ascertained in audit:

- Correctness of mutation fee collected
- All the enclosures furnished or not
- Correctness of the documents value of site and building basing on the certificate issued by Registration Department
- Correctness of the clearance from VUDA / Housing Board / Banks etc.,

Even though, half margin letters were issued to the zonal authorities, they are not responding and produce the records till the close of audit.

As verified from the Monthly List Registers out of 3065 verified MLs 1504 MLs were shown as having approved building plans and hence exempted from collection of penal charges. The list of assessments shown in ML Registers having approved plans furnished vide annexure no.3 for reference.

In the absence of the BA files and assessment masters, the correctness of the penalty imposed, tax arrived could not be ascertained and certified in audit. Hence, action would need to be taken to produce the above records and loss caused if any in the matter would need to be calculated and recovered from the person or persons responsible and particulars produced to audit for verification.

REVENUE-REVISION PETITIONS-REGISTER NOT MAINTAINED PROPERLY AND OTHER IRREGULARITIES –NEEDS EARLY ACTION:

As verified from the Register of Revision Petitions for the year 2015-16, it is noticed that 70 Revision Petitions were received during the year stating that tax was enhanced by the GVMC is abnormal and requested for reduction of the same w.r.t to the existing rules and actual measurements. Out of total Revision Petitions received only 30 files were produced to audit.

As verified the register and files, the following defects were noticed:

- Defective maintenance of register: As per procedure all the RPs shall be recorded in the Register of Revision Petitions in the proforma prescribed in Form-D, 24-columns register. RP wise Assessment number, date of service of notice, date of receipt of RP, amount of tax objected (component wise), amount of tax reduced (component wise) if any, net amount of tax as a result of RP (component wise), special remarks if any etc., should be recorded under attestation of the competent authority. But on verification it was observed that except Asst. No, name of the applicant, old tax, present tax no other columns of the register filled.
- Reasons specified in the file for reduction of tax but the same were not recorded in the register and not certified by the competent authority.
- Though the following RPs received during the year but not taken to register of Revision Petitions:

S. No.	W. No.	Name of the applicant	HT Asst. No.	Existing Tax (Rs.)	Revised Tax (Rs.)	Result of RP (Revised tax)	Grounds for revision of tax

However, in case of assesses not attended to hearing before the appellate authority further action has to be taken by the competent authority as per Act provisions and they shall be disposed off as required manner. But in the above cases, further action not forthcoming to audit as no entries recorded either in the register or file.

- Every RP file shall be supported with individuals application, special notice, evidential documents, notices issued for attending to hearing, statement of the applicant with supportive material, remarks of the appellate authority etc., but in the following cases files were found in incomplete shape though some of the RPs disposed in favour of the applicants:

S. No.	W. No.	Name of the applicant	HT Asst. No.	Existing Tax (Rs.)	Revised Tax (Rs.)	Grounds for revision of tax	Specific remarks if any

7	72	A.Satyavathi	10001005262	314	603	25% penalty revoked	file not in full shape

In view of the above defects the correctness of revision of tax could not be ascertained and certified in audit.

Hence, action would need to be taken to rectify the above defects and produce along with connected RP files to audit for verification. The loss if any caused in the matter would need to be made good from the person or persons responsible under intimation to audit.

REVENUE SECTION-TRANSFER OF TITLES-REGISTER OF TITLE TRANSFERS NOT MAINTAINED PROPERLY-NEEDS RECTIFICATION:

During the course of audit on the accounts of GVMC for the year 2015-16, as verified from the Register of Title Transfers in Form No.17-A with connected files it is noticed that out of 1,176 files, 771 files were produced and verified in audit.

As per procedure, the register of transfer of titles of property should be maintained in Form No.17-A in the following 11 columns proforma:

S.No	Date of notice	Date of receipt	Name of transferer	Description of transferee	Description of transferor	Description of property with asst no & door no.	Reference no & date issued to whom	Reference received from whom & date	Order no. & date of Commissioner	Nature of disposal

PROPERTY TAX-VERIFICATION OF MONTHLY LISTS-ONLINE INFORMATION NOT RECONCILED WITH ML REGISTERS-NEEDS RECONCILIATION:

Property tax of all assessments were fixed through MLs in respect of all the new and additional assessments etc., Elaborate procedure was prescribed to fix the property tax in Circular instructions issued in Cir.1 in Roc.No.11646/2006-F1-1 Dated 12-12-2006 of CDMA, AP, Hyderabad. The measurements entered in the MLs with regard to the buildings assessed by the Bill Collectors were to be verified by the RI/RO and finally approved by the Commissioner and orders to be passed accordingly.

During the course of audit on verification of Monthly Lists for the year 2015-16, it is noticed that 3065 monthly lists were taken to new demand by the revenue section regarding levy of property tax for new houses and revision of tax for certain assessments where as the online data shown only for 2213 assessments during the year in zone-VI as detailed below:

S.No.	Ward No.	Total MLs as per ML Registers	Total MLs as per online data
1	66	323	193
2	67 & 67A	319	229
3	68	102	38
4	69	94	109
5	70 & 70A	923	1045
6	71	366	310
7	72 & 72A	938	289
Total		3065	2213

In view of the above difference the correctness of new demand for the year 2015-16 could not be ascertained and certified in audit. Hence, action would need to be taken to reconcile the data regarding new assessments duly arriving correct demand and produce the same to audit for verification.

PROPERTY TAX-VERIFICATION OF MONTHLY LISTS-GVMC FOREGOES HUGE REVENUE DUE TO LACK OF FOLLOW UP ACTION-NEEDS ACTION:

During the course of audit on the accounts of GVMC Zone-VI for the year 2015-16 as verified the ML Registers it is noticed that GVMC foregoes huge revenue due to lack of follow up action by the Revenue staff as well as Town Planning staff.

As verified the manual ML Registers of property tax, 3065 monthly lists were taken to new demand by the revenue section regarding levy of property tax for new houses and revision of tax for certain assessments during the year in zone-VI as detailed below:

S.No.	Ward No.	Total MLs as per ML Registers
1	66	323
2	67 & 67A	319
3	68	102
4	69	94
5	70 & 70A	923
6	71	366
7	72 & 72A	938
Total		3065

Out of the total MLs, 1504 assessments were shown having approved building applications and hence granted exemption from penalties. But an important area i.e watching of period allowed/sanctioned for construction of buildings was completely neglected by the Revenue and Town Planning staff of GVMC.

According to rules in force, it is the bounded duty of the Town Planning staff to maintain the watch register of time limits for completion of buildings either to initiate necessary action for issue of Occupation Certificates for completed buildings or to allow additional time w.r.t to rules in force for the buildings which constructions are in progress. If the buildings were completed as per sections the files have to be transferred to the revenue section for assessment of property tax. Other wise additional building licence fee as per the provisions laid down in the gazette notification has to be collected for extension of permission.

As verified the building permission files, it came to know that the Building permission is sanctioned subject to complete it within 2 years period from the date of according permission. After the due date property tax has to be assessed by the revenue staff or impose additional building license fee for extension of time by the town planning section. But in the following 769 cases necessary follow up action either by the Revenue section or Town Planning section was not forthcoming to audit as property tax assessed after long period of lapse of permissible time limits which is irregular. List of assessments assessed tax without observing time limits was annexed vide annexure no.4.

In the above cases, the GVMC lost huge Property Tax/building license fee as the case may be due to lack of follow up action by the revenue section. In view of the above lapses the correctness of the demand fixed against each assessment could not be ascertained and certified in audit. Hence, action would need to be taken to review the above cases wrt to the allowed time limits and loss caused if any would need to be calculated and made good from the person or persons responsible.

**PROPERTY TAX-VERIFICATION OF MONTHLY LISTS-IRREGULARITIES IN
FIXATION OF DEMAND-GVMC FOREGOES HUGE REVENUE-NEEDS DETAILED
INVESTIGATION:**

During the course of audit on the accounts of GVMC Zone-VI for the year 2015-16 as verified the ML Registers it is noticed that GVMC foregoes huge revenue due to lack of follow up action by the Revenue staff.

As verified the manual ML Registers of property tax, 3065 monthly lists were taken to new demand by the revenue section regarding levy of property tax for new houses and revision of tax for certain assessments during the year in zone-VI. It is the bounded duty of the Revenue staff to watch the existing rules w.r.t to ground level realities while assessment of property tax so as to stop the leakage of revenue. During the assessment of property tax various parameters like floor, type of construction, occupation type, age of construction, measurements sanctioned as per Building permissions, actual measurements on ground, depreciation etc., to arrive exact tax.

But as verified from the MLs of property tax in 159 cases shown in annexure no.5 more than one building shown in the name of one person stating that occupied by the owner itself which is doubtful. The roll of revenue staff in this regard also doubtful and gives scope for leakage of revenue.

In view of the above explained cases the correctness of the demand fixed could not be ascertained and certified in audit.

Hence, action would need to be taken to review the assessment wise data and investigate the matter w.r.t actual occupations duly conducting physical verification and loss sustained in the matter would need to be calculated and made good from the person or persons responsible in addition to initiate disciplinary action.

(Note: The list of ward wise pending D&O Trade Licence fee is supplemented vide Annexure No.1 of part-II)

According to Section-521 HMC Act, the Traders located in GVMC, has to pay or renew their Trade License and has to pay the prescribed license fee before the one month from the closure of financial year i.e., during the month of February of every year. But as seen from the Demand Register(downloaded data taken as DCB register as the said register not maintained manually) of Trade License fee, the following traders as noted in the list enclosed have not paid their license fee for the year 2015-16.

The efforts of the staff of Public Health Section has also not evidenced any interest in collection of license fee as regarded under Section-521 which causes huge amount pending realization under D&O Trade License and thus, the traders are also being allowed to continue their business without pending / renewal their trade license.

Therefore, necessary action would need to be taken to collect the balance amount along with the penalty imposed for belated collections and remitted to GVMC funds and fact reported to audit.

D&O TRADE LICENCE FEE - SHORT COLLECTION OF LICENSE FEE-LOSS - NEEDS EARLY ACTION: Rs.7,41,194.00

During the course of audit on the zonal accounts of Zone-VI, GVMC for the year 2015-16, as verified the demand booklets of license fee of D & O Trades (computer generated) it is noticed that the license fee under D&O trades are being short collected due to adoption of old rates instead of new rates published vide Rc.No.1597/2000 F 10/ F 4 & 5 20-11-2008).

In audit 50% of demand entries in all wards (i.e. ward no.66 to 72) were cross checked to ascertaining the correctness of demand w.r.t gazette rates and noticed short demand in 715 trades for amounting to Rs.7,41,194.00 due to adoption of old rates instead of new rates for collection of D&O Trade License fee as detailed below:

S. No.	Ward No.	Particulars of trades in which short demand noticed

Total		715	7,41,194.00

(Note: the list of ward wise and trader wise short demand is supplemented vide annexure no.2 of part-II.)

However, due to adoption of old rates loss sustained to GVMC Zone-VI for Rs.741194.00 which deteriorates the financial position of the institution.

Hence, action would need to be taken to review the data given in the annexure no.2 and differential amount would need to be collected from the traders concerned or the persons responsible in addition to initiation of disciplinary action under intimation to audit.

D&O TRADE LICENCE FEE - WRONG FIXATION OF DEMAND DUE TO UPLOADING OF IRRELEVANT DATA-HUGE LOSS-NEEDS REVIEW AND REVISION OF DEMAND:

During the course of audit, as verified from the Demand booklets downloaded from the online module of D&O Trade Licence fee it is noticed that the data uploaded in the online module which is base for fixation of demand found irrelevant in 853 trades when compared the nature of trade and address of trade against certain trades during the year as shown below:

Sl.No.	Ward No.	No. of trades in which irrelevant data noticed
1	66	S.No.1 to 74
2	67	S.No.75 to 202
3	68	S.No.203 to 263
4	69	S.No.264 to 360
5	70	S.No.361 to 385
6	71	S.No.386 to 812
7	72	S.No.813 to 853

(Note: the list of ward wise and trader wise short demand is supplemented vide annexure no.3 of part-II.)

As analysed the above data w.r.t the trade wise specifications, rates notified in the gazette notification the following defects/irregularities were noticed in audit:

- In majority cases nature of trade specified in trade name not relevant to the trade specified in the trade address.
- Trade name not uploaded w.r.t to the specifications notified in the gazette notification.
- Demand fixed according to the trade name in some cases and based on the trade address in some cases.
- Demand not in accordance with the trade rate w.r.t gazette rates
- Same trade name uploaded against some trades though the nature of trade is different as the recorded in the address entry.
- The data was not reviewed after implementation of online system even at any stage by any officials to ascertain the correctness of the demand fixed duly considering the field reports and parameters specified in the GVMC Gazette notification.
- It is noticed that for certain trades nature of business, Name of the Trader was not noted in the online DCB statements.

The Zonal Commissioner and Assistant Medical & Health Officers are silent when questioned in audit, how the demand was fixed and collected without mentioning the nature of business. There is every scope for fixing wrong demand by the Sanitary Inspector when the nature of trade not mentioned. This was not at all withheld by any higher authority. This would need to be curtailed.

In view of the above defective/insufficient data uploaded in online DCB module there is scope for under fixation of demand, provides unintended benefit to the traders and scope for leakage of revenue at every stage.

Hence, action would need to be taken to review the trader wise uploaded data by conducting field level survey, adoption of relevant rates notified in the latest gazette notification and corrective steps for

revision of demand of trade license fee. The loss caused in the matter if any would need to be made good from the person or persons responsible under intimation to audit.

According to the demand sheets provided to audit, it is observed that the demand of few Bars, Restaurants and IML Shops were covered as there are no.of wine shops appearing on road side. Showing 16 wine shops in 7 wards may not be exact figure as many wine shops appearing on both sides of the roads.

As per G.O. Ms.No.111/R&E/R-I98 of the Director of vigilance enforcement, Andhra Pradesh, Hyderabad not less than 1 % of the annual rental value has to be levied and collected towards License fee from IML shops/bars. Accordingly, the Greater Visakhapatnam Municipal Corporation has to follow the guidelines of the G.O and collect the License fee as per Rules cited above. In case of late payment penalty has to be levied @25% on license fee collected.

Non fixation of demand on certain trades like IML Shops results in loss of revenue to the institution and hampers the developmental activities of weaker sections in the jurisdiction of GVMC. When it is questioned, the Z.Cs, replied that certain IML Shop owners went for court of law in this regard. But, even after protracted pursuance no file has been produced regarding court case.

Hence, action would need to be taken to include the demand for the year 2015-16 and collect the same from the traders. The loss caused if any in the matter would need to be made good from the person or persons responsible under intimation to audit for verification.

According to the standing instructions regarding recovery and remittances of statutory payments like EPF, ESI, it is the obligatory function of the agency to remit the recovered amount on or before 10th of succeeding month so as to avoid penal interest, risk coverage of employees concerned. But in the above cases abnormal delay noticed which is irregular in terms of government guidelines. Hence, the amount held under objection.

Hence, action would need to be taken to discontinue such practice hereafter and directed to follow the timelines scrupulously in remittance of the contributions and loss caused if any would need to be made good from the person or persons responsible.

72	464	213874.00
Total	4229	31,44,824.00

Collection Register: The staff of the section explained that the above amount was collected up to the date towards arrears and fines etc., As per the Act provisions the licenses have to be issued on receipt of the prescribed fee before February of the preceding year, otherwise penalty has to be levied and collected @ 25 % up to 60 days and 50 % beyond 60 days.

But the connected Collection Register was not maintained to verify the correctness of the collections made which required under Section-521 of HMC Act. The Public Health section is depending on the computerized registers available on the "Saukaryam" website. The checks on new licenses issued, old licenses renewed also not forthcoming to audit.

DCB Register: The field staff of Public Health section has to conduct survey every year and recorded data in the D&O Trade Demand Register in the following proforma prescribed which was followed previously:

License No	Name of the Party	Address	Nature of Business	Date of Opening	Demand fixed	Amount collected	Challan No.	Date of payment	Details of Prosecution if any	Balance	Remarks

It is the basic function of the sectional staff to maintain the Demand register in the above proforma duly recording additions and deletions to arrive at demand for the present year. Apparently no such effort was made to fix the demand for issue of licenses and for proper watch of the collection as per the rates prescribed in the notification. The manual Demand Registers were not maintained as the transactions are being operating through online.

The section is depending on the information available from "Saukaryam" online records. There is no check on new licenses issued, old licenses renewed etc.,

The Licensee's are paying the amount directly in "Saukaryam" and the receipt issued is considered as Trade License. The Health Section is not collecting other requirements to issue a Trade License, like Application Form, NOC from neighbors, property tax receipt etc.,

Without having instructions issued either by the Government or Department of Municipal Administration the manual records were dispensed with which is highly irregular. Astonishingly, computer sheets downloaded from online transactions not certified by any competent authority were stapled and produced to audit.

In the absence of the above registers, the correctness of the demand, amount collected, amount remitted, late remittance and penal interest collected if any etc., could not be ascertained in audit. Hence, action would need to be taken to maintain the above said registers and produce the same to audit for verification.

From the above data clear difference between recovery and remittances of contributions of ESI & EPF was noticed and requested to explain the reasons. Then the officials explained that all recoveries pooled up in Main office account and then zone wise amounts will be remitted by separate staff and hence reasons for variation not known. However, audit opined that watching of recoveries and remittances of statutory recoveries is the bounded duty of the sectional staff from time to time. If any discrepancies found, rectificatory measures will be taken.

Hence, action would need to be taken to review the data w.r.t paid challans and monthly pay rolls to confirm the variations pointed out in the para and necessary steps taken to remit the differential amount and compliance may be reported to the audit.

D&O TRADES –IMPROPER FIXATION OF LICENSE FEE DEMAND AND VIOLATION OF RULES-LOSS TO GVMC-NEEDS REVIEW AND REVISION OF DEMAND:

As verified from the D & O Trades License Fee Demand Registers (Computer sheets downloaded from online website), it is noticed that the demand was raised for Rs.44,85,448/-against 4229 traders during the year.

According to the provisions of Section-521 of HMC Act, the applications should be scrutinised by the PH officials with relevant documentary evidences duly conducting the field verification and then demand should be fixed w.r.t to the trade wise parameters and rates notified in the official gazette notification i.e RC.No.1597/2000/F10/F4, dt.20.11.2008 r/w GVMC Resolution CR.No.114/2008, dt.28.7.2008/29.7.2008. In case of late payment penalty has to be levied @25% on license fee collected.

But, as verified from the ward wise demand scrolls downloaded from online module the norms were not followed in fixation of demand of certain trades as detailed hereunder:

From the above cases it came to know that the demand raised at a minimal rates without recording the specifications/parameters of the trade which gives scope to provide unintended benefit to the traders. Further, the GVMC not taken any steps for updation of data, revision of rates w.r.t enhanced rental values periodically as required manner according to act provisions, not maintaining basic files & records and not exercising supervisory checks by the officials concerned to avoid leakage of revenue. This situation gives scope for misappropriation of funds and subsequent loss to the GVMC.

Hence, action would need to be taken to review the entire data related to demand fixed under D&O Trade License fee duly conducting comprehensive field level survey, surprise checks by the officials, adopting enhanced rental values, specific parameters of the trades and annual turnover of the trader etc., The loss caused if any in the matter would need to be calculated and made good to the GVMC funds from the persons responsible and report compliance to the audit.

During the course of audit for the year 2015-16, on verification of water tax demand registers, it is noticed that water tax postings were not properly updated and arrived at the balances. Further ward wise and final abstract of the water tax demand collection & balance was not prepared and certified by the competent authority. Hence, the information obtained from the IT Section of GVMC.

As verified from the the information compraising all wards obtained from the IT Section, it was noticed that out of total demand of Water Tax, an amount of Rs.52,91,310.00 was kept pending realization as shown below:

From the above information, the audit opined that effective steps have not been taken by the Executive Authorities concerned for 100% realization of water tax as 30% of Water Tax kept pending realization. Further, it is opined that the correctness of the demand, collection and balances could not be certified in audit as the basic records (Water Tax Demand Registers) which are useful for cross checking were not maintained.

However, non-realization/collection of taxes leads to weakening the financial position of the GVMC and hampers the developmental activities and scope for providing basic amenities to the citizens of the GVMC will be reduced. Hence, action would need to be taken to realize/collect the balances at an early and fact report to audit for verification.

From the above information, the audit opined that effective steps have not been taken by the Executive Authorities concerned for 100% realization of dues which sustains loss to the GVMC and reduces scope of implanting development activities.

Hence, action would need to be taken to realize/collect the balances at an early and fact report to audit for verification.

**WATER SUPPLY-RECENT SANCTION OF TAP CONNECTIONS TO THE PREVIOUS APPLICANTS-
NEW RATES NOT ADOPTED-LOSS-NEEDS RECOVERY:
Rs.32200.00**

During the course of audit for the year 2015-16, as verified from the Register of General Tap connections with connected files in respect of Zone-VI, it is noticed that certain applications were submitted for sanction previously i.e in the year 2009-10, 2010-11 duly enclosing challan for certain amounts and not approved for reasons not known. The same were approved during the current year based on the old rates instead of present rates and subsequently causes short collection of tap fee for amounting to Rs.32,200/- as shown below:

For each 15 mm general tap connection, an amount of Rs.8725/- has to be collected minimum as per procedure and councils resolution:

Application fee @Rs.125/-

Estimate charges @Rs.1000/-

Contribution @Rs.6000/-

JNNURM Fee @Rs.1600/-

Total to be collected @Rs.8725/-

Actual collected @Rs.4700/-

Shortage on each @Rs.4025/-

In the above cases old rates which in are force at that time were adopted though the sanction was accorded during the year which leads for short collection and sustained loss to GVMC. But authority/standing instructions issued by the council for taking old rates in support of the above collection also not produced to audit. Therefore, there is scope for misappropriation of funds in the name of previous rates. In view of the explained conditions the correctness of the exemption of differential amount could not be certified in audit.

Hence, action would need to be taken to either produce the orders issued by the competent authority for granting exemption of differential amount between two rates or to recover the differential amount from the person or persons responsible and produce the particulars to audit for verification.

WATER SUPPLY-ASSESSMENT OF WATER TAX –CERTAIN TAP CONNECTIONS EXECUTED BUT NOT SENT FOR ASSESSMENT OF TAX-IRREGULAR AND LOSS TO INSTITUTION-NEEDS ACTION:

During the course of audit as verified from the Registers related to Tap connections and application files of Zone-VI for the year 2015-16, it is noticed that 1670 no.of applications received and an amount of Rs.1,37,00,150.00 was collected towards Tap connection fee during the year as detailed below:

S.No.	Category of tap connection	No.of applications	Amount collected (Rs.)
1	BPL Connections	423	481300.00
2	BPL-ID Bonds Connections	138	164225.00

As per procedure adopted by the GVMC vide Procs Rc.No.200G/2003/EE(WS), Dt.30.4.2003 of the Commissioner w.r.t CR No.276/2002, dt.27.2.2003, the Assistant Engineer of concerned sections are responsible for sanction, work order, execution, awarding of assessment numbers, submission list of monthly executed connections and assessment of water tax.

As verified the registers and application files, it is noticed that the following 126 tap connections were found not sent for assessment of water tax even though they were executed which is irregular.

WATER SUPPLY- EMPLOYEES OF THE CORPORATION WERE EXEMPTED FROM PAYMENT OF TAP CONNECTIONS CONTRIBUTION- AUTHORITY WANTING: Rs.30000.00

During the course of audit for the year 2015-16, as verified from the Register of General Tap connections with connected files in respect of Zone-VI, it is noticed that certain employees of the Corporation were granted exemption from payment of tap connection charges for amounting Rs.30,000/- during the year as shown below:

S. No.	Ward No.	Name of the applicant (Sri /Smt)	Size	Amount collected			Amount exempted (Rs.)
				Application fee	Donation	Total	
1	71	S.V.Padmavathi & G.Brahmaji (R.No.1076)	20 mm	125.00	2000.00 1600.00	3725.00	12000.00
2	72	S.Gopinadh (R.No.1250)	20 mm	125.00	1000.00 1600.00	2725.00	12000.00
3	72	R.Shiv Prakash (R.No.1312)	15 mm	125.00	2000.00 1600.00	3725.00	6000.00
Total						10175.00	30000.00

In the above cases the exemption was granted based on the Xerox copy of the Service Register of the applicant/family members enclosed to with application. But the authority/written orders from the competent authority for grant of exemption to the Corporation employees was not produced for verification. In the absence of the authority the correctness of exemption granted could not be verified and certified in audit.

Hence, action would need to be taken to either produce the orders issued by the competent authority for granting exemption of payment of contribution or to recover the exempted amount from the above applicants and same shall be produced to audit for verification. The loss caused if any in this regard would need to be made good from the person or persons responsible under intimation to audit.

WATER SUPPLY-SUPPLY OF WATER THROUGH TANKERS-COUPONS WITH RECORDS RELATED TO AE PURUSHOTHAPURAM NOT PRODUCED-NEEDS ACTION:

During the course of audit on the accounts of water supply of GVMC Zone-VI for the year 2015-16, as ascertained from the records related to water supply through tankers it is observed that coupons will be issued at TSR Complex for sale of water through tankers duly collecting the cost of water @Rs.40/-per KL and water will be supplied through tankers by the AE Buchirajupalem and AE Purushothapuram in Zone-VI.

As ascertained from the records of AE Buchirajupalem that 35277 KLts of water was supplied through tankers and collected an amount of Rs.8,54,960.00 during the year as detailed below:

Amount Collected(TSR Complex)								854960.00

Further, it is noticed that 13,903 KLts of water was supplied to AE Purushothapuram towards free water supply during the repairs of the pipelines in Vepagunta area. But the connected records for which supplied from AE Buchirajupalem and free water supply through tankers at own supply point of AE Purushothapuram also not produced to audit though issued half margin letters. In the absence of the above records the correctness of following transactions taken place in the AE Purushothapuram section could not be certified in audit.

- Quantity of water supplied to the public
- Quantity of water supplied to the private parties
- Quantity of water supplied to the call center and government departments at free of cost
- Rate fixed per Kilo Litre
- Amount realized
- The tankers utilized etc.,

Hence, action would need to be taken to produce the above coupons together with registers to audit for verification and the loss caused if any in the matter would need to be made good from the person or persons responsible.

PARA No. 373**Code No-18****WATER TAX – DEMAND REGISTER FOR SEMI BULK SUPPLY- METER READING REGISTERS NOT MAINTAINED – NEEDS ACTION:**

As verified from the books and records relating to Water Tax of bulk & semi bulk, it is noticed that the meter reading registers have not been maintained which are the basis for fixation of demand of bulk and semi bulk water supply to the Commercial & Industrial concerns. In the absence of the said registers the correctness of the collections made could not be verified. It is also not possible to analyse the usage of water drawn from the Municipal Sources and supplied to the customers. Surprisingly, no amount has been shown in the annual account towards excess water charges which is a nominal collection. Reasons for such nominal collections were not furnished to audit. This Section was fully dependent on the information available from Saukaryam collections, but not on meter reading registers.

Hence, early steps would need to be taken to maintain such registers and made available to Audit for verification under proper attestation the loss of any in this regard would need to be recovered from the persons are persons responsible and made good to GVMC Funds.

As per procedure adopted by the GVMC, the applications of any connection shall be rejected on the grounds of non-fulfillment of conditions such as site area beyond 100 Sq.Mts, structures having more than G+1 floors and lines not in required locality for BPL connections etc.,

As verified the registers and application files, it is noticed that following 32 applications were rejected by the AE Purushothapuram section without recording any specific reasons either in the registers or in the applications concerned which is irregular.

WATER SUPPLY-SEMI BULK CONNECTIONS-MAINTENANCE OF RECORDS FOUND DEFECTIVE-NEEDS ACTION:

During the course of audit for the year 2015-16, on verification of Register of Semibulk Tap connections, it is noticed that an amount of Rs. was collected from connections during the year.

As verified the files w.r.t to the connected register, the Semi bulk connections are being sanctioned subject to the fulfillment of the following conditions:

- approved plan should be enclosed to the application.
- group house or apartment having more than 5 portins / plots should be applied for semi bulk connection.
- the RWHS must be provided in the plan and physically.
- separate fee structure will be followed for residential and commercial connections as detailed hereunder:

Usage type	Connection size	Fee structure
Residential purpose	25 mm	a) Contribution: Minimum of Rs.30000/- or No.of plots*7500/- per plot whichever is higher b) Estimate charges @Rs.5000/- min
	50 mm	a) Contribution: Minimum of Rs.60000/- or No.of plots*7500/- per plot whichever is higher b) Estimate charges @Rs.10000/- min
Commercial purpose	25 mm	a) Contribution: Minimum of Rs.60000/- or No.of plots*7500/- per plot whichever is higher b) Estimate charges @Rs.7000/- min

	50 mm	a) Contribution: Minimum of Rs.120000/- or No.of plots*7500/- per plot whichever is higher b) Estimate charges @Rs.20000/- min

However, as verified from the register and files, following defects were noticed:

- The register was not maintained for financial year.
- Month wise abstract not recorded and certified by the competent authority.
- Certain applications were processed without signatures of the applicants, unfilled declarations by the applicants and without certification regarding metre number, reading, water tax assessment number etc., by the AE concerned.
- Particulars of date of execution of connection, assessment of water tax also not recorded to certain connections.

Hence, action would need to be taken to rectify the defects and produce the same to audit under proper attestations.

- Sanction orders/proceedings by the Commissioner/Zonal Commissioner/Engineering Officials of water supply not forthcoming in files.
- White fluid applied for so many entries in official records which is irregular.
- Certain tap connections executed but not sent for assessment of water tax.
- Feasibility certificates before according permission, certification regarding meter number, reading, Water tax assessment number etc., for semi bulk connections not done by the Assistant Engineers which is obligatory.

However, according sanction without proper scrutiny leads for leakage of revenue, provides benefit to ineligible candidates and sustains loss to GVMC.

Hence, action would need to be taken to take proper care for scrutiny before according permission to tap connections.

The staff concerned either to watch the validity and realization of DDs/Cheques received by own or obtain status from others who are responsible to watch from time to time so as to take follow up action for revalidation if necessary. But the same was not forthcoming to audit in water supply section which is irregular. In the absence of the same the correctness of the amount realized could not be ascertained and certified in audit.

Hence, action would need to be taken to watch the realization of DDs/Cheques collected and compliance may be reported to audit.

WORKS-EXECUTION OF WORKS-CERTAIN DEFECTS NOTICED-NEEDS FURTHER RECTIFICATION:

On verification of the files pertaining to the works executed during 2015-16, it was noticed that the certified list of 100 works was submitted to the Audit Team by the Executive Engineer, Zone-VI. Out of which records produced to audit for 50 works. On verification of the files the following defects were noticed:

- a) The most of the works were entrusted on nomination basis duly stating the reason that the urgency nature of the work. Except that reason, no other parameters were stated in file in supporting of the entrustment of the works on nomination basis. In respect of all the tendered works (which were produced for verification) minimum 10% to 25% less on estimated rates quoted by the contractors. More over it is observed from the file, there is no much variation of time for completion period of the works between the short term tendered works and nominated works. Due to the entrustment of works on nomination basis, minimum of 15% the loss has sustained to the corporation.
- b) The approved data to ascertain the correctness of the ECV, gross value, net amount paid etc., was not produced to audit.
- c) As ascertained from work files it came to know that the estimates were prepared basing on the 2012-13 SSR rates though the government issuing revised rates from time to time.

Therefore, care shall be taken in future to avoid such defects.

The remaining amount released directly from pensions account without taking to cash book.

- bank scrolls for grant depositing zonal account i.e SBH A/C No.62199874594 and unspent balance remittance account No.62093576552 were not produced to audit to ascertain the correctness of the adjustment particulars of both grant received and unspent remitted.
- regarding remittance of unspent balances, counterfoils of depositing/remittance forms produced to audit, but payees acknowledgements or adjustment particulars to connected account were not produced to audit.
- out of total remittance of unspent balance during the year, counterfoil for Rs.6,83,500.00 for the month of September,2015 not made available with file for verification.

Grant received :Rs.7913000.00

Grant distributed :Rs.7229500.00

Shown unspent remitted :Rs.683500.00 (counterfoil not produced)

- further, file related to sanction of new pensions and deletions during the year processed through the UCD section of zonal office also not produced to audit.

In view of the above defects the correctness of the sanction procedure, grant released, adjusted, distributed and remittance of unspent balances etc., could not be ascertained and certified in audit.

Hence, action would need to be taken to produce the records duly taking corrective/remedial measures to the above defects pointed out to audit for verification.

SOWKARYAM-COLLECTION AND REMITTANCES OF TAXES AND NON TAXES THROUGH SOWKARYAM CENTRE-IRREGULAR MAINTENANCE OF RECORDS AND NON RECONCILIATION OF AMOUNTS-NEEDS RECTIFICATION:

During the course of Audit on the accounts of soukaryam Zone-VI GVMC for the year 2015-16, it is observed that collection of all taxes and non taxes are being operated through Soukaryam Centers and E-Seva centers for the convenience of the public. As verified from the records, all the taxes, fees and other receipts like Property tax, water tax, water supply receipts, Trade License fee, Encroachment fee, town planning

receipts, leased amounts etc., were collected by the Soukaryam Centers, E-Seva centers and authorized banks during the year.

As per procedure the collected amount figure will be stored in Revenue table and the same figure reflects into the Accounts table (reflection will be happened on back end). The Accounts table figure collections will be remitted into the bank account daily. The entire process should be verified by the higher officials' periodically with reference to the connected records so as to prevent defaulcations/leakage of revenue.

As concerned the Zone-VI Soukaryam centre, daily collection scrolls downloaded from online, remittance counterfoils registers 2 volumes related to Vepagunta counter for entire year, VMC BJ 81 counter for the period 11/2015 to 3/2016, building applications receipt scrolls for entire year and the Register of cheques/DDs received were produced to audit for verification. As verified from the above records it is noticed that an amount of Rs.18,14,07,186.00 was collected from 63922 transactions through zonal soukaryam centre, Zone-VI during the year as follows:

S. No.	Particulars of collection point	No.of transactions	Cash	Cheques	DDs	Total
1	Vepagunta Soukaryam counter	56538	73809419	3923628	6180531	83913578
2	VMC BJ 81 Soukaryam counter	6356	6824094	52100	978755	7854949
3	BA files receipt	1028	41692661	47641893	304105	89638659
	Total	63,922	12,23,26,174	5,16,17,621	74,63,391	18,14,07,186

As analysed the data obtained from the above sources the following defects were noticed:

a) Register of daily collection & remittance: It should be maintained duly recording the day wise no.of transactions, amount collected and remitted with remittance particulars basing on the data available from daily collection scrolls. The supervising authorities shall check the register periodically and certified. But the register was not maintained.

b) Remittances: The remittance particulars shall be supported by the remittance slips/counterfoils and bank scroll in which it was remitted. This should be cross checked by the competent authority periodically and get certified. But this practice was not done in this zone.

c) Cheques returned: The following cheques were shown returned to the parties without recording any reasons:

S. No.	Cheque No	Amount (Rs.)	Bank	Assessment No. Against which paid	Remarks
1	905062	10308.00	AB	10000661289	Recorded cash paid on 1.7.15 but cheque cashed on 4.7.15

6	424369	4009.00	SBI	10001002251	Recorded cash paid but cheque cashed on 16.3.2016
7	000016	13430.00	HDFC		Recorded cash paid but cheque cashed on 10.9.2015
8	409260	21812.00	APGVB	10000560419	Recorded cash paid but cheque cashed on 17.2.2016

But the reasons not explained to audit whether the cheques returned to the party or by mistake it was recorded.

d) Non reconciliation of collection & remittance data:

as per the information provided by the soukaryam center i.e daily collection scrolls downloaded from online, remittance counterfoils registers, it is noticed that an amount of Rs.18,14,07,186.00 was collected and shown remitted amount as Rs.19,68,98,445.40 as detailed below:

As verified the data it is noticed that remittances shown excess for amounting to Rs.1,54,91,259.40 which is impossible. In audit it is opined that there is variations in collection data due to non maintenance of daily collection & remittance register and non filing of daily collection scrolls regularly (daily collection scrolls downloaded and produced at the time of audit).

However, in view of the above list of observations the correctness of the amounts collected, remitted into bank account, discrepancies if any could not be ascertained and certified in audit as we observed discrepancies between Revenue table collected figure (i.e. collecting at soukaryam centre) and Accounts table figure as pointed out in previous Audit Reports. Therefore, if any irregularities come to light in future, audit is not responsible.

Hence, action would need to be taken to maintain the relevant records and reconcile the collection particulars with remittance particulars and compliance reported to audit. The loss caused if any in the matter would need to be made good from the persons responsible.

SOWKARYAM-COLLECTION OF TAXES AND NON TAXES-CHEQUES/DDs RETURNED-PROCEDURAL IRREGULARITIES NOTICED-NEEDS REVERSE ENTRIES:

During the course of Audit on the accounts of soukaryam Zone-VI GVMC for the year 2015-16, it is observed that collection of all taxes and non taxes are being operated through Soukaryam Centers and E-Seva centers for the convenience of the public. As verified from the records, all the taxes, fees and other receipts like Property tax, water tax, water supply receipts, Trade License fee, Encroachment fee, town planning

From the above data it is noticed that the DDs/cheques were returned for re-validation but connected file not maintained. In practical whenever the DD/Cheque received from the assessee the demand will be nullified and shown as the amount was collected for the connected assessment. In case the received DD/Cheque returned for want of revalidation or lack of funds reverse entry to that effect against those assessments should be passed to raise the demand as it is. In the above cases the staff explained that reverse entries will be done. But no evidence presented in support of their statement which gives scope for missing of such entries. Further, even a watch register also not maintained in the soukaryam section. In view of the above explained position, the correctness of the DDs/Cheques received, realized could not be ascertained and raising of demand due to reverse entries passed also not certified in audit.

Hence, action would need to be taken to maintain watch register and pass the reverse entries whenever the cheques/DDs returned and loss caused if any in the matter would need to be made good from the persons responsible and compliance for above cases may be reported to audit for verification.

Para No. 391

Code No.18

ESTABLISHMENT-DEFICIENCIES IN MAINTENANCE OF SERVICE REGISTERS- NEEDS RECTIFICATION:

A review of Service registers of class-IV employees of Zone-VI, the following defects were noticed:

a) List of Family Members: According to Rule 16(b) of Annexure- VII (Rule No. 92) of APTC Rules issued in GO MS No.266, Finance & Planning (FW-TA) Department, Dated: 21.09.1996, every employee should furnish a list of family members who are dependent on his and the same has to be recorded in the service register of the employee. As and when there is change in family members either due to addition / deletions, the employee should furnish revised list duly furnishing the reasons for the same and such revised list of family members should also be recorded in the service register of the employee.

However, the details of the family members, their relationship with the employees, date of birth and age were not noted in the service registers.

Nominations: According to general conditions of service under FR-10 and subsidiary Rules, the nominations for Provident Fund, DCRG and APGLIC etc., are required to be received from the individual employee and noted in the service register and required to be appended in the service registers of the employees concerned.

However, the entries regarding filing of nominations for Provident Fund, DCRG and APGLIC etc., were not noted. Also the prescribed forms duly filled in were not affixed in the service register.

Declaration of Home Town: It was also noticed that entries in regard to the declaration of home town were not made in the service Register verified.

Attestation of Government Servant: In accordance with the instructions issued in GO MS No. 152, Finance Department, Dated: 20.05.1969, it shall be the duty of the Head of the Office to obtain the signatures of the employees in their service register by the individual employees.

However, the signature of the employees was not obtained in the service registers.

Verified by the Head of the Department: As per the instructions issued GO MS No.391, Finance & Planning Department, Dated: 07.11.1977, the verification of service registers should be taken up by the Head of the Office in the month of April every year and after verifying the correctness of services recorded, he should append a certificate in the following words over his signature, "Service verified from _____ to _____ with reference to pay bills and acquaintances".

Hence the omissions pointed out above may be made good in the service registers of all the municipal employees so that the employees would not suffer on account of delay in finalization of pension, etc., at the time of retirement of otherwise audit intimated accordingly.

TOWN PLANNING-SHORT COLLECTIONS OF BUILDING LICENSE/PERMIT FEE -LOSS- NEEDS RECOVERY: Rs.1010/-

During the course of audit on the accounts of Zone-VII GVMC for the year 2015-16, as verified from the Building Applications Register, it is noticed that an amount of **Rs.1010 /-** was short collected towards Building License Fee from 3 applications under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010, the Corporation has to collect the Building License Fee as follows:

Parameter for collection	Usage: Residential Purpose				Usage: Commercial Purpose			
	upto G+2		G+3 & Above	Apartments	upto G+2		G+3 & Above	Apartments
	below 100 Sq.M	Above 100 Sq.M			below 100 Sq.M	Above 100 Sq.M		
Built Up Area	15/-	45/-	55/-	55/-	70/-	90/-	120/-	120/-
Min. Fixed	500/-	5000/-	5000/-	5000/-	1000/-	5000/-	10000/-	10000/-

The applications received along with prescribed fee have to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation. But on cross verification of the Building Applications Register with the connected application files and gazette notification short collection of Building License Fee made and sustained loss to GVMC for amounting **Rs.1010/-** as detailed below:

S.No	BA No.	Purpose	Building License Fee(Rs.)			
			BUA (Sq.mt)	Demand (Rs.)	Collected(Rs.)	Short collection(Rs.)
1	13367 / 15 / G+1	Residential	66.00	990.00	750.00	240.00
2	12542 / 15 / G+1	Residential	78.00	1170.00	700.00	470.00
3	12234 / 15 / G+1	Residential	60.00	900.00	600.00	300.00
			204.00	3060.00	2050.00	1010.00

However, short collection of Building License Fee constitutes loss to the institution and hampers the developmental activities of the targeted group in the jurisdiction of the GVMC.

Hence, action would need to be taken to collect the balance amount with penal interest and remitted to the funds of the institution. Similar cases if any come to light in other files/records which were not produced to audit, loss sustained would need to be calculated and made good from the person or persons responsible and fact reported to audit for verification.

Code No: 07

TOWN PLANNING-SHORT COLLECTION OF DEBRIS CHARGES ON CERTAIN BUILDING APPLICATIONS -LOSS- NEEDS RECOVERY: Rs.8000/-

During the course of audit of GVMC for the year 2015-16, as verified from the Building Applications Register it is noticed that an amount of **Rs.8000/-** was short collected towards Debris Charges in 4 applications under Sec- 622 (II) of HMC Act 1955 read with Sec- 7 of VMC Act 1979 and as per resolution number 12-1 of 1981 of VMC.

As per the provisions laid down in the District Gazette of Visakhapatnam district issued vide issue No.38; dt.26.2.2010 the Corporation has to collect the Debris charges as follows:

Buildings upto G+2

:upto 100 sq.mts @ Rs.130/-

:Upto 300sq.mts @ Rs.1250/-

:above 300sq.mts @ Rs.2000/-

Buildings G+3 & above

:upto 300 sq.mts @ Rs.3000/-

Apartments & Non-residential :

above 17.50 mts @ Rs.4000/-

The application received along with prescribed fee has to be recorded in the register of the building applications in the respective columns. The abstract for every month and at the end of the year has to be prepared under proper attestation.

But on cross verification of the Building Applications Register with the connected application files and gazette notification short collection made and sustained loss to GVMC for amounting **Rs.8000/-** as detailed below:

Aneexure: Short collection of Debris Charges

S.No	BA No.	Purpose	Debris Charges (100SQ.M=1 Unit)				
			BUA	Units	Demand	Collected	Short
1	14919/15/G+2	Residential	428.01	3.00	6000.00	2500.00	3500.00
2	12555/15/G+1	Residential	311.80	2.00	4000.00	2500.00	1500.00

Para No: 399**Code No: 09****TOWN PLANNING-SHORT COLLECTION OF 14% OPEN SPACE CHARGES-LOSS-NEEDS RECOVERY: Rs. 260984.00**

As per the standing instructions issued in AP Building Rules, 2012 Open Space Charges at the rate of 14% of land value as per SRO Rate i.e market value certified by the SRO or registered document value whichever is higher shall be collected by the GVMC before according permission for construction of buildings in unapproved layouts.

But during scrutiny of 47 scrutinized files it is noticed that open space charges short collected and loss sustained to GVMC for amounting **Rs.260984/-** due to misapplication of rates, recovery of 10%, 12% in some cases etc., in 3 files as detailed below:

S. No.	BA No.	Site Area	Open space charges@14% (Rs.)			
			Market Value	Demand	Collected	Shortage
1	12236/15/G+1	140.68	1682500	235550	117780	117770

Code No.7

WATER SUPPLY-DCB OF BPL TAP CONNECTIONS-AMOUNT NOT REALISED FULLY-LOSS TO GVMC-NEEDS EARLY REALISATION: Rs.29500 / -

During the course of audit for the year 2015-16, on verification of Register of BPL Tap connections, it is noticed that an amount of Rs.29500/- was pending realization as on the closer of the financial year.

As verified from the registers, it is observed that BPL Tap connections were given in 3 categories:

- a) **BPL connections** in clear cases of fully eligible applicants
- b) **BPL connections on ID bonds** for the applicants who have House Tax fixed on ID bonds
- c) **BPL connections on undertakings** for the special cases who have no house tax but references issued by the public representatives during government programmes and higher officials in disposal of grievances etc.,

According to procedure prescribed by the GVMC, BPL Tap connection shall be provided subject to fulfillment of the following conditions:

- Individuals application signed by him / her.
- Should enclose white ration card and aadhar card
- Should have house tax assessment and it should be below Rs.500/- per Half Year.
- Should enclose house tax pass book
- Should enclose upto date HT payment evidences
- Should enclose affidavit signed by the notary and applicant for variations in name if any etc.,

However, the procedure was adopted by the AEs concerned to the extent of possible levels during the scrutiny of applications. But, an amount of Rs.29500/- was pending collection as on the closer of the financial year as detailed below:

Si.No.	NAME OF APPLICANT	HALF YEAR HOUSE TAX	AMOUNT TO BE DEPOSITE	AMOUNT DEPOSITE	SHORT COLLECTION
1	Smt.B.CH.AMMAJI	911	7125	1225	5900

5	Sri .J.Appala Raju	506	7125	1225	5900
Total					29500

From the above information, the audit opined that effective steps have not been taken by the Executive Authorities concerned for 100% realization of dues which sustains loss to the GVMC and reduces scope of implanting development activities. Hence, action would need to be taken to realize/collect the balances at an early and fact report to audit for verification.

PUBLIC HEALTH SECTION

PARA NO: 409

CODE NO.7

PUBLIC HEALTH-DCB-DCB OF D&O TRADERS LICENCE FEE -HUGE BALANCE PENDIONG COLLECTION-NEEDS EARLY ACTION: RS.860868/-

As verified the ward wise booklets of demand, collection, balances downloaded from gvmc online module of D&O Trade License Fee for the year 2015-16, it is noticed that huge amount of Rs.880868/- was pending collection as on the date of audit as per the statement appended to this para.

According to Section-521 HMC Act, the Traders located in GVMC, has to pay or renew their Trade License and has to pay the prescribed license fee before the one month from the closure of financial year i.e., during the month of February of every year. But as seen from the Demand Register(downloaded data taken as DCB register as the said register not maintained manually) of Trade License fee, the following traders as noted in the list enclosed have not paid their license fee for the year 2015-16.

The efforts of the staff of Public Health Section has also not evidenced any interest in collection of license fee as regarded under Section-521 which causes huge amount pending realization under D&O Trade License and thus, the traders are also being allowed to continue their business without pending/renewal their trade license.

Therefore, necessary action would need to be taken to collect the balance amount along with the penalty imposed for belated collections and remitted to GVMC funds and fact reported to audit.

As ascertained from the sectional staff about zero demands, it came to know that the above trades were deleted from demand of D&O Trades during the year. But copies of relevant resolutions for the deletion of trades from the demand for the year 2015-16 and the connected files were not produced to audit. In the absence of the above the reasons for deletion and consequential correctness of demand of the trade license fee could not be verified and certified in audit.

Hence, action would need to be taken to produce the relevant documentary evidences as required manner to audit for verification

PUBLIC HEALTH-DCB OF D&O TRADE LICENCE FEE-ADDITIONS AND DELETIONS-CONNECTED FILES NOT PRODUCED-NEEDS ACTION:

During the course of audit as verified from the online generated DCB scrolls of D&O Trade License Fee for the year 2015-16 related to Zone-VII, it is noticed that an amount of Rs.1481245 / - was collected during the year from 1910 traders as detailed below:

S. NO.	Division	No. of Trades in 2014-15	No.of Deletions	No.of Additions	No. of Trades in 2015-16	Collection (Rs.)
1	1	450	122	476	1048	848905
2	2	292	51	249	592	512740
3	3	119	51	100	270	119600
Total		861	224	825	1910	1481245

As verified the above data it is noticed that new traders were taken license during the year and raised the demand to that effect. But the connected assessment files together with application forms and relevant documents not produced to audit instead of several requests made vide half margin letters. In the absence of the same the correctness of the demand fixed and violations occurred in sanctions if any could not be ascertained and certified in audit.

Hence, action would need to be taken to produce the files to audit for verification and loss caused in this regard if any would need to be made good from the person or persons responsible under intimation to audit.

REGISTERS-D&O TRADE LICENSES-COLLECTION REGISTER AND DCB REGISTERS NOT MAINTAINED- NEEDS ACTION:

As verified from the D&O Trades registers (Division wise) Computer sheets for the year 2015-16, it is noticed that an amount of **Rs.1481245/-** was collected towards D&O Trade License Fee against 1910 traders during the year under report as detailed below:

Division	No.of Assessments	Amount Collected (Rs.)
1	1048	848905
2	592	512740
3	270	119600
Total		1481245

Collection Register: The staff of the section explained that the above amount was collected up to the date towards arrears and fines etc., As per the Act provisions the licenses have to be issued on receipt of the prescribed fee before February of the preceding year, otherwise penalty has to be levied and collected @ 25 % up to 60 days and 50 % beyond 60 days.

But the connected Collection Register was not maintained to verify the correctness of the collections made which required under Section-521 of HMC Act. The Public Health section is depending on the computerized registers available on the "Saukaryam" website. The checks on new licenses issued, old licenses renewed also not forthcoming to audit.

DCB Register: The field staff of Public Health section has to conduct survey every year and recorded data in the D&O Trade Demand Register in the following proforma prescribed which was followed previously:

License No	Name of the Party	Address	Nature of Business	Date of Opening	Demand fixed	Amount collected	Challan No.	Date of payment	Details of Prosecution if any		Balance	Remarks
									Date of Proceedings	Page no. of P. Register		
1	2	3	4	5	6	7	8	9	10	11	12	13

It is the basic function of the sectional staff to maintain the Demand register in the above proforma duly recording additions and deletions to arrive at demand for the present year. Apparently no such effort was made to fix the demand for issue of licenses and for proper watch of the collection as per the rates prescribed in the notification. The manual Demand Registers were not maintained as the transactions are being operating through online.

The section is depending on the information available from "Saukaryam" online records. There is no check on new licenses issued, old licenses renewed etc.,

The Licensee's are paying the amount directly in "Saukaryam" and the receipt issued is considered as Trade License. The Health Section is not collecting other requirements to issue a Trade License, like Application Form, NOC from neighbors, property tax receipt etc.,

Without having instructions issued either by the Government or Department of Municipal Administration the manual records were dispensed with which is highly irregular. Astonishingly, computer sheets downloaded from online transactions not certified by any competent authority were stapled and produced to audit.

In the absence of the above registers, the correctness of the demand, amount collected, amount remitted, late remittance and penal interest collected if any etc., could not be ascertained in audit. Hence, action would need to be taken to maintain the above said registers and produce the same to audit for verification.

TOTAL		276	391241

As per procedure every new assessment of monthly list should be verified with reference to the approved building application obtained from town planning section and assessment master available in E-Suvidha/online software and correctness in audit.

Assessment master and files not produced.

As per procedure the correctness of tax assessed should be verified with the particulars uploaded in assessment master which are available in E-Suvidha(online) software may variations were noticed in various items like type of construction, usage type, occupation type, zonal rate, plinth area, depreciation and consequential under assessments of property tax, at the time of verification/special audit of 100 random assessments. There is a scope for such type of variation during the year also. But connected assessments master and files were not produced to audit for verification.

In the absence of the above files approved building applications and assessment master the correctness of the measurements monthly rental value zonal rate etc., could not be ascertained and certified in audit.

Para No.415**Code No.18****REVENUE SECTION – PROPERTY TAX AND VACANT LAND TAX – DEMAND REGISTERS AND ARREAR DEMAND REGISTERS NOT MAINTAINED – NEEDS ACTION:**

During the course of audit for the year 2015-16 on verification of revenue section. It is noticed that the demand registers and arrear demand registers regarding property tax and Vacant tax of Zone VII anakapalli not maintained during the year. As per the online scroll an amount of Rs. 9262044/- was collected towards property tax under VLT. But accurate demand collection and balances of Property tax & VLT were not arrived and certified by the competent authority.

As per the procedure demand registers should be update from time to time duly recording demand collection written off, remission, and balances assessment wise and the changes like deletions and additions etc., should be reflected in the demand register. The page wise totals should be arrived and bared on the page wise totals the final abstract for the financial year should be prepared and certified by the competent authority also the total no of assessments and last assessment should be certified by the competent authority.

Further, it is ascertained that the manual demand registers were completely dispersed on introduction online system without having directions from the competent authority.

However, in view of non maintenance of demand and arrear demand register the correctness of the DCB of taxes could not be ascertained in audit.

Hence action would need to be taken to update the demand register and produced to audit for verification. The loss caused if any in the matter would need to be made good from the person / persons held responsible.

- Payees receipt of property tax up to date
- House tax pass book in original

Hence action would need to be taken to produce the connected files to audit for verification and loss caused if any need to be made good from the persons responsible.

ZONAL ACCOUNTS-CASH BOOKS-MAINTENANCE OF CASH BOOKS FOUND DEFECTIVE-NEEDS RECTIFICATION:

During the course of Audit on the zonal accounts of Zone - VII GVMC for the year 2015-16, as verified from the zonal cash books i.e Cash book No.342-Salaries & Cash book No.343-Contingencies it is noticed that maintenance of cash books is defective.

- a) Particulars of grant received from time to time not recorded.
- b) Book adjustment amounts not taken to receipt, but expenditure booked for gross amount in payments side.
- c) Opening balance & closing balances not arrived and certified by the competent authority.
- d) Particulars of payments not recorded in full shape i.e voucher no., date, particulars of payment, gross, head wise recoveries, net amount paid and cheque no & date etc.,

However, in view of the above defects, the cash books not in self explanatory and hence action would need to be taken to maintain the cash books hereafter with proper care as required manner and produce the same to audit for verification.

EXPENDITURE-VOUCHERS FOR EXPENDITURE-NOT PRODUCED-NEEDS ACTION:

During the course of audit for the year 2015-16, as verified from the Receipts and Payments statement of General account(Ordinary) enclosed with annual account, it is noticed that an amount of Rs.934839/- was incurred as expenditure, But the vouchers sanction files which were connected with the expenditure were not produced to audit for verification.

I-CONTENTS:

**PART-A1: MAIN OFFICE AUDIT REPORT
PART-A2: REVIEW OF ZONAL REPORTS
PART-B: ZONAL AUDIT REPORTS(1 to 8)**

SCOPE OF AUDIT –STATUS OF MAINTENANCE AND PRODUCTION OF VARIOUS VITAL AND IMPORTANT RECORDS:

During the course of audit for the year 2015-16, it is noticed that **certain vital and important records were not maintained, if maintained also, they were partial. The non-maintenance and non-production of records and irregular maintenance of certain registers, nothing but opening of the doors for all sorts of irregularities such as misappropriations, defalcations and other major financial losses.**

Further, it was observed that the manual records such as Demand Registers, Posting Registers etc., were dispensed with unilaterally without having instructions either from the Government or from the Director of Municipal Administration. Certain records were maintained partially in the system, which could not be verified at the end of transaction.

In the above circumstances, there is every possibility and scope for misappropriations, defalcations, and irregular drawls as the maintenance of records is not comprehensive.

Subject to the above position, the audit was conducted to the extent of production of records and the objections were raised based on the observations from the following Registers, records and necessary material obtained from the Executive Authority and sectional heads concerned.

UNDER ASSESSMENT OF PROPERTY TAX – LOSS – NEEDS RECOVERY: Rs.18495/-

On verification of monthly list of Property tax in respect of Bhimili Zone VIII for 2015-16, it was noticed that there are certain under values arrived in assessment of property tax. According to the Gazette No.136/90, Dated: 9.3.94 of GVMC, Visakhapatnam, the buildings and the areas in the Wars/zones of GVMC were classified into posh area and post and ordinary building basing on the development of that area and the design and material used in construction of those buildings. According to assessment of Taxation rules the RCC buildings with super quality of wood and the attached bathroom is classified as RCC poshed building. But, violating the above norms the flats in apartment despite having attached bathroom were classified as ordinary and the rates of monthly rental values concerned to the ordinary grade were taken into account while assessing the annual rental values and thereby the assessment were made undervalued. Accordingly to that extent the GVMC sustained loss of revenue. This practice will be discontinued and so far loss would need to be recovered from person or persons responsible. The following are the few cases of under assessment of Property Tax as detailed in the Annexure.

TITLE TRANSFER CHARGES – INVOLVEMENT OF DOUBLE TRANSACTION – SHORT COLLECTION – LOSS: Rs 14000.00

On verification of Title Transfer files for the year 2015-16, it is noticed that an amount of Rs 14000/- was collected in short to the collections actually to be made. According to the municipal corporation resolutions, the Title Transfer fee for each transaction is to be collected at the rate of Rs 1000.00 for each Rs 1000000.00 value of the asset. For the applications come after two or three transactions of Title Transfers involved, the title transfer fee is to be collected for each transaction separately before effecting the mutation in the revenue records. But in the following cases of Title Transfers, despite involvement of two or more transactions, the fee was collected for the final transaction only. According to the house tax receipt enclosed to the application, the Tax assessment was in the name of owners prior to the present transferor or to the past previous transferor. Hence the mutation in the revenue records is to be made from previous owner to the present transferor and from there to the present transferee ie applicant. Hence as two transactions involved in it, two times of the Title transfer fee is to be collected. As it was not done and the fee collection was confined to only one transaction, the municipality sustained a loss to that effect as shown below.

ZONE-VIII WORKS- EXCESS PAYMENT DUE TO WRONG CALCULATION AND OTHER DEFECTS- Rs.15386/-

Work code 2014-eng08-99-158

M.Book:-390/2014-15

On verification of the M.book of the work **Construction of CC Road and drain from Rajalingamapeta village Drinking well to Rayapalem** it was noticed that the excess payment was made to the contractor due to wrong calculation of quantities. There by resulted an amount of Rs.15386 /-overpayment as detailed under.

Executed item	Length	Breadth	Width	Total quantity arrived in cum	Total quantity to be arrived in cum	Difference in cum	Rate per cum	Excess
Earth work excavation for drain	181.50	1.50	0.85	248.69	231.41	17.27	145.24	2508

PCC 1:3:6 for drain bed	181.50	1.20	0.10	21.06	19.60	1.46	5078.09	7414
Excess payment								15386

OTHER DEFECTS

1.No provision was made in estimate for engaging of JCB for site clearance. But recordings made in the M.book as the JCB used 57 .80 hours for purpose of site clearance and rate paid @1350/- per hour. Premeasurement of Site along with the supporting reasons were not mentioned any where of the m.book or file.

2.As per the approved Detailed and abstract estimate provision was made only for dry stone packing drain bed. but executed drain beds two layers without any supporting reasons as detailed under.

	Length	Breadth	Depth	Total quantity arrived in cum
PCC 1:4:8 for drain bed	181.50	1.40	0.10	27.30
PCC 1:3:6 for drain bed	181.50	1.20	0.10	21.06

3. As per the estimate road and drain shall be executed to an extent of 281 meters. But the executed 240 meters road work and 181.50 meters of drain work only.

ZONE-VIII WORKS- .WIDTH OF THE DRAIN BED IS MORE THAN THE WIDTH OF THE EARTH WORK OF DRAIN-WRONG MEASUREMENTS-CAUSED FOR OVERPAYMENT OF RS.63315/-

M.Book:-527/2014-15

On verification of the M.book of the work **Construction of CC Storm water drain from police station junction to Jammu Tank in Bheemunipatnam** Earth work was executed for laying of the drain with following measurements.

Length	Breadth	Depth	Total quantity arrived in cum
352.80	1.20	1.0	423.36

After execution of the earth work for drain,laying of bed concrete was recorded in the M.book with higher width than the earth work is follows.

Length	Breadth	Depth	Total quantity arrived in cum
352.80	1.50	0.15	79.49

It was learnt in audit that the wrong measurements were recorded by the concerned Assistant Engineer and the same was cheque measured by the Deputy executed and finally leaded to irregular payments.

Hence, the item of work PCC(1:4:8) mix which was wrongly recorded for 79.49cum(352.80*1.50*0.15) has to be recorded to the length of earth work ie 63.50 cum(352.80*1.20*0.15) if the earth work is correct . There by resulted an amount of overpayment Rs.63315/- (79.49cum -63.50cum=15.99cum*Rs.3959.65).

ZONE-VIII WORKS- PURCHASE OF BAL HYDRAULIC DRY WASTE BAILER-NO PURCHASE INVOICES,DELIVER CHALLANS ALONG WITH WARRANTY CERTIFICATE AND OTHER DEFECTS:

Work code:- 2014-eng08-99-108/M.Book:-1147/2010-11

On verification of the file along with the M.book, it was observed that the estimate for purchase of **BAL Hydraulic Dry waste bailer** was prepared by the civil engineering wing of Bheemunipatnam zone on the basis of quotations obtained from the two firms ie ENVIROSYZ,GAJUWAKA and SLR ENTERPRISES,SECUNDERABAD. Among these two agencies ENVIROSYZ, GAJUWAKA quoted less rate ie Rs.669339/-and the same rate was taken as estimate rate and basing on that tenders were called from the registered civil contractors. M/S VK Associates only participated in tenders and quoted 2.75% less(669339-18406=650932) on contract value. The contractor supplied the **BAL Hydraulic Dry waste bailer** after issue of work order.

The following lapses were noticed in purchase of the above machine

1. In support of the payment, the purchase invoice, delivery challan, warranty certificate, specifications of the bailing machine along with central stock register of tools, plant and machinery were not produced to audit.
- 2.The GVMC having a independent mechanical branch. But the technical support of mechanical section of the GVMC was not taken before or after the purchase of machine which the work related mechanical section.
- 3.Instead of calling tenders from the civil contractors, why the GVMC authorities not approached directly to the concerned dealers/firms to purchase the said machine.if approached directly there is scope for reduction of rate.

Due to above mentioned reasons the correctness of the purchase along with the quality could not be certified in audit.
